4. DECISION DETAILS

The following type of approval has been issued:

- Development Permit for a Material Change of Use for Short-Term Accommodation (two units)

5. CURRENCY PERIOD

The currency period for this development approval is six (6) years starting the day that this development approval takes effect. (Refer to Section 85 “Lapsing of approval at end of currency period” of the Planning Act 2016.)

6. ASSESSMENT MANAGER CONDITIONS

1.0 PARAMETERS OF APPROVAL

- 1.1 The Developer is responsible for ensuring compliance with this development approval and the conditions of the approval by an employee, agent, contractor or invitee of the Developer at all times unless otherwise stated.
- 1.2 Where these conditions refer to “Council” in relation to requiring Council to approve or be satisfied as to any matter, or conferring on the Council a function, power or discretion, that role of the Council may be fulfilled in whole or in part by a delegate appointed for that purpose by Council.
- 1.3 The cost of all works associated with the development and construction of the development including services, facilities and/or public utility alterations required are met at no cost to the Council or relevant utility provider, unless otherwise stated in a development condition.
- 1.4 The developer is required to have repaired any damage to existing infrastructure that may have occurred during any works carried out associated with the development. To the extent the damage is deemed by Council to create a hazard to the community, it must be repaired immediately.
- 1.5 All development conditions contained in this development approval about *infrastructure* under Chapter 4 of the *Planning Act 2016* (the Act), should be read as being non-trunk infrastructure conditioned under section 145 of the Act, unless otherwise stated.
- 1.6 All conditions, works, or requirements of this development approval must be undertaken and completed prior to commencement of the use and to Council’s satisfaction, and to be maintained at all times thereafter, unless otherwise stated.

APPROVED PLANS AND DOCUMENTS

- 2.1 The approved development must be completed and maintained generally in accordance with the approved plans and documents, except where amended by the conditions of this approval:

Plan/Document Name	Plan/Document Number	Revision	Date
45 St Agnes Street, Isisford – Site Plan	DA-01	-	25/03/2022 (Received date)
Parking Plan	DA-02	-	25/03/2022 (Received date)

- 2.2 Where there is any conflict between the conditions of this approval and the details shown on the approved plans and documents, the conditions of approval prevail.

3.0 VEHICLE ACCESS AND PARKING

- 3.1 Provide and maintain a minimum of two (2) car parking spaces on-site, dedicated to the approved development and located in accordance with the approved plans (refer to condition 2.1). All car parking spaces must be clearly delineated by either line-marking or signage.

Advisory Note: *These car parking spaces are to be provided in addition to the car parking associated with any other continuing lawful use of the premise.*

- 3.2 Design, construct and maintain all car parking and access works generally in accordance with the approved plans, *Australian Standard AS2890 "Parking Facilities" (Parts 1 to 6)* and *Manual of Uniform Traffic Control Devices (Queensland)*.
- 3.3 Construct and maintain the vehicular accesses in accordance with the Institute of Public Works Engineering Australia Standard Drawing No. RS-049 (vehicle low density residential) Plan 1 and 2.

4.0 SERVICES

- 4.1 The premises must be connected to Council's reticulated water and sewerage networks in accordance with the standards prescribed in Table SC5.1.2.6 (Water and Sewer Standards) of *Planning Scheme Policy 1 – Works*.

Advisory Note: *In accordance with section 5.7 and specifically Table 5.7.1 (Operational Work) of the Planning Scheme, Operational Work for water and sewerage connections are prescribed as 'Accepted subject to requirements.' The requirements are the Works Code of the Planning Scheme.*

- 4.2 Electricity and telecommunication services must be provided to the premises in accordance with the standards and requirements of the relevant service provider.

5.0 LANDSCAPING

- 5.1 Retain and maintain all landscaping generally in accordance with its state as at the date of this approval, with the exception of the removal of the existing rock edged

gardens. Any new or changed landscaping must predominantly contain species that are endemic to the region due to their low water dependency.

- 5.2 Ensure the landscaped areas are subject to water and maintenance during the establishment phase, and ongoing maintenance and replanting as required.

6.0 ENVIRONMENTAL HEALTH

- 6.1 Undertake the approved development so there is no environmental nuisance or detrimental effect on any surrounding land uses and activities by reason of the emission of noise, odour, wastewater, waste products, dust or otherwise.

- 6.2 Maintain outdoor lighting to comply with AS4282 - "Control of Obstructive Effects of Outdoor Lighting".

- 6.3 All waste storage areas must be kept in a clean, tidy condition, and must be screened from view from St Agnes Street and the buildings (on Lot 90 on SP266028) to the east of the premises. Sufficient waste containers and services are to be provided to cater for the containment and removal of all waste generated on the site.

7.0 EROSION AND SEDIMENT CONTROL

- 7.1 Implement and maintain an Erosion and Sediment Control Plan (ESCP) on-site for the duration of any works associated with the approved development, and until such time as all exposed soil areas are permanently stabilised (for example, turfed, hydro mulched, concreted, and landscaped). The ESCP must be available on-site for inspection by Council Officers during the works.

- 7.2 The Erosion and Sediment Control Plan must be prepared in accordance with the Best Practice Erosion and Sediment Control document from the International Erosion Control Association, as updated from time to time.

- 7.3 Where any component of the works is to be undertaken during the wet season (October to May), the Erosion and Sediment Control Plan must be submitted to Council for approval, prior to commencement of the works.

***Advisory note:** Schedule 5.1.2.5 of the Longreach Regional Council Planning Scheme (v2.1) references the Director of Infrastructure Services to undertake the assessment of the ESCP.*

8.0 CONSTRUCTION ACTIVITIES

- 8.1 Construction activity and noise must be limited during earthworks and construction associated with the approved development to the hours of 06:30 to 18:30 Monday to Saturday, with no work to occur on Sundays or public holidays.

- 8.2 The construction of any works must be undertaken in accordance with good engineering practice and workmanship and generally in accordance with the relevant provisions of Planning Scheme Policy No. 1 – Works Planning Scheme Policy under Schedule 5 of the Longreach Regional Planning Scheme 2015 (v2.1).

- 8.3 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the development site, unless otherwise approved in writing by Council.

9.0 ASSET MANAGEMENT

- 9.1 Any alteration necessary to electricity, telephone, water mains, sewerage mains and/or public utility installations resulting from the development or in connection with the development, must be undertaken and completed at no cost to Council.

ADVISORY NOTES

1. Prior to commencing any construction activities, the applicant/developer may be required to obtain further development permits for operational work (for example, for the relocation of the sewer line if this is required), building work, and plumbing and drainage work, as required under relevant legislation for this work.
2. This approval does not negate the requirement for compliance with all other relevant Local Laws and other statutory requirements. Any provisions contained in this approval relating to the enforcement of any of the conditions shall be in addition to all other rights, powers and privileges that the Council may possess or obtain, and nothing contained in these conditions shall be construed so as to prejudice, affect or otherwise derogate or limit these rights, powers and privileges of the Council.
3. General environmental duty under the *Environmental Protection Act 1994* prohibits unlawful environmental nuisance caused by noise, aerosols, particles, dust, ash, fumes, light, odour or smoke beyond the boundaries of the development site during all stages of the development including earthworks, construction and operation.
4. This development approval does not authorise any activity that may harm Aboriginal cultural heritage. It is advised that under section 23 of the *Aboriginal Cultural Heritage Act 2003*, a person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal cultural heritage (the "cultural heritage duty of care").

7.3 Relevant Matters

There are no relevant matters for this application.

7.4 Matters Raised in Submission

Public notification of the application was required, however no properly made submissions were received.

7.5 Reason for Decision

The development application is approved and the reasons for the decision are based on findings on material questions of fact:

- (a) The proposed use is considered acceptable in the Township Zone.
- (b) The proposal will reuse existing components of the Former Isisford Hospital and will therefore be compatible with the local character and amenity
- (c) The proposal retains existing landscaping, including significant vegetation that is part of the Heritage citation for the site
- (d) The development is appropriately serviced by reticulated services, vehicle access and parking.
- (e) The development complies or can be conditioned to comply, with the relevant assessment benchmarks of the Planning Scheme.
- (f) The development does not compromise the relevant elements of the Central West Regional Plan or State Planning Policy.

8. REFERRAL AGENCIES
