Dear Andrew

Re: Decision on exemption certificate under section 46 of the *Planning Act 2016*

I am writing to inform you that Longreach Regional Council (Council) has decided to approve an exemption certificate for assessable development over 152 Ibis Street, Longreach, formally described as Lot 915 on L3576, as per the following resolution and as detailed herein.

14.3 Exemption Certificate for a Class 10a Shed at 152 Ibis Street, Longreach

Consideration of an application for an Exemption Certificate for construction of a shed, on the basis that the effects of the development are minor or inconsequential.

(Res-2023-07-192)

Moved Cr Smith seconded Cr Bignell

That Council grants an Exemption Certificate, pursuant to Section 46 of the Planning Act 2016, for proposed building work assessable against the Planning Scheme, for a 150m² Class 10 Shed at 152 Ibis Street, Longreach (Lot 915 on L3576).

CARRIED 6/0

The reason Council has decided to issue an exemption certificate is because the proposed development is deemed minor and inconsequential. Specifically:

- The shed will not detract from the residential amenity and character of the neighbourhood as:
- Total resulting site cover will be approximately 12.35% of site area. The Queensland Development Code MP1.2 (Design and siting standard for single detached housing – on lots 450m² and over), allows for up to 50% site cover for residential development, before approval is required from Council (through a concurrence agency referral as part of a development application for a Development Permit for Building Work assessable under the Building Act); and

- 
- The proposed 150m² shed is consistent with the exemption certificate provisions outlined in the current Planning Scheme.
 - The shed will be located in the low density residential zone. The shed will be less than 180m² in area.
 - It is considered that the shed is of an appropriate scale for the locality and should not have detrimental impacts on adjoining properties.
 - The location and size of the shed will not cause unreasonable impacts on neighbours in terms of privacy, overlooking or shadowing.

Should you require further assistance in relation to this matter, please do not hesitate to contact Emily O'Hanlon, Support Services Officer, on (07) 4658 4111.

Sincerely
