ORDINARY MEETING AGENDA**

**1. OPENING OF MEETING
OUR VISION, MISSION AND VALUES**

Vision:

Connecting Council and Community

Mission:

Delivering Excellent Service

Values:

Our values govern the actions of Council and how it serves the communities of Ilfracombe, Isisford, Longreach and Yaraka. Our eight core values are:

1. A Safe and Healthy Work Environment
2. Inclusiveness and Respect
3. Consistency and Fairness
4. Teamwork and Staff Development
5. Performance and Value for Money
6. Leadership and Collaboration
7. Sustainability
8. Forward-looking

2. PRAYER – Reverend <insert name>, <insert name of church>

3. CONSIDERATION OF LEAVE OF ABSENCE

**4. DECLARATION OF ANY PRESCRIBED / DECLARABLE CONFLICTS OF INTEREST
BY COUNCILLORS AND SENIOR COUNCIL OFFICERS**

4.1 Declaration of Prescribed Conflicts of Interest on any Item of Business

Pursuant to section 150EG, 150EH, 150EI, 150EJ, 150EK, 150EL and 150EM of the *Local Government Act 2009*, a Councillor who has a prescribed conflict of interest in a matter must notify Council of the potential benefit or loss, and if applicable, provide the name of the related person and their relationship with them. They may not participate in a decision relating to the matter and must leave the meeting.

4.2 Declaration of a Declarable Conflict of Interest on any Item of Business

Pursuant to section 150EN, 150EO, 150EP, 150EQ, 150ER, 150ES and 150ET of the *Local Government Act 2009*, a Councillor who has a declarable conflict of interest in a matter must notify Council of the nature of the interest, if applicable, name of the related person, the relationship to them, and the nature of the interest, and/or the value and date of any gift received.

The Councillor may voluntarily leave the meeting and not participate in a decision relating to the matter or;

Other Councillors may vote on this matter and decide if;

- (a) the Councillor must leave the meeting and not participate in a decision relating to the matter; or
- (b) the Councillor may remain in the meeting and participate in a decision relating to the matter.

CARRIED 6/0

The meeting adjourned for Morning Tea at 10:31 am

The meeting resumed at 11:00 am with all present prior to the adjournment in attendance.

Attendance: Councillor Hatch returned to the Meeting at 11:00 am.

13.3 Childcare - Payment of Fees Policy

Consideration of adoption of the updated *Payment of Fees Policy*.

(Res-2023-12-325)

Moved Cr Emslie seconded Cr Hatch

That Council adopts the new *Payment of Fees Policy*, as presented.

CARRIED 7/0

13.4 Information Report - Community Services

This report provides an update on a range of activities that has occurred during the month of November for the Community Services Department.

(Res-2023-12-326)

Moved Cr Nunn seconded Cr Bignell

That Council receives the *Community Services information report*, as presented.

CARRIED 7/0

14 Reception and Consideration of Director of Works' Report

Consideration was given to the Director of Works Report

14.1 Draft Plant Procurement Plan 2023/24

This report presents Council's draft plant procurement plan for the 2023/24 financial year for Council's consideration and approval.

(Res-2023-12-327)

Moved Cr Smith seconded Cr Paterson

That Council;

- 1. Considers and adopts the 2023/24 Plant Procurement Plan, noting that changes to the plan may be necessitated due to changing market forces and operational requirements, and*
- 2. Authorises the Chief Executive Officer to make changes to the type of plant to be procured in the Plan if required.*

CARRIED 7/0

14.2 Information Report - Update on grids installed on local roads

An information report to provide an update regarding a Notice of Motion that was presented at Council's Ordinary meeting dated 16 November 2023. The Notice of Motion requested particular information regarding Council's Grid Replacement Program.

(Res-2023-12-328)

Moved Cr Paterson seconded Cr Nunn

That Council receives the report, as presented.

CARRIED 7/0

14.3 Information Report - Works

This report provides an update on a range of activities that has occurred during the month of November/December 2023 for the Infrastructure Works Department.

(Res-2023-12-329)

Moved Cr Nunn seconded Cr Bignell

That Council receives the Works Information Report, as presented.

CARRIED 7/0

Nil for this meeting

17 Closure of Meeting

There being no further business, the meeting was closed at 12:40pm.

Minutes Certificate

These minutes are unconfirmed.

Cr AC Rayner
Mayor

Brett Walsh
Chief Executive Officer

6. MAYORAL REPORT

The Mayor attended meetings and engagements in the time since the last Council meeting, including but not limited to:

- The Mayor chaired the RAPAD meeting in Brisbane at LGAQ House over two days. Topics discussed included housing, roads, water infrastructure and the RAPAD partnership for the Power grid.
- Mayor attended Integrated Care and Commissioning Meeting in Brisbane with State and Federal Agencies discussing the Aged Care, Disability and I dependent Living needs of the RAPAD region.
- The Federal Government will fund a full time position hosted by RAPAD and based in Longreach to work through the issues and needs in this sector.
- The end goal is to ensure that equitable access exists in the RAPAD region for those clients with particular needs and support requirements.
- Longreach has been chosen as one of two remote pilot models in Australia, the other is the Kimberley region in WA.
- The Mayor as Chair of RAPAD has been invited to sit on a working committee with star and federal agencies.
- The Mayor Chaired the RAPAD Board meeting in December.
- The Mayor as Chair of LDMG maintained regular contact with State Authorities over the December and January period re heat wave conditions and extreme storm forecasts.

The Mayor also undertook regular media engagements with Radio 4LG and ABC Western Queensland.

Recommendation:

That Council receives the Mayoral Report, as presented.

7. COUNCILLOR REQUESTS

None received at time of agenda preparation.

8. NOTICES OF MOTION

None received at time of agenda preparation.

9. PETITIONS

None received at time of agenda preparation.

10. DEPUTATIONS

None received at time of agenda preparation.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.1 - Councillor Information Correspondence

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.1 Councillor Information Correspondence

From the Chief Executive Officer, tabling a list of significant and relevant correspondence for Councillors and public information.

The following correspondence has been received up to 18 January 2024:

1. Coolibah Estate Body Corporate- Request for Town Water Access
2. Acting Director General Mathew Nye - Caretaker Period for local government elections
3. Caretaker period for local government elections Factsheet
4. Acting Director General Mathew Nye - Model Meeting Procedures
5. Enclosure Model Meeting Procedures (new provisions highlighted)

Treasurer, The Coolibah Estate Body Corporate
The Coolibah Estate, PO Box 249, Longreach QLD 4730

08/01/2024

Longreach Regional Council
Eagle Street
Longreach QLD 4730

Dear Longreach Regional Council,

I am writing to you on behalf of the Coolibah Estate Body Corporate, located at 336 Cruise Murrumbidgee Road, Longreach 4730. As part of our ongoing efforts to enhance the services and amenities provided to our residents, we are seeking formal access to Longreach Regional Council town water.

Our intention is to use town water with a main connection connected to the most convenient water access with individual lots having the option of installing personal water with assurance that the Estate will adhere to all relevant regulations and guidelines set forth by the Council.

We are committed to maintaining open communication and promptly addressing any concerns related to water usage or infrastructure. We understand the importance of responsible water management and are prepared to comply with all terms and conditions outlined by the Longreach Regional Council. If there are any associated fees or specific procedures that need to be followed, please provide guidance on how we can fulfill these requirements.

We appreciate your consideration of this request and look forward to a positive response. Should you require any further information or clarification, please do not hesitate to contact me on 0422536516

Thank you for your time and cooperation.

Sincerely,

Hayley Jackson

Treasurer
The Coolibah Estate

11 January 2024

Mr Brett Walsh
Chief Executive Officer
Longreach Regional Council
ceo@longreach.qld.gov.au

Office of the
Director-General

Department of
**Housing, Local Government,
Planning and Public Works**

Dear Mr Walsh

I am writing to you about the Local Government election caretaker provisions which are outlined in Part 5, Chapter 3 of the *Local Government Act 2009*. The 2024 Local Government elections are scheduled for 16 March 2024, I encourage you to ensure councillors and council officers are fully aware of the provisions.

Under section 90A of the *Local Government Act 2009*, the caretaker period starts on the day when the Electoral Commission of Queensland publishes the public notice about holding the election. The caretaker period for the 2024 Local Government election is expected to begin on 29 January 2024.

During the caretaker period, councillors are prohibited from making decisions:

- about the appointment, remuneration or termination of a chief executive officer
- to enter into a contract greater than \$200,000 or 1 per cent (whichever is greater) of the local government's net rate and utility charges (as stated in the local government's audited financial statements included in the local government's most recently adopted annual report)
- significant procurement activities, such as establishing preferred supplier arrangements, or establishing exceptions to obtaining quotes or tenders when entering into a contract
- to make, amend or repeal local laws
- to make, amend or repeal a local planning instrument under the *Planning Act 2016* (i.e. a planning scheme, a temporary local planning instrument or a planning scheme policy).

A prohibited policy decision made during a caretaker period will be invalid unless the Minister's approval has been given prior to making the decision.

Local governments should prepare for the caretaker period by planning to make major policy decisions before or after the election period. However, unforeseeable events can result in a local government having to make major policy decisions during the caretaker period. In exceptional circumstances local governments can apply to the Minister for Local Government.

Please be aware that processes to expedite disaster recovery funding arrangements that may require decision of a local government in the caretaker period are currently under consideration by the department with further advice to be issued soon.

In the general course of events, the Minister decides on a case-by-case basis whether the proposed decision meets the exceptional circumstances requirement of the *Local Government Act 2009* or the *City of Brisbane Act 2010*. For further information on these requirements, please see the enclosed *Caretaker Period for Local Government elections factsheet*.

11.1 - Councillor Information Correspondence --Appendix 2

In addition, the Department of Housing, Local Government, Planning and Public Works (the department) has been advised that the Office of the Independent Assessor has received a number of complaints relating to councillors using their councillor social media accounts for campaigning purposes. The department sent a separate communication on 9 January 2024 to councillors advising caution around the use of council-provided facilities for campaign purposes prior to the caretaker period.

If you require any further information, please contact Ms Louisa Lynch, Director, Governance and Capability, in the department, by telephone on 0499 833 689 or by email at louisa.lynch@dasilgp.qld.gov.au, who will be pleased to assist.

Yours sincerely

Matthew Nye
Acting Director-General

Encl.

Caretaker period for local government elections

Factsheet

Legislation places limits during the caretaker period before quadrennial local government elections on publishing election material and making major policy decisions. This ensures that there are no significant policy decisions made near the end of a council term that bind future elected councils.

Local government reforms in 2019 have also introduced new limitations to improve accountability and ensure that council resources are not used (or perceived to be used) to promote current councillors standing for re-election.

Timing

The caretaker period starts on the day when the Electoral Commission of Queensland publishes the public notice about holding the election. The ECQ will also advise when the election has ended for each local government.

Caretaker periods do not apply to by-elections.

Election material

During the caretaker period, a local government or controlled entity must not publish or distribute election material. Election material is anything that could influence an elector about their vote or affect the election result. For example, fact sheets or newsletters that raise the profile of a councillor are prohibited during the caretaker period.

Major policy decisions

During the caretaker period, councillors are prohibited from making decisions:

- about the appointment, remuneration or termination of a chief executive officer
- to enter into a contract greater than \$200,000 or 1% (whichever is greater) of the local government's net rate and utility charges (as stated in the local government's audited financial statements included in the local government's most recently adopted annual report)
- significant procurement activities, such as establishing preferred supplier arrangements, or establishing exceptions to obtaining quotes or tenders when entering into a contract
- to make, amend or repeal local laws
- to make, amend or repeal a local planning instrument under the *Planning Act 2016* (i.e. a planning scheme, a temporary local planning instrument or a planning scheme policy).

A prohibited policy decision made during a caretaker period will be invalid, unless the Minister's approval has been given prior to making the decision (see below). A person who suffers loss or damage because of the invalidity of a major policy decision during the caretaker period has a right to be compensated by the local government for the loss or damage.

Planning instruments and approvals

During the caretaker period, councils cannot make, amend or repeal local planning instruments.

Last updated: August 2023

Councils cannot approve development variation requests or change variation approvals that involve:

- varying the category of development or category of assessment of consequential development
- varying the assessment benchmarks or criteria for accepted development that would apply to consequential development
- facilitating development that would result in a greater demand on infrastructure than the demand anticipated in the council's infrastructure plan.

The amended Development Application Rules, summary of changes and accompanying guidance material are now available on the Department of State Development, Infrastructure, Local Government and Planning website at [Planning \(statedevelopment.qld.gov.au\)](https://www.statedevelopment.qld.gov.au/Planning)

Ministerial approval for decisions in exceptional circumstances

Local governments should prepare for the caretaker period by planning to make major policy decisions before or after the election period.

However, unforeseeable events can result in a local government having to make major policy decisions during the caretaker period. In exceptional circumstances local governments can apply to the Minister for approval if:

- the need for the decision was unforeseeable
- the decision is essential to the functioning of the local government
- the decision cannot wait until the end of the caretaker period
- the decision is in the public interest.

The Minister will decide on a case-by-case basis whether the decision meets the exceptional circumstances requirement of the Local Government Act 2009 or the City of Brisbane Act 2010. To enable this to happen, all applications should be addressed to the Regional Director (Northern Region) or Regional Director (Southern Region) of the Department of State Development, Infrastructure, Local Government and Planning.

Each application should include:

- details of the proposed major policy decision
- an explanation of why the decision was unforeseeable
- an explanation of why the decision cannot wait until the end of the caretaker period
- an explanation of how the decision is in the public interest.

Discretionary funds

During the period starting on 1 January 2024 and ending at the conclusion of the local government quadrennial election, councillors must not allocate money from a councillor discretionary fund to a community organisation for a community purpose, or for another community purpose.

Councillors, can, however, allocate their discretionary funds for capital works of the local government that are for a community purpose in the period starting on 1 January 2024 to the conclusion of the 2024 election.

Discretionary funds that were allocated before 1 January 2024 in accordance with legislative requirements may be distributed during the caretaker period.

Leave for candidates and councillors

Local government employees may take paid leave (e.g. accrued annual leave) or unpaid leave for up to eight weeks to contest a local government election.

There is no legal requirement under the *Local Government Electoral Act 2011* for either local government employees or elected councillors to take leave during the caretaker period. However, individual councils may have election period policies covering election leave.

More information

Caretaker provisions are outlined in Chapter 3, Part 5 of both the *Local Government Act 2009* and the *City of Brisbane Act 2010*. For more information about the caretaker period or your council's circumstances contact your nearest regional office of the Department of State Development, Infrastructure, Local Government and Planning.

12 January 2024

Mr Brett Walsh
Chief Executive Officer
Longreach Regional Council
ceo@longreach.qld.gov.au

Office of the
Director-General

Department of
Housing, Local Government,
Planning and Public Works

Dear Mr Walsh

As you are aware, the *Local Government Act 2009* (LGA) prescribes that all councils must adopt the model meeting procedures (MMP) or incorporate them into the existing standing orders for meeting procedures. The MMP document is now being published on the Department of State Housing, Local Government, Planning and Public Works' (the department) website. In addition, the department has a best practice example - Standing Orders document published on the website that demonstrates how the MMP can be incorporated into existing standing orders.

I am writing to advise that the *Local Government (Councillor Conduct) and Other Legislation Amendment Act 2023* passed through parliament on Wednesday 16 November 2023, introducing new amendments relating to the model meeting procedures in relation to council investigations and other matters.

Key amendments made to the model meeting procedures are identified below, and a marked-up version of the MMP identifying new provisions highlighted in yellow has been attached to this letter, however we encourage all councils to review the legislation in its entirety:

- The councillor conduct complaints system has been significantly realigned to introduce new provisions in relation to local government investigations into conduct breach matters referred to local governments by the Office of the Independent Assessor (IOA). These changes require the MMP to reflect new procedures for deciding the outcome of the investigation matters in a council meeting.
- A provision has been included in the legislation to allow a council meeting to be closed to the public during a debate about an investigation report in relation to a conduct breach matter.
- When a decision is made about a conduct breach matter at a local government meeting that is inconsistent with the recommendations provided in the investigation report, a statement of reasons for the inconsistency must be included in the minutes, and a copy of the investigation report must be made publicly available within 10 business days of the decision. (Redactions of complainants and witnesses' details must be made before publication unless they are councillors)
- A notice must be provided to the OIA, the councillor and the complainant, by the local government when a decision is made about a conduct breach matter providing the details of the decision. The notice must have the reasons for the decision and any orders that were made.
- Procedures in relation to loss of quorum as a result of the number of councillors with a conflict of interest has been amended to include that a council may decide by resolution, not to decide the matter and take no further action in relation to the matter, unless the Local Government Act or another Act provides that the local government must decide the matter. Conduct matters must be decided either when a quorum is available or by ministerial approval for conflicted councillors to vote on the matter.

GPO Box 806 Brisbane
Queensland 4001 Australia

11.1 - Councillor Information Correspondence --Appendix 4

- Unsuitable meeting conduct by a chairperson at a council meeting has been introduced to the legislation. If a councillor reasonably believes that the chairperson has engaged in unsuitable meeting conduct during a meeting, the councillors present at the meeting, other than the chairperson, must decide by resolution if that is the case and if so, can make an order reprimanding the chairperson.
- If the conduct of a councillor, including a chairperson, at the meeting becomes conduct breach as a result of three instances of unsuitable conduct in one year, the local government is not required to notify the assessor about the conduct, and it may be dealt with at the next council meeting.

If you require any further information, please contact Ms Louisa Lynch, Director, Governance and Capability in the department, by telephone on 0499 833 689 or by email at Louisa.Lynch@dsdilgp.qld.gov.au, who will be pleased to assist.

Yours sincerely

Matthew Nye
Acting Director-General

| 8. Recording Prescribed and Declarable Conflicts of Interest | 17 |
| 9. Closed Meetings..... | 18 |

Purpose of the Model Meeting Procedures

The purpose of the model meeting procedures is to set out certain procedures to ensure all the local government principles are reflected in the conduct of local government meetings, standing and advisory committee meetings as defined in the *Local Government Act 2009* (LGA), *Local Government Regulation 2012* (LGR), the *City of Brisbane Act 2010* (COBA) and the *City of Brisbane Regulation 2012* (COBR). However, model meeting procedures do not apply to meetings of the local government's audit committee.

It is not intended that the model meeting procedures would deal with all aspects of meeting conduct but only those required to strengthen public confidence in local government to deal with the conduct of councillors, conflict of interest of councillors, loss of quorum and closed meetings.

Meeting Principles

Local government meetings must adhere to the following principles:

- Transparent and effective processes and decision making in the public interest
- Sustainable development management and delivery of effective services
- Democratic representation, social inclusion, and community engagement
- Good governance of, and by the local government
- Ethical and legal behaviour of councillors, local government employees and councillor advisors.

Background

Under section 150F of the LGA, the chief executive of the department of local government must make model procedures for local government and committee meetings. These procedures must be adopted and if the local government adopts other procedures, they must not be inconsistent with the model procedures. If there is any inconsistency, the local government is taken to have adopted the model procedures to the extent of the inconsistency.

The model meeting procedures include the following:

- the process for how the chairperson of a local government meeting may deal with unsuitable meeting conduct by a councillor
- the process for how the councillors at a local government meeting may deal with the unsuitable meeting conduct by the chairperson
- the process for how a suspected conduct breach by a councillor, that is referred to the local government by the Independent Assessor (IA), must be dealt with at a local government meeting
- the processes for dealing with a conflict of interest (COI) arising during a local government meeting and recording the COI in the minutes of the meeting
- the process for dealing with a loss of quorum due to the number of councillors with a COI
- procedures for closing local government meetings to the public.

Application

A local government must either adopt the model meeting procedures or prepare and adopt other procedures for the conduct of its local government meetings, standing and advisory committee meetings.

A local government's meeting procedures and standing orders must be consistent with the model meeting procedures. If there is any inconsistency with the documents, then the local government is taken to have adopted the model meeting procedures to the extent of the inconsistency.

To assist local governments the Department has published best practice example **standing orders** that local governments can choose to adopt. These are published on the departmental website.

A local government must conduct its meetings in a manner that is consistent with either the model meeting procedures, or its own standing orders provided they are consistent with sections 1-8 below of these model meeting procedures.

Processes

1. Process for Dealing with Unsuitable Meeting Conduct by a Councillor in a Meeting

The conduct of a councillor is unsuitable meeting conduct if the conduct happens during a **local government** meeting and contravenes a behavioural standard of the **Code of Conduct for Councillors**. When dealing with an instance of unsuitable **meeting** conduct by a councillor, the following procedures must be followed:

- 1.1. The chairperson must reasonably believe that the conduct of a councillor during a meeting is unsuitable meeting conduct.
- 1.2. If the chairperson decides the unsuitable meeting conduct has occurred, the chairperson may consider the severity of the conduct and whether the councillor has had any previous warnings for unsuitable meeting conduct issued. If the chairperson decides the conduct is of a serious nature or another warning is unwarranted, the chairperson can make an order in relation to the conduct under 1.7 below.
- 1.3. If the chairperson decides unsuitable meeting conduct has occurred but is of a less serious nature, the chairperson may request the councillor take remedial action such as:
 - 1.3.1. Ceasing and refraining from exhibiting unsuitable meeting conduct
 - 1.3.2. Apologising for their conduct
 - 1.3.3. Withdrawing their comments.
- 1.4. If the councillor complies with the chairperson's request for remedial action, no further action is required.

- 1.5. If the councillor fails to comply with the chairperson's request for remedial action, the chairperson may warn the councillor that failing to comply with the request could result in an order being issued.
- 1.6. If the councillor complies with the chairperson's warning and request for remedial action, no further action is required
- 1.7. If the councillor continues to fail to comply with the chairperson's request for remedial action or the chairperson decided a warning was not appropriate under 1.5, the chairperson may make one or more of the orders below:
 - 1.7.1. An order reprimanding the councillor for the conduct
 - 1.7.2. An order requiring the councillor to leave the meeting, including any area set aside for the public and stay out for the duration of the meeting.
- 1.8. If the councillor fails to comply with an order to leave and stay away from the meeting, the chairperson can issue an order that the councillor be removed from the meeting.
- 1.9. Any councillor aggrieved with an order issued by the chairperson can move a motion of dissent for parts 1.1, 1.7 and 1.8 above.
- 1.10. Following the completion of the meeting, the chairperson must ensure **the minutes record the information about unsuitable meeting conduct** (see note):

Note: Details of any order issued is recorded in the minutes of the meeting. If it is the third or more order made within a 12-month period against a councillor, or the councillor has refused to comply with an order issued to leave the meeting, these matters are dealt with at the next **local government meeting** as a suspected conduct **breach**. The **local governments** chief executive officer (CEO) is advised to ensure details of any order made is updated in the **local government's** councillor conduct register.

2. Process for Dealing with Unsuitable Meeting Conduct by a Chairperson in a Meeting

- 2.1. **If a councillor at the meeting reasonably believes that the conduct of the chairperson during the meeting is unsuitable meeting conduct, the councillor will raise the matter in the meeting by point of order.**
- 2.2. **The chairperson may correct their unsuitable meeting conduct or if they do not properly correct their behaviour, the councillor may move a motion that the councillor has engaged in unsuitable meeting conduct (a seconder for the motion is required). Councillors present, excluding the chairperson, must decide by resolution if the conduct is unsuitable meeting conduct.**

- 2.3. The chairperson has a declarable conflict of interest in the matter and must leave the place where the meeting is being held, including any area set aside for the public, during the debate and vote on the matter. If the chairperson wishes to remain in the meeting, the eligible councillors must make a decision and follow the procedures set out in *part 5* below.
- 2.4. For the debate and vote on the motion, a councillor other than the councillor that moved the motion, is to act as the chairperson.
- 2.5. If the original chairperson remains in the meeting, on the condition that they will not vote on the matter as determined by the eligible councillors, they can put forward their reasoning about their conduct, and respond to questions through the chairperson from the eligible councillors.
- 2.6. The acting chairperson of the meeting will preside over the meeting while the councillors present at the meeting vote on whether the chairperson has engaged in unsuitable meeting conduct (the acting chairperson will have a casting vote on the resolution if required).
- 2.7. If it is decided that the chairperson has engaged in unsuitable meeting conduct the councillors can make an order reprimanding the chairperson for the conduct.
- 2.8. Once the councillors make a decision, the chairperson returns to the meeting (unless they have been permitted to remain in the meeting) and is informed of the decision by the acting chairperson.
- 2.9. The chairperson then resumes the role of chairperson, and the meeting continues.

Note: Details of any reprimand order is recorded in the minutes of the meeting. The local governments chief executive officer (CEO) is advised to ensure details of any order made is updated in the local government's councillor conduct register.

For conduct of a chairperson, at local government meetings that is part of a course of conduct leading to a reprimand order for unsuitable meeting conduct being made against the chairperson, on three occasions within a period of 12 months, the conduct that led to the orders being made, taken together, becomes a conduct breach.

If the conduct of a councillor, including a chairperson, at the meeting becomes a conduct breach; in accordance with section 150J of the LGA, and is a conduct breach under section 150K(2)(b) and (3) of the LGA, the local government is not required to notify the assessor about the conduct; and may deal with the conduct under section 150AG as if an investigation had been conducted. It may be dealt with at the next local government meeting.

3. Meeting Procedures for Dealing with a Suspected Conduct Breach including that which has been Referred to a Local Government by the Independent Assessor

Under chapter 5A, part 3, division 3A of the LGA, the IA must make a preliminary assessment and consider dismissing a complaint, notice or information before taking other action if satisfied that particular circumstances apply. If the IA assesses that a matter is a suspected conduct breach it must refer the matter to the local government. The assessor refers the councillor's suspected conduct breach to the local government by giving a referral notice.

Note: Conduct breach is conduct that contravenes a behavioural standard of the code of conduct for councillors, or a policy, procedure or resolution of the local government; or the conduct contravenes an order of the chairperson of a local government meeting for the councillor to leave and stay away from the place at which the meeting is being held; or an instance of a suspected conduct breach that may arise from circumstances under paragraph 1.9.2 of this document.

3.1. In relation to matters referred by the IA to the local government, the local government may decide not to start or discontinue an investigation if the complainant withdraws the complaint, or consents to the investigation not starting or discontinuing, or the complainant does not provide extra information when requested, or there is insufficient information to investigate the complaint, or the councillor vacates or has vacated their office as a councillor.

Note: The local government investigation must be conducted in a way that is consistent with the local government's investigation policy. An investigation report must be prepared to assist the councillors in making a decision on the outcome under section 150AG of the LGA. Before debating a matter relating to making a decision, a summary investigation report (with redactions) must be prepared and made publicly available under section 150AFA of the LGA on or before the day and time prescribed by regulation. However, this section does not apply in relation to a decision by the Establishment and Coordination Committee under the City of Brisbane Act 2010 (COBA).

3.2. The local government must decide in a local government meeting, whether the councillor has engaged in a conduct breach. Unless in accordance with section 150AG of the LGA, it has delegated responsibility for this decision to the mayor under section 257(2)(a), or to a standing committee section 257(2)(b) of the LGA or section 238(2)(a), (b) or (c) of the COBA.

3.3. When dealing with an instance of a suspected conduct breach which has been referred to a local government by the IA:

3.3.1. The local government must be consistent with the local government principle of transparent and accountable decision making in the public interest by deciding the outcome of an investigation of a suspected conduct breach in an open meeting of the local government. However, where the matter requires debate a local government may close all or part of a meeting to the public, if considered necessary, to discuss an investigation report under the City of Brisbane Regulation (CBR) section 242J, or the Local Government Regulation (LGR) section 254J.

3.3.2. No resolution for a decision can be made in the closed session. The matter must be decided in an open session of the meeting or at a later meeting.

- 3.3.3. Where a local government makes a decision about a conduct breach matter at a local government meeting that is inconsistent with a recommendation made about that matter in an investigation report, a statement of the reasons for the inconsistency must be included in the minutes of the meeting under CBR section 242H and the LGR section 254H.
- 3.3.4. The subject councillor has a declarable conflict of interest in the matter but may remain in the closed meeting (unless the local government decides otherwise), during the debate about the investigation report and answer questions put to the subject councillor through the chairperson in relation to the evidence or written submission provided by the councillor to the local government.
- 3.3.5. The subject councillor who has a declarable conflict must leave the place where the meeting is being held, including any area set aside for the public, during the vote on whether they have engaged in a conduct breach and what, if any, penalty to impose if the councillor is found to have engaged in a conduct breach.
- 3.3.6. If the complainant is a councillor, that councillor has a declarable conflict of interest in the matter and if so, must follow the declarable conflict of interest procedures in section 4. If the complainant councillor who has a conflict of interest, wishes to remain in the meeting during the debate and vote on the matter, the other eligible councillors (do not have a COI in the matter) must decide how to deal with the conflict of interest under section 4. The complainant councillor can be ordered to leave the meeting place or conditions may be applied to allow that councillor to participate in either the debate, the vote, or the decision on any disciplinary action to be applied.
- 3.3.7. After making a decision under section 150AG of the LGA, the local government must make the full investigation report, publicly available within 10 business days after the decision is made, with redactions of the name of the complainant and any witnesses but including the name of a councillor or the CEO of the local government if they were complainants, or any councillor who declared a COI in the matter.
- 3.4. If the local government has lost quorum due to the number of conflicted councillors or another reason, the local government must do one of the following:
- 3.4.1. Delegate deciding the matter under section 257 of the LGA to the mayor or a standing committee, or under section 238 of the COBA, to the mayor or the Establishment and

Coordination Committee, or a standing committee, whichever is the most appropriate in the circumstances or

3.4.2. Decide, by resolution, to defer the matter to a later meeting or

3.4.3. Decide, by resolution, not to decide the matter and take no further action in relation to the matter unless this Act or another Act provides that the local government must decide the matter.

Note: Local government cannot decide to take no further action on a decision about a conduct matter because it is required under the LGA. In order to reach a decision when a loss of quorum has occurred, the matter can be deferred to a later meeting when a quorum can be maintained, or the conflicted councillors may apply to the Minister for permission to participate in the decision.

3.5. If a decision is reached that the subject councillor has engaged in a conduct breach, then the councillors must decide what penalty or penalties from the orders detailed in 2.6, if any, to impose on the councillor. In deciding what penalty to impose the local government may consider any previous inappropriate conduct of the councillor and any allegation made in the investigation that was admitted, or not challenged, and that the local government is reasonably satisfied is true.

3.6. The local government may order that no action be taken against the councillor or make one or more of the following:

3.6.1. An order that the councillor make a public apology, in the way decided by the local government,

3.6.2. An order reprimanding the councillor for the conduct breach

3.6.3. An order that the councillor attend training or counselling to address the councillor's conduct, including at the councillor's expense

3.6.4. An order that the councillor be excluded from a stated local government meeting

3.6.5. An order that the councillor is removed, or must resign, from a position representing the local government, other than the office of councillor, (for example that the councillor is ordered to resign from an appointment representing the local government on a state board or committee)

3.6.6. An order that if the councillor engages in the same type of conduct again, it will be treated as misconduct

3.6.7. An order that the councillor reimburse the local government for all or some of the costs arising from the councillor's conduct breach.

3.6.8. A local government may not make an order in relation to a person who has vacated their office as a councillor.

3.7. The subject councillor, and where relevant, the complainant councillor, must be invited back into the place where the meeting is being held once a decision has been made, and the chairperson must advise them of the decision made by the local government and if relevant any orders made by resolution.

3.8. The minutes of the meeting must reflect the decision and any orders made. A notice must be given to the IA as soon as practicable about the decision and the reasons for the decision and if an order is made under section 150AH the details of the order.

4. Prescribed Conflict of Interest

Councillors are ultimately responsible for informing of any prescribed conflict of interest on matters to be discussed at a local government meeting, standing or advisory committee meeting (other than ordinary business matters prescribed in section 150EF of the LGA or section 177C of the COBA. When dealing with a prescribed conflict of interest, councillors must abide by the following procedures,

4.1. A councillor who has notified the chief executive officer in writing of a prescribed conflict of interest in a matter to be discussed in a local government meeting must also give notice during the meeting at the time when the matter is to be discussed.

4.2. A councillor who first becomes aware of a prescribed conflict of interest in a matter during a local government meeting must immediately inform the meeting of the conflict of interest.

4.3. When notifying the meeting of a prescribed conflict of interest, the following particulars must, at a minimum, be provided:

4.3.1. If it arises because of a gift, loan or contract, the value of the gift, loan or contract

4.3.2. If it arises because of an application for which a submission has been made, the matters the subject of the application and submission

4.3.3. The name of any entity, other than the councillor, that has an interest in the matter

4.3.4. The nature of the councillor's relationship with the entity mentioned in 3.3.3 that has an interest in a matter

4.3.5. Details of the councillor's and any other entity's interest in the matter.

4.4. The councillor must then leave the place of the meeting, including any area set aside for the public, and stay away while the matter is being discussed and voted on, unless the subject councillor has written notice of approval from the Minister to participate in the matter.

4.5. Once the councillor has left the area where the meeting is being conducted, the **local government** can continue discussing and deciding on the matter at hand.

5. Declarable Conflict of Interest

Councillors are ultimately responsible for informing of any declarable conflict of interest on matters to be discussed at **local government** meetings and standing or advisory committee meetings that might lead to a decision that is contrary to the public interest (other than the interests prescribed under section 150EO of the LGA and section 177L of the COB, and ordinary business matters prescribed in section 150EF of the LGA and section 177C of the COBA).

5.1. A councillor may raise their personal interests in a matter at the meeting to canvas the view of the other councillors prior to deciding to declare a conflict of interest. If the other councillors suspect the personal interest might be a conflict of interest, the other councillors may disclose their suspicion and the processes under section 150EW of the LGA or section 177T of COBA applies.

5.2. When dealing with a declarable conflict of interest, a councillor must abide by the following procedures:

5.2.1. A councillor who has notified the chief executive officer in writing of a declarable conflict of interest in a matter to be discussed at a **local government** meeting must also give notice during the meeting at the time when the matter is to be discussed.

5.2.2. A councillor who first becomes aware of a declarable conflict of interest in a matter during a **local government** meeting must inform the meeting of the conflict of interest.

5.3. When notifying the meeting of a declarable conflict of interest, a councillor should provide sufficient detail to allow the other councillors to make an informed decision about how best to manage the declarable conflict of interest in the public interest. The following minimum details must be provided:

5.3.1. The nature of the declarable conflict of interest

5.3.2. If it arises because of the councillor's relationship with a related party

- the name of the related party and
- the nature of the relationship of the related party to the councillor and
- the nature of the related party's interest in the matter.

5.3.3. If it arises because of a gift or loan from another person to the councillor or a related party:

- the name of the other person and
- the nature of the relationship of the other person to the councillor or related party and
- the nature of the other person's interest in the matter and
- the value of the gift or loan and the date the gift or loan was made.

5.4. After a councillor has declared a conflict of interest, the councillor should consider leaving the meeting while the matter is discussed unless they have reasons why their participation would improve making the decision in the public interest.

5.4.1. If the councillor chooses not to leave the meeting, the councillor may advise the other councillors of their reasons for seeking permission to participate in making the decision.

5.4.2. The other eligible councillors at the meeting must then decide, by resolution, whether the councillor can participate in the decision making in relation to the matter, including voting on the matter, or whether the councillor should not participate in the decision and leave the place of the meeting while the matter is decided by the eligible councillors. The eligible councillors may impose conditions on the councillor under a decision to either participate or leave the meeting e.g., may stay for the debate but must leave for the vote.

5.4.3. The councillor must comply with any decision or condition imposed by the eligible councillors. **The councillor must not participate in the decision unless authorised in compliance with section 150ES of the LGA or under an approval by the minister for local government under section 150EV of the LGA.**

5.4.4. In deciding on whether a councillor may participate in a decision about a matter in which the councillor has a declarable conflict of interest, only councillors who do not themselves have a prescribed or declarable conflict of interest in the matter are eligible to participate in the decision making. The decision may be made even if the number of those councillors is less than a majority or do not form a quorum for the meeting consistent with section 150ET of the LGA and section 177Q of COBA.

5.5. The councillor who is the subject of the decision may remain in the meeting while the debate is occurring and can participate by answering questions from the chairperson to assist the eligible councillors in making their decision. The subject councillor must not vote in making the decision but may remain in the meeting while the vote on the matter takes place and the decision is declared by the chairperson, on whether the councillor may remain in the meeting

and participate in deciding the matter in which the councillor has a declarable conflict of interest.

- 5.6. When deciding whether a councillor may participate in the decision making on a matter in which the councillor has a declarable conflict of interest, the eligible councillors should consider the circumstances of the matter including, but not limited to:
 - 5.6.1. How does the inclusion of the councillor in the deliberation affect the public trust
 - 5.6.2. How close or remote is the councillor's relationship to the related party
 - 5.6.3. If the declarable conflict of interest relates to a gift or other benefit, how long ago was the gift or benefit received
 - 5.6.4. Will the benefit or detriment the subject councillor or their related party stands to receive from the decision have major or minor impact on them
 - 5.6.5. How does the benefit or detriment the subject councillor stands to receive compare to others in the community
 - 5.6.6. How does this compare with similar matters that the local government has decided and have other councillors with the same or similar interests decided to leave the meeting
 - 5.6.7. Whether the subject councillor has unique skills, knowledge or expertise that might help make the best decision in the public interest?
- 5.7. If the eligible councillors cannot decide whether the subject councillor has a declarable conflict of interest, then they are taken to have decided that the councillor must leave and stay away from the meeting while the eligible councillors discuss and vote on the matter.
- 5.8. A decision about a councillor who has a declarable conflict of interest in a matter applies in relation to the councillor for participating in the decision, and subsequent decisions, about the same matter unless there is a change to the councillor's personal interests and/or the nature of the matter being discussed. If the eligible councillors decide that the councillor can act in the public interest on the matter, then the councillor may participate in the meeting and be involved in processes occurring outside of a local government meeting about the same matter e.g., workshops.
- 5.9. In making the decision about the councillor's conflict of interest in a matter, it is irrelevant how the subject councillor intended to vote on the issue or any other issue (if known or suspected).

5.10.A councillor does not contravene the above procedures if the councillor participates in a decision under written approval from the Minister as prescribed in section 150EV of the LGA or section 177S of the COBA.

6. Reporting a Suspected Conflict of Interest

6.1. If a councillor at a meeting reasonably believes or suspects that another councillor has a personal interest in a matter that may be a prescribed or declarable conflict of interest, and that councillor is participating in a decision on that matter, the councillor who believes or suspects this, must immediately inform the chairperson of the meeting of their belief or suspicion, and the facts and circumstances that led to their belief or suspicion.

6.2. The chairperson should ask the relevant councillor with the suspected personal interest whether they have any prescribed or declarable conflict of interest in the matter. If the councillor agrees they have a conflict of interest, the councillor must follow the relevant procedures above.

6.3. If the councillor believes they do not have a conflict of interest, they must inform the meeting of that belief and their reasons for that belief.

6.4. The eligible councillors must then decide whether the councillor has a prescribed conflict of interest, a declarable conflict of interest or that the councillor does not have a prescribed or declarable conflict of interest in the matter. If the meeting decides the councillor has a conflict of interest, the councillor must follow the relevant procedures above. If a councillor with a declarable conflict of interest wants to participate in the decision despite the declarable conflict of interest, then the eligible councillors must make a decision about the councillor's participation.

6.5. If the councillors cannot reach a decision about the conflict of interest, or the subject councillor's participation in the matter despite a declarable conflict of interest, then they are taken to have determined that the councillor must leave and stay away from the place where the meeting is being held while the eligible councillors discuss and vote on the matter. This decision will continue to apply in relation to all subsequent decisions about the same matter, where the conflict of interest remains unchanged.

6.6. If the belief or suspicion of a COI relates to more than one councillor. The parts 5.1 to 5.5 of these procedures must be complied with in relation to each councillor separately.

7. Loss of Quorum

- 7.1. In the event where one or more councillors leave a meeting due to a prescribed or declarable conflict of interest in a matter that results in a loss of a quorum for deciding the matter, all the councillors including the conflicted councillors must resolve to:
- 7.1.1. Delegate the consideration and decision on the matter, pursuant to section 257 of the LGA or section 238 of the COBA unless the matter cannot be delegated
 - 7.1.2. Defer the matter to a later meeting
 - 7.1.3. **Not to decide the matter and take no further action in relation to the matter unless the LGA or another Act provides that the local government must decide the matter.**
- 7.2. The **local government** must not delegate a decision to an entity if the entity, or a majority being at least half of its members, has a prescribed or declarable conflict of interest in the matter.
- 7.3. The **local government** must not delegate a power that an Act says must be decided by resolution of the **local government** under section 257(3) of the LGA or section 238(3) of the COBA.
- 7.4. The **local government** may by resolution delegate a power under section 257 of the LGA or section 238 of the COBA to:
- 7.4.1. The mayor or chief executive officer, or
 - 7.4.2. A standing committee, or joint committee of **the local government**, or
 - 7.4.3. The chairperson of a standing committee or joint standing committee of **the local government – does not apply to Brisbane City Council**, or
 - 7.4.4. Another local government for a joint government activity.
 - 7.4.5. **The Establishment and Coordination Committee – only applies to Brisbane City Council**
- 7.5. The **local government** may only delegate a power to make a decision about a councillors conduct under section 150AE or 150AG of the LGA pursuant to section 257(2) of the LGA, to:
- 7.5.1. The mayor or
 - 7.5.2. A standing committee.

7.6. A local government may only delegate a power to make a decision about a councillor's conduct pursuant to section 238(2) of the COBA, to:

7.6.1. The mayor, or

7.6.2. The Establishment and Coordination Committee, or

7.6.3. A standing committee of the local government.

7.7. The Minister for Local Government may, by signed notice give approval for a conflicted councillor to participate in deciding a matter in a meeting including being present for the discussion and vote on the matter, if there is a loss of quorum and deciding the matter cannot be delegated, subject to any conditions the Minister may impose.

8. Recording Prescribed and Declarable Conflicts of Interest

8.1. When a councillor informs a meeting that they or another councillor have a prescribed or declarable conflict of interest in a matter, the minutes of the meeting must record all the relevant details of how the conflict of interest was dealt with, being (see section 150FA of the LGA or section 177X of the COBA):

8.1.1. The name of any councillor and any other councillor who may have a prescribed or declarable conflict of interest

8.1.2. The particulars of the prescribed or declarable conflict of interest provided by the councillor

8.1.3. The actions taken by a councillor after informing the meeting that they have, or they reasonably suspect another councillor has a prescribed or declarable conflict of interest

8.1.4. Any decision then made by the eligible councillors

8.1.5. Whether the councillor with a prescribed or declarable conflict of interest participated in or was present for the decision under ministerial approval

8.1.6. The local government's decision on what actions the councillor with a declarable conflict of interest must take and the reasons for the decision

8.1.7. The name of each eligible councillor who voted on the matter and how each voted.

8.2. If the councillor has a declarable conflict of interest the following additional information must be recorded in the minutes of the meeting when the meeting is informed of a councillor's personal interest by someone other than the councillor:

8.2.1. The name of each councillor who voted in relation to whether the councillor has a declarable conflict of interest, and how each of the councillors voted.

8.3. Where a decision has been made under section 4 above – the minutes must include:

8.3.1. The decision and reasons for the decision, and

8.3.2. The name of each eligible councillor who voted, and how each eligible councillor voted.

9. Closed Meetings

9.1. A local government meeting, standing committee meeting and advisory committee meeting may resolve that a meeting be closed to the public if its councillors and members consider it necessary to discuss any of the following matters pursuant to section 254J(3) of the LGR or section 5242J(3) of the COBR:

9.1.1. Appointment, dismissal, or discipline of the CEO or, in the case of Brisbane City Council only, also for senior executive employees

9.1.2. Industrial matters affecting employees

9.1.3. The local government's budget, which does not include the monthly financial statements

9.1.4. Rating concessions

9.1.5. Legal advice obtained by the local government or legal proceedings involving the local government, including for example, legal proceedings that may be taken by or against the local government

9.1.6. Matters that may directly affect the health and safety of an individual or a group of individuals

9.1.7. Negotiations relating to a commercial matter involving the local government for which a public discussion would be likely to prejudice the interests of the local government

9.1.8. Negotiations relating to the taking of land by the local government under the *Acquisition of Land Act 1967*

9.1.9. A matter that the local government is required to keep confidential under a law of, or a formal agreement with, the Commonwealth or State

9.1.10. A matter relating to the consideration of an investigation report for an investigation of a conduct breach given to the local government under the LGA chapter 5A, part 3, division 5.

- 9.2. A local government meeting, standing and advisory committee meetings cannot resolve that a meeting be closed where the meeting is informed of a councillor's personal interest in the matter by another person and the eligible councillors at the meeting must decide by resolution whether the councillor has a prescribed or declarable conflict of interest in the matter.
- 9.3. Further, the meeting must not be closed if a quorum is lost due to the number of conflicted councillors who leave the local government meeting, and the local government must resolve to:
- 9.3.1. Delegate the consideration and decision on the matter, pursuant to section 257 of the LGA or section 238 of the COBA unless the matter cannot be delegated:
 - 9.3.2. Defer the matter to a later meeting when a quorum may be available
 - 9.3.3. Not to decide the matter and take no further action in relation to the matter unless the LGA or another Act provides that the local government must decide the matter.
- 9.4. None of the above will be considered, discussed, voted on or made during a closed session.
- 9.5. If a closed session includes attendance by teleconference, the councillor/s attending by teleconference must maintain confidentiality by ensuring no other person can hear their conversation while in the closed meeting (a failure to do so could be a contravention of section 171(3) of the LGA or section 173(3) of the COBA).
- 9.6. To take a matter into a closed session the local government must abide by the following:
- 9.6.1. Pass a resolution to close all or part of the meeting
 - 9.6.2. The resolution must state the matter to be discussed, an overview of what is to be discussed and why the meeting should be closed while the matter is considered (see section 8.1)
 - 9.6.3. If it is known in advance, the agenda should clearly identify that the matter may be considered in closed session, and an explanation of why the councillors at the meeting may consider it necessary to take the issue into closed session must be stated.
 - 9.6.4. Not make a resolution while in a closed meeting (other than a procedural resolution).

Dear Councillor Rayner

The 2024 Queensland Greats Awards (the Awards) are open for nominations, and I write today as a reminder to advise nominations will close on Friday 16 February 2024.

This prestigious awards program recognises exceptional individuals and institutions for their outstanding contribution to the history and development of Queensland. Nominations are accepted across three categories – individual, institution and posthumous. Since 2001, 120 individuals, 19 institutions and 10 posthumous recipients have been honoured as Queensland Greats.

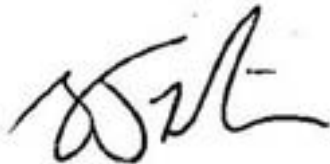

I encourage you to nominate at least one individual or institution who has demonstrated a significant and exceptional commitment to our State. Queensland Greats come from across our wonderful State, and it is our responsibility to profile those who have helped shape the history and development of Queensland.

The [online toolkit](#) will assist you in spreading the message across your community.

To learn more, please visit the [website](#) or contact the Event Manager, Ms Sarah Brehaut, Events and Engagement, Department of the Premier and Cabinet, by email at qldgreatsawards@premiers.qld.gov.au or on telephone (07) 3003 9200.

Thank you in advance for supporting this significant Awards program.

Yours sincerely

STEVEN MILES MP
PREMIER OF QUEENSLAND

REGIONAL RISK COORDINATOR PROGRAM

WE UNDERSTAND YOUR RISK PROFILE

The JLT Public Sector Risk Report 2022/23 – Top Risks Identified by Local Government. (Survey responses from 197 Local Government CEOs)

HOW CAN WE HELP YOU?

We understand that each member Council is unique as are the communities they represent. Therefore, the RRC Program tailors its support specifically to each Member's needs and where we can provide the most value.

Some practical ways the RRC Program has supported our Members include:

- Comprehensive review of Council's Risk Management Maturity including improvement report and recommend future road map.
- Facilitated Strategic and Operational Risk Management workshops with Elected Members, Executive Teams and Management Teams.
- Risk Management Education Sessions for operational teams.
- Business continuity planning and support.
- Comprehensive updates to Council's Audit and Risk Committee on LGMS and Council's performance.
- Support with reviewing Council's ERM Framework, Policy and Procedures.
- On the ground support with other LGMS Colleagues supporting various LGM Liability, LGM Assets and LGW Workcare scheme specific risk management initiatives.
- Collaborative engagement and support at Local Government events and conferences.
- Regular presentations with Council Teams (Elected Members, Executive Teams, Management Teams and Operational Teams) as needed on LGMS performance and emerging risk topics.
- Supporting Member professional development and building Risk Management capability within Council via the Local Government Risk Management Focus Group facilitated events with expert speakers and practical workshops.

HOW WE SUPPORT YOUR COUNCIL ABOUT US

The objective of the RRC program is to assist and support local governments to identify their risk exposure, support them to determine their risk appetite, and to implement strategies to manage organisational risks and leverage opportunities. As a means to achieving this, the RRCs provide advice and support at a strategic level to Members to:

- Establish and improve an enterprise-wide risk management framework.
- Adopt a strategic approach to identifying and understanding their risk profile, risk appetite and risk tolerance.
- Assist in the development of risk management strategies and key treatment responses.
- Assist in the collation and evaluation of existing risk management strategies.
- Strengthen existing relationships between Councils and the risk management services and resources of LGMS.
- Collaborate with and support other LGM Liability, LGM Assets and LGW Workcare teams to ensure the effective delivery of scheme-specific risk management initiatives for members.
- Foster an environment and culture among members that celebrates risk management successes and shares risk management learnings to reduce substantive scheme risk.
- Develop and implement initiatives to educate members with innovative risk management practices relevant to LGMS risk profiles and exposures.

The Local Government Risk Management Focus Group Meeting, Ipswich City Council November 2021. Run three times a year – these events are an amazing opportunity for all members improve their risk management capability and collaborate with other local governments.

For more than 25 years, the LGMS schemes have been the vehicle that has enabled Queensland local government to exercise control over and manage their liability, workers' compensation and asset based risk exposures.

The Regional Risk Coordinator program (RRC program) has formed an integral and highly regarded element of the LGMS supporting services since 2008.

The RRC Program was initially founded to provide member Councils with risk management direction, advice and assistance to achieve the common goal of minimising the risk exposure of local governments.

Today the RRC Program continues to build upon its strong foundations of proven and dedicated Risk Management support for LGMS Members as part of their Member benefits.

The dedicated team offers a broad range of best practice risk management advice and support. With all the team having previous experience working within Queensland Local Government, we know and understand first hand the ever-changing risk landscape and systems Councils operate in. We are passionate about supporting our Members to link the application of best practice risk management with each Council's strategy to support your community and your mutuals.

The Regional Risk Coordinator Team – From left to right Paul Bright, Ian Barton, David Royston-Jennings, and David Munro.

OUR MISSION

The RRC Program mission is to assist Members with the development, implementation and review of an enterprise risk management approach that is progressive, receptive to their needs and responsive to the demands of a diverse and dynamic operating environment.

Serve as a trusted resource to Local Governments by promoting the benefits of LGMS Membership and providing strategic advice and practical support in the areas of risk management, governance and compliance to assist them in achieving their goals of empowered communities and long-term sustainability.

Local Government Mutual Services (LGMS) is managed by JLT Public Sector, a division of JLT Risk Solutions Pty Ltd (ABN 09 009 098 864 AFS Licence No: 226827) (JLT), a business of Marsh McLennan.

Key findings

The *Global Risks Report 2024* presents the findings of the Global Risks Perception Survey (GRPS), which captures insights from nearly 1,500 global experts. The report analyses global risks through three time frames to support decision-makers in balancing current crises and longer-term priorities. Chapter 1 explores the most severe current risks, and those ranked highest by survey respondents, over a two-year period, analysing in depth the three risks that have rapidly accelerated into the top 10 rankings over the two-year horizon. Chapter 2 focuses on the top risks emerging over the next decade against a backdrop of geostrategic, climate, technological and demographic shifts, diving deeper into four specific risk outlooks. The report concludes by considering approaches for addressing complex and non-linear aspects of global risks during this period of global fragmentation. Below are the key findings of the report.

A deteriorating global outlook

Looking back at the events of 2023, plenty of developments captured the attention of people around the world – while others received minimal scrutiny. Vulnerable populations grappled with lethal conflicts, from Sudan to Gaza and Israel, alongside record-breaking heat conditions, drought, wildfires and flooding. Societal discontent was palpable in many countries, with news cycles dominated by polarization, violent protests, riots and strikes.

Although globally destabilizing consequences – such as those seen at the initial outbreak of the Russia-Ukraine war or the COVID-19 pandemic – were largely avoided, the longer-term outlook for these developments could bring further global shocks.

As we enter 2024, 2023-2024 GRPS results highlight a predominantly negative outlook for the world over the next two years that is expected to worsen over the next decade (Figure A). Surveyed in September 2023, the majority of respondents (54%) anticipate some instability and a moderate risk of global catastrophes, while another 30% expect even more turbulent conditions. The outlook is markedly more negative over the 10-year time horizon, with nearly two-thirds of respondents expecting a stormy or turbulent outlook.

In this year's report, we contextualize our analysis through four structural forces that will shape the materialization and management of global risks over the next decade. These are longer-term shifts in the arrangement of and relationship between four systemic elements of the global landscape:

- Trajectories relating to global warming and related consequences to Earth systems (**Climate change**).
- Changes in the size, growth and structure of populations around the world (**Demographic bifurcation**).

FIGURE A Short and long-term global outlook

"Which of the following best characterizes your outlook for the world over the following time periods?"

Source
World Economic Forum, Global Risks
Perception Survey 2023-2024.

Note
The percentages in the graph may not add up to 100% because figures have been rounded
up/down.

- Developmental pathways for frontier technologies (**Technological acceleration**).
- Material evolution in the concentration and sources of geopolitical power (**Geostrategic shifts**).

A new set of global conditions is taking shape across each of these domains and these transitions will be characterized by uncertainty and volatility. As societies seek to adapt to these changing forces, their capacity to prepare for and respond to global risks will be affected.

Environmental risks could hit the point of no return

Environmental risks continue to dominate the risks landscape over all three time frames. Two-thirds of GRPS respondents rank **Extreme weather** as the top risk most likely to present a material crisis on a global scale in 2024 (Figure B), with the warming phase of the El Niño-Southern Oscillation (ENSO) cycle projected to intensify and persist until May this year. It is also seen as the second-most severe risk over the two-year time frame and similar to last year's rankings, nearly all environmental risks feature among the top 10 over the longer term (Figure C).

However, GRPS respondents disagree about the urgency of environmental risks, in particular **Biodiversity loss and ecosystem collapse** and **Critical change to Earth systems**. Younger respondents tend to rank these risks far more highly over the two-year period compared to older age groups, with both risks featuring in their top 10 rankings in the short term. The private sector highlights these risks as top concerns over the longer term, in contrast to respondents from civil society or government who prioritize these risks over shorter time frames. This dissonance in perceptions of urgency among key decision-makers

implies sub-optimal alignment and decision-making, heightening the risk of missing key moments of intervention, which would result in long-term changes to planetary systems.

Chapter 2.3: A 3°C world explores the consequences of passing at least one "climate tipping point" within the next decade. Recent research suggests that the threshold for triggering long-term, potentially irreversible and self-perpetuating changes to select planetary systems is likely to be passed at or before 1.5°C of global warming, which is currently anticipated to be reached by the early 2030s. Many economies will remain largely unprepared for "non-linear" impacts; the potential triggering of a nexus of several related socioenvironmental risks has the potential to speed up climate change, through the release of carbon emissions, and amplify related impacts, threatening climate-vulnerable populations. The collective ability of societies to adapt could be overwhelmed, considering the sheer scale of potential impacts and infrastructure investment requirements, leaving some communities and countries unable to absorb both the acute and chronic effects of rapid climate change.

As polarization grows and technological risks remain unchecked, 'truth' will come under pressure

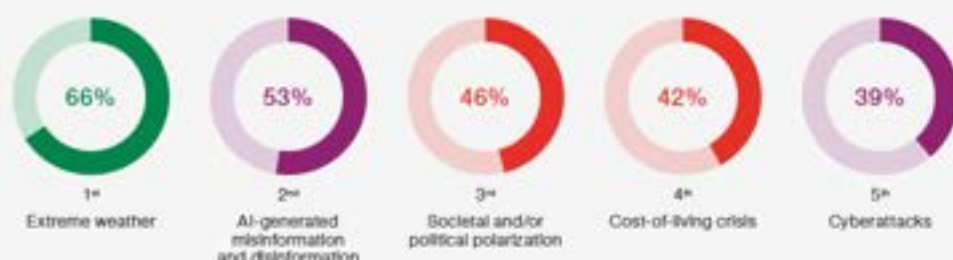

Societal polarization features among the top three risks over both the current and two-year time horizons, ranking #9 over the longer term. In addition, **Societal polarization** and **Economic downturn** are seen as the most interconnected – and therefore influential – risks in the global risks network (Figure D), as drivers and possible consequences of numerous risks.

World Economic Forum Global Risks Perception Survey 2023-2024.

Emerging as the most severe global risk anticipated over the next two years, foreign and domestic actors alike will leverage **Misinformation and disinformation** to further widen societal and political divides ([Chapter 1.3: False information](#)). As close to three billion people are expected to head to the electoral polls across several economies – including Bangladesh, India, Indonesia, Mexico, Pakistan, the United Kingdom and the United States – over the next two years, the widespread use of misinformation and disinformation, and tools to disseminate it, may undermine the legitimacy of newly elected governments. Resulting unrest could range from violent protests and hate crimes to civil confrontation and terrorism.

Beyond elections, perceptions of reality are likely to also become more polarized, infiltrating the public discourse on issues ranging from public health to social justice. However, as truth is undermined, the risk of domestic propaganda and censorship will also rise in turn. In response to mis- and disinformation, governments could be increasingly empowered to control information based on what they determine to be “true”. Freedoms relating to the internet, press and access to wider sources of information that are already in decline risk descending into broader repression of information flows across a wider set of countries.

Economic strains on low- and middle-income people – and countries – are set to grow

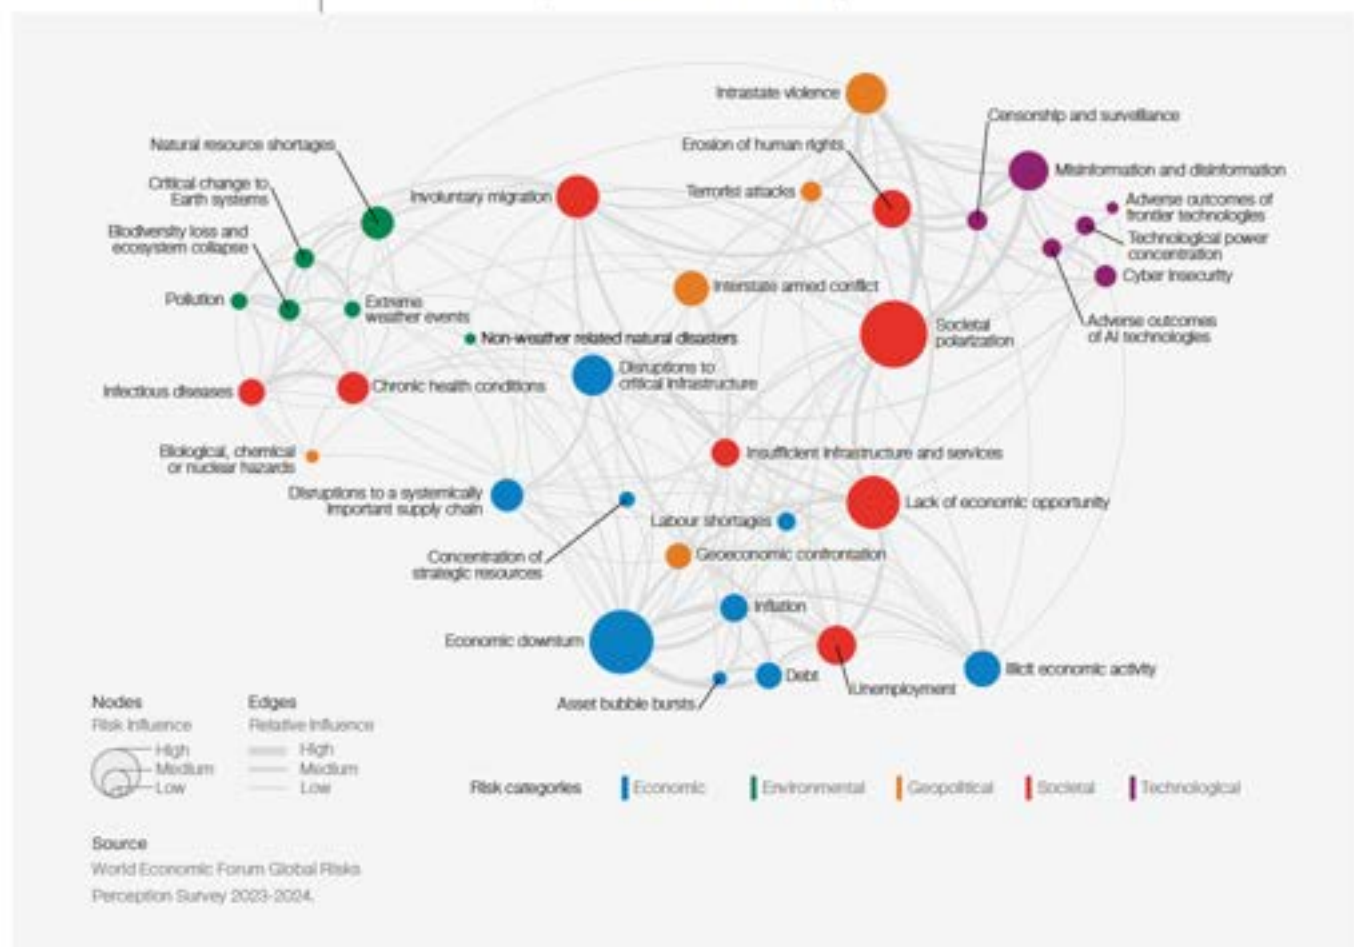

The **Cost-of-living crisis** remains a major concern in the outlook for 2024 (Figure E). The economic risks of **Inflation** (#7) and **Economic downturn** (#9) are also notable new entrants to the top 10

risk rankings over the two-year period (Figure C). Although a “softer landing” appears to be prevailing for now, the near-term outlook remains highly uncertain. There are multiple sources of continued supply-side price pressures looming over the next two years, from El Niño conditions to the potential escalation of live conflicts. And if interest rates remain relatively high for longer, small- and medium-sized enterprises and heavily indebted countries will be particularly exposed to debt distress ([Chapter 1.5: Economic uncertainty](#)).

Economic uncertainty will weigh heavily across most markets, but capital will be the costliest for the most vulnerable countries. Climate-vulnerable or conflict-prone countries stand to be increasingly locked out of much-needed digital and physical infrastructure, trade and green investments and related economic opportunities. As the adaptive capacities of these fragile states erodes further, related societal and environmental impacts are amplified.

Similarly, the convergence of technological advances and geopolitical dynamics will likely create a new set of winners and losers across advanced and developing economies alike ([Chapter 2.4: AI in charge](#)). If commercial incentives and geopolitical imperatives, rather than public interest, remain the primary drivers of the development of artificial intelligence (AI) and other frontier technologies, the digital gap between high- and low-income countries will drive a stark disparity in the distribution of related benefits – and risks. Vulnerable countries and communities would be left further behind, digitally isolated from turbocharged AI breakthroughs impacting economic productivity, finance, climate, education and healthcare, as well as related job creation.

FIGURE D | Global risks landscape: an interconnections map

Over the longer term, developmental progress and living standards are at risk. Economic, environmental and technological trends are likely to entrench existing challenges around labour and social mobility, blocking individuals from income and skilling opportunities, and therefore the ability to improve economic status (Chapter 2.5: End of development?). Lack of economic opportunity is a top 10 risk over the two-year period, but is seemingly less of a concern for global decision-makers over the longer-term horizon, dropping to #11 (Figure E). High rates of job churn – both job creation and destruction – have the potential to result in deeply bifurcated labour markets between and within developed and developing economies. While the productivity benefits of these economic transitions should not be underestimated, manufacturing- or services-led export growth might no longer offer traditional pathways to greater prosperity for developing countries.

The narrowing of individual pathways to stable livelihoods would also impact metrics of human development – from poverty to access to education and healthcare. Marked changes in the social contract as intergenerational mobility declines would radically reshape societal and political dynamics in both advanced and developing economies.

Simmering geopolitical tensions combined with technology will drive new security risks

As both a product and driver of state fragility, Interstate armed conflict is a new entrant into the top risk rankings over the two-year horizon (Figure C). As the focus of major powers becomes stretched across multiple fronts, conflict contagion is a key concern (Chapter 1.4: Rise in conflict). There are several frozen conflicts at risk of heating up in the near term, due to spillover threats or growing state fragility.

This becomes an even more worrying risk in the context of recent technological advances. In the absence of concerted collaboration, a globally fragmented approach to regulating frontier technologies is unlikely to prevent the spread of its most dangerous capabilities and, in fact, may encourage proliferation (Chapter 2.4: AI in charge). Over the longer-term, technological advances, including in generative AI, will enable a range of non-state and state actors to access a superhuman breadth of knowledge to conceptualize and develop new tools of disruption and conflict, from malware to biological weapons.

In this environment, the lines between the state, organized crime, private militia and terrorist groups would blur further. A broad set of non-state actors will capitalize on weakened systems, cementing the cycle between conflict, fragility, corruption and crime. **Illicit economic activity** (#31) is one of the lowest-ranked risks over the 10-year period but is seen to be triggered by a number of the top-ranked risks over the two- and 10-year horizons (Figure D). Economic hardship – combined with technological advances, resource stress and conflict – is likely to push more people towards crime, militarization or radicalization and contribute to the globalization of organized crime in targets and operations ([Chapter 2.6: Crime wave](#)).

The growing internationalization of conflicts by a wider set of powers could lead to deadlier, prolonged warfare and overwhelming humanitarian crises. With multiple states engaged in proxy, and perhaps even direct warfare, the incentives to condense decision time through the integration of AI will grow. The creep of machine intelligence into conflict decision-making – to autonomously select targets and determine objectives – would significantly raise the risk of accidental or intentional escalation over the next decade.

Ideological and geoeconomic divides will disrupt the future of governance

A deeper divide on the international stage between multiple poles of power and between the Global North and South would paralyze international governance mechanisms and divert the attention and resources of major powers away from urgent global risks.

Asked about the global political outlook for cooperation on risks over the next decade, two-thirds of GRPS respondents feel that we will face a multipolar or fragmented order in which middle and great powers contest, set and enforce regional rules and norms. Over the next decade, as dissatisfaction with the continued dominance of the Global North grows, an evolving set of states will seek a more pivotal influence on the global stage across multiple domains, asserting their power in military, technological and economic terms.

As states in the Global South bear the brunt of a changing climate, the aftereffects of pandemic-era crises and geoeconomic rifts between major powers, growing alignment and political alliances within this historically disparate group of countries could increasingly shape security dynamics,

including implications for high-stakes hotspots: the Russia-Ukraine war, the Middle East conflict and tensions over Taiwan ([Chapter 1.4: Rise in conflict](#)). Coordinated efforts to isolate “rogue” states are likely to be increasingly futile, while international governance and peacekeeping efforts shown to be ineffective at “policing” conflict could be sidelined.

The shifting balance of influence in global affairs is particularly evident in the internationalization of conflicts – where pivotal powers will increasingly lend support and resources to garner political allies – but will also shape the longer-term trajectory and management of global risks more broadly. For example, access to highly concentrated tech stacks will become an even more critical component of soft power for major powers to cement their influence. However, other countries with competitive advantages in upstream value chains – from critical minerals to high-value IP and capital – will likely leverage these economic assets to obtain access to advanced technologies, leading to novel power dynamics.

Opportunities for action to address global risks in a fragmented world

Cooperation will come under pressure in this fragmented, in-flux world. However there remain key opportunities for action that can be taken locally or internationally, individually or collaboratively – that can significantly reduce the impact of global risks.

Localized strategies leveraging investment and regulation can reduce the impact of those inevitable risks that we can prepare for, and both the public and private sector can play a key role to extend these benefits to all. Single breakthrough endeavors, grown through efforts to prioritize the future and focus on research and development, can similarly help make the world a safer place. The collective actions of individual citizens, companies and countries may seem insignificant on their own, but at critical mass they can move the needle on global risk reduction. Finally, even in a world that is increasingly fragmented, cross-border collaboration at scale remains critical for risks that are decisive for human security and prosperity.

The next decade will usher in a period of significant change, stretching our adaptive capacity to the limit. A multiplicity of entirely different futures is conceivable over this time frame, and a more positive path can be shaped through our actions to address global risks today.

Having trouble viewing this email? [View Online](#)

Good morning,

The Electoral Commission of Queensland (ECQ) is pleased to advise of the release of its 2024 Local Government Elections Service Plan, which is now available on the [ECQ's website](#).

The Service Plan sets out how the ECQ will deliver the 2024 local government elections, which will be held on 16 March 2024. The plan outlines key electoral services and activities, including key election milestones, voter services, staffing, resources and technology, information for candidates and parties, as well as post-election activities.

I trust the Service Plan provides you with useful information about the upcoming elections.

Should you require further information regarding the Service Plan, please contact the ECQ on 1300 881 665 or email ecq@ecq.qld.gov.au.

Kind regards,

Electoral Commission of Queensland

ecq.qld.gov.au | 1300 881 665

Message

FROM THE ELECTORAL COMMISSIONER

With only a few weeks remaining until the end of the year it's a great time to reflect on 2023 and particularly, on the impressive volume of work that's been done as we prepare for a busy election year.

In this final edition of *The Countdown* for 2023 you'll find some updates on our key pieces of work including our Service Plan, temporary election staff recruitment activities and Returning Officer training.

Last week, we also hosted the final meeting of the Local Government Election Advisory Committee prior to the elections, where a range of important topics were discussed such as our vote counting and declaration processes, our election advertising campaign and the progress being made on the 'So you want to be a councillor?' training, across the state.

When we return in the New Year, the election period will be in sharp focus for all of us as we prepare to deliver an efficient and effective electoral event for Queensland.

I'd like to take this opportunity to thank you for your engagement with the ECQ team over the past year and acknowledge the important role that our close relationship with the local government sector has played in informing our election preparations.

As a result of this collaborative approach, I am confident that we are in a strong position and more prepared than ever before to deliver the local government elections on 16 March 2024.

I hope you all have a great break and enjoy the holiday period.

Pat Vidgen
Electoral Commissioner of Queensland

In this edition of The Countdown

- **Election timetable now available**
- **2024 Service Plan coming soon**
- **Election staff recruitment on target**
- **Candidate training in full swing across Queensland**
- **Returning Officers ready for the elections**
- **Final LGEAC meeting for 2023**

Election timetable now available

The proposed timetable for the 2024 local government elections has been published and is available on the ECQ website. Please note that these dates are indicative only and that the timetable will be confirmed once the Notice of Election has been issued.

| | |
|----------------------------|------------------------|
| Notice of election | Monday 29 January 2024 |
| Candidate nominations open | Monday 29 January 2024 |

| | |
|---------------------------------|--|
| Close of electoral roll | Monday 5 February 2024 |
| Candidate nominations close | Tuesday 13 February 2024 at noon |
| Ballot paper order draw | Wednesday 14 February 2024 at 10am |
| Postal vote applications close | Monday 4 March 2024 at 7pm |
| Early voting* | Monday 4 March to 15 March 2024 |
| Election day | Saturday 16 March 2024 from 8am to 6pm |
| Close of return of postal votes | Tuesday 26 March 2024 |

**early voting in rural and remote locations are likely to be less than a full two-week period. Details of dates, times and locations will be available on the ECQ website during the election.*

2024 Service Plan coming soon

The ECQ's 2024 Local Government Elections Service Plan has been produced to provide an overview of how the elections will be delivered, promoting visibility and transparency about the process of election planning and delivery at a state-wide level.

We've been developing service plans for major elections since 2020, and the plan for the 2024 local government elections will be published soon on the ECQ website.

What's in an Election Service Plan?

An overarching view of how the ECQ will deliver the election. This includes details of key aspects of service delivery, an overview of services, system improvements and new initiatives that have been introduced to maximise elector engagement and participation.

2024 LOCAL GOVERNMENT ELECTIONS SERVICE PLAN

The 2024 local government elections plan includes:

- the election timetable and key milestones
- voter services, including early voting and election day services, postal voting and telephone voting
- remote polling services for Indigenous local governments
- recruitment and training of Returning Officers and other temporary election staff
- management, testing and operation of critical election systems
- candidate and political party disclosure obligations and compliance activities
- communication and engagement activities to promote and support electoral participation
- an update on local government boundaries following reviews by the Local Government Change Commission
- post-election activities including vote counting and result publication, the non-voter compliance program, evaluation and reporting.

How will individual elections be delivered?

In addition to the state-wide Service Plan, the ECQ has been communicating regularly with local governments, and has provided a draft service plan to each council, with detailed information specific to their electoral landscape. These plans include the timetable, election services and key communication and contact information for the individual local government.

Draft plans were sent to council CEOs with correspondence from Julie Cavanagh, Executive Director, Election Event Management in August 2023 and were updated and redistributed in November 2023.

While these local service plans will continue to evolve, they provide valuable guidance for councils to assist them to make their own preparations for the elections.

Q

Election staff recruitment on target

With around 10,000 Queenslanders needed to support our delivery of the local government elections in 2024, work on the recruitment of staff and promotional planning to support this project has been ongoing for many months.

A critical project for the ECQ, this work has been meticulously planned, with recruitment now underway via a two-phased promotional schedule.

A 'soft launch' in early December included promotion to people who have previously worked for the ECQ in these types of roles and is already yielding a great response.

To date, more than 5,000 applications have been received, putting the ECQ in a strong position to meet its target in the New Year, when opportunities are promoted to the general public.

ECQ Communication has been supporting the public awareness aspect of this work, developing a communication and engagement strategy which features an advertising campaign that will be deployed on social media, and a range of other deliverables such as media releases, stakeholder kits and short videos.

Here's a quick look at a few of our campaign assets.

Q

Candidate training in full swing across Queensland

Mandatory training for prospective local government election candidates is well underway across Queensland.

All candidates for mayor or councillor at the 2024 local government elections must complete the 'So you want to be a councillor?' course.

The updated online course launched at the end of July 2023, and the Department of State Development, Infrastructure, Local Government and Planning is delivering in-person information

5

sessions and full training sessions between November 2023 and February 2024.

The ECQ has been providing support for the training, attending a number of sessions including in Cairns, Mount Isa, Aurukun, Napranum, Mapoon, Murweh, Paroo, Bulloo and Quilpie.

All prospective candidates are encouraged to complete their training as soon as possible, as this is a pre-requisite for the registration of nominations for the elections.

Returning Officers ready for the elections

Returning Officer training is over for the year, with more than 130 Returning Officers and Assistant Returning Officers now fully equipped to oversee the local government elections on 16 March. A further training program for staff working in Indigenous local governments in Far North Queensland will be held next month.

Returning Officers are integral to any electoral event and are chosen for their organisational and problem-solving skills. During an event they also become highly valuable sources of information.

As we look ahead to the elections in March, the ECQ has confidence that our team of Returning Officers and Assistant Returning Officers are well-trained, well-supported and ready to deliver.

Final LGEAC meeting for 2023

The final meeting of the Local Government Election Advisory Committee before the election was held in Brisbane on 13 December.

At the meeting, a host of topics were discussed, including vote counting, declarations and result publication and the processes that will be in place for the local government elections, along with updates on the ECQ's advertising campaign, candidate training and costs.

Representatives from the Crime and Corruption Commission were also present, providing information about their awareness activities during the local government election period.

The committee has provided a valuable forum for the ECQ to consult the local government sector and ensure these perspectives were reflected in election planning activities. The committee will

reconvene following the elections to discuss outcomes and observations.

The ECQ thanks all members for their constructive and insightful contributions to the work of the committee and for their efforts in improving election service delivery for all Queenslanders.

ecq.qld.gov.au

 *The Electoral Commission of Queensland acknowledges the Traditional Owners of Country, and their connection to land, sea, and community. We pay our respects to Elders past and present.*

UQ's 2023 Community Engagement Report

In recognition of your valued partnership, we wanted to share with you the 2023 UQ Community Engagement Report.

Showcasing the breadth and depth of our University's activities across Queensland this year, this report demonstrates our deeply-held commitment to supporting community-led initiatives that deliver for the public good.

[Explore the 2023 Community Engagement Report](#)

The outcomes shared in this report are a testament to the impact of our enduring partnerships, the power of local knowledge and the importance of working together to strengthen communities.

With your continued support, we look forward to an even richer program of activities in 2024.

Best wishes

The UQ Advancement and Community Engagement Team

Acknowledgement of Country

The University of Queensland (UQ) acknowledges the Traditional Owners and their custodianship of the lands on which UQ operates. We pay our respects to their Ancestors and their descendants, who continue cultural and spiritual connections to Country. We recognise their valuable contributions to Australian and global society.

This email was sent by The University of Queensland, eNews to ceo@longreach.qld.gov.au

This message has been sent to you because you are an alum or friend of UQ, or you have requested information from UQ. If you no longer wish to receive communications from The University of Queensland,

Good Morning Brett.

The Wide Bay, Burnett and Central Queensland team (WBBCQ team) of the Local Government Division has undertaken a high level desktop review of the processes and records for your council. The review was informed by the availability of information on your council's website and guided by the Local Government Compliance Checklist (attached and available on LG Central) and the non-financial sustainability elements of the Department's Sustainability Framework – more information can be found at <https://www.statedevelopment.qld.gov.au/local-government/for-councils/finance/local-government-sustainability-framework>.

The review was conducted as a service to council, and allows the WBBCQ team to provide council with a rough indication of its compliance in accordance with the Local Government Act 2009 (LGA) and Local Government Regulation 2012 (LGR), particularly in relation to the publication of mandatory policies, procedures, notices, registers and other documents.

The review found that your council is doing an excellent job in terms of compliance. It's essential that council provides all required policies and procedures to ensure that it is operating within the legal framework and maintaining transparency. It is also commendable that all these documents are accessible on the council's website, which makes it easier for the public to access the information they need.

The comments arising from the review are provided below. I encourage you to consider this information and address any instances of non-compliance.

Regarding the minutes of council meetings:

- *Closed meeting – council minutes are referring to the incorrect section of the LGA, please amend and refer to section S254J(3) and the reason*

The WBBCQ team will continue to undertake desktop reviews of council and provide feedback to you where appropriate.

If you have any questions, please feel free to phone me to discuss.

On another note, it is that time of year again and the festive season beckons. It has been a good year working with you and your team Brett. I have seen really good work coming from Longreach RC. Have a great Christmas. I am on leave as of Wednesday so if you need any support please call Amy from our Bundaberg office.
Mobile 0408 216 339

Many thanks

Paul.

Responsible Officers: *Brett Walsh, Chief Executive Officer*

Background:

Council meeting dates were set in October 2023 for the 2024 calendar year. Consideration was given to upcoming events that may impact the meeting schedule, however, some events had not been confirmed at the time.

Issue:

The 2024 Special Mayors Forum, at which Council is represented by the Mayor and Chief Executive Officer, is scheduled for Wednesday 17 April 2024 in Brisbane.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Unlikely
Consequence: Insignificant
Rating: Low (2/25)

Officer Comment

Responsible Officer/s:

Craig Neuendorf, Regional Recovery and Resilience Coordinator

Tanya Johnson, Executive Officer, Tourism

Background:

Longreach Regional Council and the Longreach Baptist Church are partnering to produce and distribute Welcome Packs to new residents who move to Longreach.

The Welcome Packs will include information about the Longreach community including local maps, recreational activities, contact information for local schools, medical services and hospital services, churches, day care and various local businesses such as hairdressers, grocery stores, restaurants and takeaway establishments and a fridge

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.3 - Production and Distribution of Welcome Packs to New Residents

magnet from the Central West Rural Wellness Network detailing mental health information.

The Welcome Packs will also include a copy of the 2024 Be Ready Central West calendar, the Be Ready Central West flip book detailing how to prepare for various disaster events, an Emergency Contact List fridge magnet and a fridge magnet detailing items to make up an Emergency Kit.

Local coffee shops have donated coffee vouchers and these will be placed inside locally produced cards welcoming new residents to Longreach. A local business owners have also donated a small gift to be included in each Welcome Pack.

The Welcome Packs will be distributed by Council staff to new residents soon after schools resume on Monday, 22 January 2024.

Previous Council Resolutions related to this Matter

(Res-2023-07-182)

Moved Cr Smith seconded Cr Bignell

That Council, pursuant to section 174(1) of the Local Government Regulation 2012, adopts the Longreach Regional Council Annual Operational Plan 2023-2024, as presented.

CARRIED 7/0

(Res-2023-11-288)

Moved Cr Paterson seconded Cr Smith

That Council, pursuant to section 174(3) of the Local Government Regulation 2012, receives the Chief Executive Officer's evaluation of the implementation of the 2023-24 Annual Operational Plan for the period ended 30 September 2023.

CARRIED 6/0

Officer Comment

Responsible Officer/s:

Brett Walsh – Chief Executive Officer

Simon Kuttner – Manager of Governance and Economy

Background:

The Annual Operational Plan is adopted by Council annually in conjunction with setting Council's budget. The plan outlines the key activities and targets which Council have agreed to meet for the twelve-month period, which are derived from Council's 5-year Corporate Plan.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.4 - Annual Operational Plan 2023-24 - Review for Period Ending 31 December 2023

Issue:

Pursuant to the provisions of section 174 of the *Local Government Regulation 2012*, the Chief Executive Officer must present a written assessment of the local government's progress towards implementing the annual operational plan to a meeting at regular intervals of three months.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Possible
Consequence: Moderate
Rating: Medium (9/25)

Risk has been assessed based on proceeding as recommended.

Environmental Management Factors:

The Annual Operational Plan has provisions for Environmental Management in alignment with Outcome 1.3 of the *Longreach Regional Council Corporate Plan 2024-2028*: The region's natural environment is managed, maintained and protected.

Other Comments:

A copy of the Annual Operational Plan 2023-24 review, including written assessment information for the period ending 31 December 2023, is attached.

Appendices

1. AOP 23-24 Q2 Quarterly Report.pdf [📄](#)

Recommendation:

That Council, pursuant to section 174(3) of the Local Government Regulation 2012, receives the Chief Executive Officer's evaluation of the implementation of the 2023-24 Annual Operational Plan for the period ended 31 December 2023.

Longreach Regional Council ANNUAL OPERATIONAL PLAN 2023-24

Quarterly Report – Q2
(for the period to 31 December 2023)

About this report

Every three months, the Chief Executive Officer compiles a review of the Annual Operational Plan to be presented to Council. This review serves to outline how well we have fared in relation to the outcomes outlined in our Corporate Plan, by examining progress made in executing the strategies and initiatives detailed in our Annual Operational Plan.

Progress is indicated using a simple colour coded system as demonstrated opposite. As each quarter is updated, this will cumulatively illustrate progress on each initiative.

This report should be referenced in conjunction with the published Longreach Regional Council Annual Operational Plan 2023-24, which is available from Council's website or at any Council office.

Status Key

- Completed/target met**
 This item has been completed. If it is a target, such as monthly reporting or compliance, that target has been met.
- Commenced/in-progress**
 Work has commenced and is in progress on this item.
- Scheduled/not yet commenced**
 Work has been scheduled to commence in a subsequent quarter.
- Deferred**
 This item has been deferred to a subsequent financial year. A brief explanation will accompany this status.
- Target not met**
 This item has not been completed by the end of the financial year or has otherwise not met a target. A brief explanation will accompany this status.

That pursuant to section 257(5) of the Local Government Act 2009, Council adopts the amendments to the Delegations Register (Council to the Chief Executive Officer), as presented.

CARRIED 7/0

Officer Comment

Responsible Officer(s):

Simon Kuttner, Manager of Governance and Economy

Elizabeth Neal, Executive Assistant to the CEO Mayor and Councillors

Background:

Section 257 *Local Government Act 2009* allows Council to delegate its powers to the Mayor, the Chief Executive Officer (CEO), a standing committee or the chairperson of a standing committee.

Pursuant to section 257(5) *Local Government Act 2009* a delegation to the CEO must be reviewed by Council. This review ensures that the delegation remains consistent with the local government's policy direction and intent.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.5 - Delegations Register - Review

To further streamline the Council's decision making process, section 259 of the *Local Government Act 2009* allows the CEO to sub-delegate the powers (including those delegated to him by Council) to another Council employee where appropriate.

The statutory requirement for a review is only relevant for delegations to the CEO, not sub-delegations.

Under section 260 of the *Local Government Act 2009*, the CEO must establish a register of delegations. The CEO must record all delegations by the local government, Mayor or CEO in the register of delegations.

Issue:

After consultation with the Local Government Association of Queensland (LGAQ) the updated Council to CEO Delegations Register has been created based on the template provided and maintained by LGAQ in partnership with King and Company solicitors, who undertake a periodic legislative review. With the extensive number of legislative powers granted to a local government that can often change, an out of date delegations register is a risk for Councils where there are no legal teams on staff. In addition to legislative powers, this register includes delegations from Council policies and local laws.

For simplicity and efficiency, LGAQ recommends adoption of the whole of the Delegation Register, removing the need for council resources to be applied to the complexities of maintaining the Register as individual legislation changes.

While this might mean that a large number of delegations to the CEO will never be called on (because the legislation is not actively applicable in relation to Longreach Regional Council), the administrative effort in identifying and maintaining specific delegations over time is avoided.

Schedule 1 lists all Council's powers under Queensland legislation and Council's own Local Laws and Policies that can be delegated to the CEO. Schedule 2 lists limitations and conditions that the CEO must consider in exercising a delegated power. These include:

1. Where Council in its budget or by resolution allocates an amount for the expenditure of Council funds in relation to a particular matter, the delegate in exercising delegated power in relation to that matter, will only commit the Council to reasonably foreseeable expenditure up to the amount allocated.
2. The delegate will not exercise any delegated power in relation to a matter which, to the delegate's knowledge adversely affects, or is likely to adversely affect, the Council's relations with the public at large.
3. The delegate will only exercise any delegated power that is consistent with a resolution in relation to a matter or other decision of the Council (including a policy decision relating to the matter).
4. The delegate will not exercise any delegated power in a manner, or which has the foreseeable affect, of being contrary to an adopted Council policy or management directive.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.5 - Delegations Register - Review

5. The delegate will only exercise a delegated power under this resolution in a manner which complies with the requirements of Council's Planning Scheme and any exercise of power which involves a departure from or variation of those requirements will only be undertaken by Council or by the CEO following a resolution by Council, in a manner consistent with the resolution.
6. The delegate will not exercise any power which cannot lawfully be the subject of delegation by Council.
7. The delegate will only exercise a delegated power consistent with their financial delegations.
8. The CEO will refer decisions to the Council where the matter is sensitive, of community significance, or is about something where it would be appropriate to obtain the opinion of the elected Council.

A limited number of powers cannot be delegated and those decisions must be made by Council.

The adoption of the delegation register will not alter the current practices of items on the agenda for decision. The CEO can at any time, decide to refer a matter (where he has delegated power) to the Council where the decision is about a sensitive matter, of community significance, or is about something that the opinion of the elected Council would be appropriate.

Council at all times has the power to review and amend a delegation outside of the mandated review period. However, it is worth noting that most delegations are dictated by legislation can only be amended within the scope of the relevant legislation.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

| | |
|--------------|---------------|
| Likelihood: | Unlikely |
| Consequence: | Moderate |
| Rating: | Medium (6/25) |

Risk has been calculated based on proceeding as recommended.

LONGREACH REGIONAL COUNCIL Register of Delegations – Council to Chief Executive Officer

Schedule 2 - Limitations and Conditions to the Exercise of Power

- (a) Where Council in its budget or by resolution allocates an amount for the expenditure of Council funds in relation to a particular matter, the delegate in exercising delegated power in relation to that matter, will only commit the Council to reasonably foreseeable expenditure up to the amount allocated.
- (b) The delegate will not exercise any delegated power in relation to a matter which, to the delegate's knowledge adversely affects, or is likely to adversely affect, the Council's relations with the public at large.
- (c) The delegate will only exercise any delegated power that is consistent with a resolution in relation to a matter or other decision of the Council (including a policy decision relating to the matter).
- (d) The delegate will not exercise any delegated power in a manner, or which has the foreseeable affect, of being contrary to an adopted Council policy or management directive.
- (e) The delegate will only exercise a delegated power under this resolution in a manner which complies with the requirements of Council's Planning Scheme and any exercise of power which involves a departure from or variation of those requirements will only be undertaken by Council or by the CEO following a resolution by Council, in a manner consistent with the resolution.
- (f) The delegate will not exercise any power which cannot lawfully be the subject of delegation by Council.
- (g) The delegate will only exercise a delegated power consistent with their financial delegations.
- (h) The CEO will refer decisions to the Council where the matter is sensitive, of community significance, or is about something where it would be appropriate to obtain the opinion of the elected Council.

| | Chief Executive Officer | Power, as the proposer of the planning instrument change, to consult with any government entity, GOC or other entity it considers will be likely to be affected by the proposed planning instrument change. | Section 40J(b) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |

Page 104 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

**LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)**

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|--|-------------------------------|---|
| | Chief Executive Officer | Power, as the proposer of the planning instrument change, to give MEDQ the proposed instrument for its approval. | Section 40K(2) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the proposer of the planning instrument change, to amend the proposed instrument for a planning instrument change in compliance with conditions imposed by MEDQ under section 40K(3)(b). | Section 40K(6) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to publish on its website the planning instrument change made or approved under section 40K. | Section 40M(2) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to make submissions to MEDQ about the proposed planning instrument change. | Section 41(5)(b) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power as the proposer to prepare a proposed planning instrument change. For the avoidance of doubt this power includes all actions and all matters required to be considered under sections 42A, 42B, 42C, 42D, 42E, 42G, 42H, 42I, 42J and 42L of the Economic Development Act 2012. | Sections 42A, 42B, 42C, 42D, 42E, 42G, 42H, 42I, 42J and 42L Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to agree to the making of a regulation making an interim local law. | Section 43(3) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |

Page 105 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|---|-------------------------------|---|
| | Chief Executive Officer | Power, as the enforcement authority under the Planning Act for a Planning Act approval and where chapter 3, part 2, division 4, subdivision 3 applies, to commence proceedings in the court seeking a declaration mentioned in section 51AJ(3). | Section 51AJ Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the enforcement authority under the Planning Act for a Planning Act approval and where chapter 3, part 2, division 4, subdivision 3 applies, to give an infrastructure charges notice if the circumstances in section 51AQ(2) apply. | Section 51AQ(2) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a distributor-retailer under the South-East Queensland Water (Distribution and Retail Restructuring) Act 2009 (SEQW(DRR)A) and where a water connection aspect of a water approval mentioned in section 51AU of the Economic Development Act 2012 is amended, to give an infrastructure charges notice under the SEQW(DRR)A in relation to the amendment. | Section 51AU(6) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to comply with a request by MEDQ to supply documents or information. | Section 52(3) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to consult with MEDQ about a proposed development scheme. | Section 58(2)(a) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power as an owner of land to consent to the making of a PDA development application. | Section 82(1)(b) Economic Development Act 2012 | | Schedule 2 - Limitations and Conditions |

Page 106 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to
 Res-2022-06-144 the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same
 powers to the Chief Executive Officer are repealed.

| | Chief Executive Officer | Power, as a person conducting a business or undertaking, to ensure, so far as is reasonably practicable, that no person, plant or thing at the workplace comes within an unsafe distance of an overhead or underground electric line. | Section 68(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking, where it is not reasonably practicable, to ensure the safe distance of a person, plant or thing from an overhead or underground electric line, to take those steps required by subsection 68(2). | Section 68(2) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking that performs electrical work on an electrical installation, to ensure the electrical installation, to the extent it is affected by the electrical work, complies with the requirements of subsection 71(1). | Section 71(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |

Page 118 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|--|--|-------------------------------|---|
| | Chief Executive Officer | Power, as a person conducting a business or undertaking that performs work on water equipment, to ensure that a person does not contravene subsection 72(1). | Section 72(2) Electrical Safety Regulation 2013 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking that performs work on an electric motor, to ensure that a person does not contravene subsection 73(1). | Section 73(2) Electrical Safety Regulation 2013 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, in the circumstances set out in section 74, to take all reasonable steps to ensure the defect is fixed. | Section 74 Electrical Safety Regulation 2013 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the person in control of the electrical installation that receives electricity distributed by an electricity entity, to do those things required by subsection 76(2). | Section 76(2) Electrical Safety Regulation 2013 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the person in control of the electrical installation, to ensure that any structure supporting an electric line or item of electrical equipment forming part of the electrical installation complies with the requirements of subsection 77(1). | Section 77(1) Electrical Safety Regulation 2013 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the person in control of the electrical installation, to maintain, to a reasonable extent, the integrity of the insulation of any electric line, or connection to an electric line, that is part of the electrical installation | Section 78 Electrical Safety Regulation 2013 | | Schedule 2 - Limitations and Conditions |

Page 119 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|--|---|-------------------------------|---|
| | Chief Executive Officer | Power, as the person in control of an overhead electric line, to ensure that trees and other vegetation are trimmed, and other measures taken, to prevent contact with the line that is likely to cause injury from electric shock to any person or damage to property. | Section 79 <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the person in control of an overhead electric line, to ensure that, if the line is disconnected from its electricity supply, the line is:- (a) dismantled as soon as practicable after disconnection; or (b) maintained so it is electrically and mechanically safe. | Section 80(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the transferor of residential land, to, on or before the date of possession for the land, give the transferee of the land written notice of whether an approved safety switch has been installed for the general purpose socket-outlets installed in the domestic residence on the land. | Section 82(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the transferor of residential land, to, within 90 days after the date of possession for the land, give the regulator a written notice stating the transfer and safety switch information. | Section 83(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, in the circumstances set out in subsection 84(1), to have an approved safety switch installed for the general purpose socket-outlet. | Section 84(2) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |

Page 120 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|--|--|-------------------------------|---|
| | Chief Executive Officer | Power, as the owner of the residential land in the circumstances set out in subsection 85(1), to ensure an approved safety switch is installed for the general purpose socket-outlet as soon as practicable after becoming aware of the proposed residential tenancy agreement or that the proposed residential tenancy agreement has been entered into. | Section 85(2) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking, to ensure that any unsafe electrical equipment at the workplace complies with subsection 101(1). | Section 101(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking, to ensure that any cord extension set or flexible cable at the workplace complies with subsection 102(1). | Section 102(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking, to ensure that all electrical equipment for the performance of work complies with the requirements of AS/NZS 3012 (Electrical installations— Construction and demolition sites) | Section 104(1) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a person conducting a business or undertaking, to ensure, for the purposes of the business or undertaking, electrical equipment mentioned in AS/NZS 3012, clause 3.1 is not fitted with a tag that includes the test or retest date for the equipment unless the requirements of subsection 104(3). | Section 104(3) <i>Electrical Safety Regulation 2013</i> | | Schedule 2 - Limitations and Conditions |

Page 121 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

| | Chief Executive Officer | Power to apply to the Minister to temporarily close a road. | Section 99(3) Land Act 1994. | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an adjoining owner of land who makes an application to permanently close a road pursuant to section 99(1) of the Land Act 1994, to ask that the land be amalgamated with the adjoining owner's adjoining land upon its closure. | Section 99(4) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to object to a road closure application in response to a public notice. | Section 100 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a road licensee, to surrender all or part of a road licence. | Section 105(3) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as registered owner of land, to apply for the simultaneous opening and closing of roads subject to the conditions in section 109A(1)(a), (b) and (c). | Section 109A(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as registered owner, to ask the Minister to include certain matters in the deed of grant in trust issued under section 358. | Section 109A(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as registered owner, to appeal against any conditions the Minister imposes under section 420L. | Section 109A(3) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as trustee of lessee, to apply for the simultaneous opening or closing of roads subject to section 109B(1)(a), (b) and (c). | Section 109B(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

Page 251 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|--|-------------------------------|---|
| | Chief Executive Officer | Power to ask the Minister to include certain matters in the deed of grant in trust issued under section 358 or dedicated as a reserve under section 31A (whichever is applicable). | Section 109B(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to ask that the land in the road being closed be amalgamated in accordance with section 109B(3)(a) or (b) (whichever is applicable). | Section 109B(3) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as trustee or lessee, to appeal against any conditions the Minister imposes under section 420L. | Section 109B(4) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to apply for an interest in land that may be granted without competition. | Section 120A(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to apply to the Minister that a lease be used for additional or fewer purposes. | Section 154 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to apply for extension of a term lease (40 years). | Section 155A(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to apply for extension of a term lease (50 years). | Section 155B(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to apply for extension of a term lease (75 years). | Section 155BA(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to:- (a) provide the Minister with an improvements report; (b) give the Minister information, or further information, about a building or other structure on the lease land; and give the Minister a report about the condition of the buildings and other structures on the lease land. | Sections 156(2) and (4) Land Act 1994. | | Schedule 2 - Limitations and Conditions |

Page 252 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|--|--|-------------------------------|---|
| | Chief Executive Officer | Power, as lessee, to within the reasonable period stated in the notice, make written submissions about any matter relevant to the reasons for the chief executive's proposal. | Section 157B(2)(a)(iii) Land Act 1994. | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to apply for an offer of a new lease (a renewal application). | Section 158 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as trustee, to consult with the Chief Executive. | Section 159A(2) Land Act 1994. | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an applicant for a renewal application, to appeal against the chief executive's decision to refuse the renewal application if the only reason for the refusal was that the applicant had not complied with the conditions of the lease. | Section 160(3) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a lessee under a rolling term lease, to apply to the Minister for an extension of the term. | Section 164C(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a lessee under a rolling term lease, to appeal to the Minister's refusal of an extension of the term. | Section 164C(7) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as lessee, to apply to convert a perpetual lease to freehold land and a term lease to a perpetual lease or to freehold land. | Section 166(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as applicant for a conversion application, to appeal against the chief executive's decision to refuse the conversion application if the only reason for the refusal was that the applicant had not complied with the conditions of the lease. | Section 168(5) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to appeal against the chief executive's decision on the purchase price for the conversion of a lease to a deed of grant. | Section 170(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

| | Chief Executive Officer | Power, as a party to a sublease and a party to a dispute that has been decided by arbitration, to apply to the Supreme Court to set aside the decision in certain circumstances. | Section 339T(5) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a party to a sublease and a party to a dispute that is the subject of arbitration, to pay Council's share of the arbitration costs or otherwise agree with the other parties to the dispute how the arbitration costs will be paid. | Section 339U Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the registered owner or trustee, to surrender land if the description of the land is no longer correct, because of the reasons listed in section 358(1)(a) to (f). | Section 358(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as registered owner or trustee, to surrender the land contained in the registered owner's deed of grant or trustee's deed of grant in trust if, on resurvey of the land, the boundaries of the land do not agree with the boundaries described in the existing deed or appropriate plan, and no doubt exists about the boundaries of the land, with the written approval of the chief executive. | Section 358(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to apply to amend the description in a freeholding lease if the description of the lease may be amended under section 360(1)(a) or (d). | Section 360C(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to apply to amend the description in a term lease or a perpetual lease, other than a State lease, if the description of the lease may be amended under section 360A(2)(a), (b) or (c). | Section 360C(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

Page 262 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|---------------------------------|-------------------------------|---|
| | Chief Executive Officer | Power to apply to amend the description in a State lease if the description of the lease may be amended under section 360B(1)(a), (b), (c) or (d). | Section 360C(3) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a lessee or a person acting for a lessee, to give notice of an intention to make an application under section 360C to amend the description of a lease. | Section 360D Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to sign the document creating the easement where Council is the owner of the land to be benefitted, the public utility provider or the owner of the land to be burdened. | Section 363(1)(b) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to transfer a public utility easement to another public utility provider. | Section 369A Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to sign a document surrendering an easement in favour of Council, where Council is one or more of the entities listed in subsections 371(2)(a) to (c). | Section 371(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to apply to the Minister for approval for a public utility easement to continue over unallocated State land when the deed of grant in trust, lease or licence ends or the dedication of the reserve is revoked. | Section 372(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to apply to the Minister for approval for a public utility easement to continue over unallocated State land when the freehold land is surrendered. | Section 372(5) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the trustee, lessee or sublessee of nonfreehold land the subject of a trust, lease or sublease, to consent to the creation of a covenant on the land. | Section 373A Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as covenantee, to sign a document wholly or partly discharging the covenant. | Section 373D(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

Page 263 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|--|--------------------------------|-------------------------------|---|
| | Chief Executive Officer | Power, as a holder of a registered interest in the land whose interest may be affected by the proposed carbon abatement interest, to consent to the proposed grant. | Section 373U(c) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as caveator, to sign the caveat. | Section 389C Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an offeree, to apply for an extension. | Section 403R(3) Land Act 1994. | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as trustee of trust land, or as a lessee, licensee or permittee to start a proceeding in the Magistrates Court for unlawful occupation or trespass of the trust land, or a lease, licence or permit. | Section 415 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to make a submission in response to a notice received under the Act about a proposed application. | Section 420CB Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to respond to a request from the Chief Executive for information listed in sections 420E(1)(a) and 420E(1)(b). | Section 420E Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to apply to the Minister for a review of a decision. | Section 423 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to appeal to the Court against a decision. | Section 427 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to consult with the Minister about whether Council wishes to be the manager of a declared beach area. NB. this power only applies to the proposed easements A, B and C on SP143259 situated in lots 69, 71 and 72 on plan FD395, which are in the Gladstone Regional Council area (see section 79 of the Land Regulation 2020). | Section 431V(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

Page 264 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|---|-------------------------------|---|
| | Chief Executive Officer | Power to consult with the public and the owner of the lot about the use conditions to be contained in a local law applying to a declared beach area. NB. this power only applies to the proposed easements A, B and C on SP143259 situated in lots 69, 71 and 72 on plan FD395, which are in the Gladstone Regional Council area (see section 79 of the Land Regulation 2020). | Section 431V(3) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an interested person and owner of adjacent land, and where the circumstances of section 431ZG(1) apply, to give the chief executive written notice of the damage. | Section 431ZG Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an interested person and owner of adjacent land, and where the circumstances of section 431ZH(1) apply, to enter a remediation agreement with the chief executive. | Section 431ZH(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an interested person and owner of adjacent land, and where the circumstances of section 431ZH(1) apply and a remediation agreement has not been made, to apply to the court to decide what remediation action, if any, will be taken. | Section 431ZH(5) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as licensee, to surrender all or part of an occupation licence, on terms agreed to between the Minister and the licensee and with the Minister's written approval. | Section 481A Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a public utility provider or a licensee to apply to cancel or surrender all or part of an occupation licence. | Section 481B(1) and 481B(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, to give notice of an intention to, as a public utility provider or a licensee, apply to cancel or surrender all or part of an occupation licence. | Section 481B(4) and 481B(5) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

Page 265 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|------------------------------|-------------------------------|---|
| | Chief Executive Officer | Power, as a licensee of an occupation licence that is cancelled or surrendered absolutely, to apply to remove the licensee's improvements on the licence. | Section 481(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a licensee, to remove the licensee's improvements on the licence with the written approval of the Minister. | Section 481(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as licensee of an occupation licence, to carry out improvements or development work on the licence only with the Minister's written approval. | Section 482 Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a local government, to apply to exchange the conditional deed for a reserve or deed of grant in trust with the local government as trustee or a lease granted under the Land Act 1994. | Section 492(1) Land Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to agree to an allocation or dedication of land from the State, where the land has become an asset of the State by virtue of section 231 (repealed) of the Transport Infrastructure Act 1994. | Section 505(2) Land Act 1994 | | Schedule 2 - Limitations and Conditions |

LONGREACH REGIONAL COUNCIL

| | Chief Executive Officer | Power to be satisfied that a ratepayer is eligible for a concession granted pursuant to a resolution made under subsection (1)(b). | Section 122(4) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, in the relevant circumstances of section 123, to grant a rebate of rates or charges for land occupied by pensioners. | Section 123 Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, in the circumstances referred to in subsection (1), to refund the amount of the rebated rates or charges to the ratepayer. | Section 124(2) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to still allow a discount where satisfied that the ratepayer has been prevented, by circumstances beyond their control, from paying the rates or charges in time to get the discount. | Section 130(10) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |

Page 302 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

**LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)**

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|--|-------------------------------|---|
| | Chief Executive Officer | Power to give a benefit that is not a discount as an inducement for payment of rates or charges before the due date for payment. | Section 131 Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, for interest on overdue rates or charges, to decide a later day from which interest is payable. | Section 133(1)(a) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, for interest on overdue rates or charges, to decide another way to calculate interest, if an equal or lower amount will be payable. | Section 133(2)(b) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, for interest on overdue rates or charges, to, for a day before 1 July 2019, decide the rate of interest payable. | Section 133(3)(a) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to recover overdue rates or charges by bringing court proceedings for a debt. | Section 134 Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to give the State or government entity that has an interest in the land under a State encumbrance a notice of Council's intention to sell the land. | Section 138(3) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, where Council has by resolution decided to sell the land, to give all interested parties a notice of intention to sell the land. | Section 140(3) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |

**LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)**

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|--|---|-------------------------------|---|
| | Chief Executive Officer | Power to end sale procedures at the earliest of the following: (a) Council has been paid the amount of the overdue rates or charges, and all expenses that Council has incurred in attempting to sell the land; or (b) the land has been sold; or (c) 1 year after the notice of intention to sell was given to the registered owner. | Section 141(3) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, in circumstances where Council has ended sale procedures, to decide to sell the land again under section 140(2). | Section 141(4) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to carry out the procedures to sell land for overdue rates or charges. | Section 142 Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to set a reserve price at the auction of the land for overdue rates and charges in accordance with section 143(1). | Section 143(1) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, if the reserve price for the land is not reached at the auction, to enter into negotiations with any bidder who attended the auction to sell the land by agreement (for a price not less than the reserve price). | Section 143(2) and (3) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, after the day of the auction, to decide to continue to offer the land for sale by another auction, or sale by negotiation. | Section 144(1) Local Government Regulation 2012 | | Schedule 2 - Limitations and Conditions |

Page 304 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

|-----|-------------------------|---|---|-------------------------------|---|
| | Chief Executive Officer | Power to make an agreement with the chief executive, or commence proceedings in a court, for compensation to be paid to Council because of the revocation of an unregistered right in a railway manager's sublease for a section of rail corridor land. | Section 240B (5)-(7) Transport Infrastructure Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to enter into a sublease with the chief executive for a section of non-rail corridor land. | Section 240D Transport Infrastructure Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as an owner of land, to seek and negotiate with the railway manager a right of access across a proposed railway if Council's land is adjacent to the relevant land or Council has access over the relevant land. | Section 240E(2) and (3) Transport Infrastructure Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a railway manager or as an owner of land, to ask the chief executive, if an agreement regarding right of access cannot be made, to decide whether a right of access across the proposed railway should be granted. | Section 240E(5) Transport Infrastructure Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a railway manager or an owner of land, to give the chief executive the information the chief executive requires in deciding whether to grant a right of access across the proposed railway. | Section 240E(7) Transport Infrastructure Act 1994 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as a railway manager of a rail corridor land or as a right of access holder, to agree to cancel the right of access to the land. | Section 240F(3)(a) Transport Infrastructure Act 1994 | | Schedule 2 - Limitations and Conditions |

Page 519 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

Waste Reduction and Recycling Act 2011

NOTE: The State (via DERM as it was previously known) has delegated certain powers of the chief executive to local governments under section 263(1)(b) of the Waste Reduction and Recycling Act 2011. This has been done via:

- The Waste Reduction and Recycling (Local Government) Delegation (No. 1) 2015.
- The delegations specifically include the power to sub-delegate to an "appropriately qualified entity"

| NO. | DELEGATE | DESCRIPTION OF POWER DELEGATED | LEGISLATION | DATE AND NUMBER OF RESOLUTION | CONDITIONS TO WHICH THE DELEGATION IS SUBJECT |
|-----|-------------------------|---|---|-------------------------------|---|
| | Chief Executive Officer | Power to make an exempt waste application to the chief executive. | Section 28 Waste Reduction and Recycling Act 2011 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to provide further information or documents for an exempt waste application if required by the chief executive. | Section 29 Waste Reduction and Recycling Act 2011 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power to agree with the chief executive about extending the time for providing further information or documents for an exempt waste application. | Section 29(2) Waste Reduction and Recycling Act 2011 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the holder of an approval of waste as exempt waste, to request an amendment of the approval, and agree with the chief executive to the amendment of the approval. | Section 33 Waste Reduction and Recycling Act 2011 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, as the holder of an approval of waste as exempt waste, to make submissions in response to a notice from the chief executive about cancelling or amending the approval. | Section 34(3)(e) Waste Reduction and Recycling Act 2011 | | Schedule 2 - Limitations and Conditions |
| | Chief Executive Officer | Power, in conducting a recycling activity prescribed by regulation, to make a residue waste discounting application to the chief executive. | Section 44(1) Waste Reduction and Recycling Act 2011 | | Schedule 2 - Limitations and Conditions |

Page 578 of 669 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to Res-2022-06-144 the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

 Res-2022-06-144
 Under section 257 of the Local Government Act 2009, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

LONGREACH REGIONAL COUNCIL
Register of Delegations - Council to Chief Executive Officer (Schedule 1)

| | | | |
|-------------------------|---|--|---|
| Chief Executive Officer | Power, as a service provider, to apply for written approval to restrict the use of subartesian water by a customer of the water service provider in an area if the water is taken, other than for stock purposes, for a purpose mentioned in subsections 25ZA(1)(a) or (b). | Section 25ZA(1) <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as a service provider, to respond to a request for further information about the application from the chief executive. | Section 25ZA(3) <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as a water service provider in the circumstance provided in subsection (1), to impose a restriction on the use of subartesian water by a customer of the water service provider in an area. | Section 25ZE <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as a person who is completing works that have been started, to give the chief executive notice about the works by the day stated in the moratorium notice. | Section 30(3)(d) <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as an owner of land, to stop construction of the work by the completion day and apply to the Minister for an extension of the completion day. | Section 33(2) <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as person who is authorised, or has an entitlement to take or interfere with water, to provide information requested by the chief executive under section 35. | Section 35 <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as an owner of land, to give the chief executive an owner's notice. | Section 36 <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power, as a resource operations licence holder, to consult with the chief executive about the proposed temporary release of water from the reserve. | Section 40B(3) <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power to respond to a notice of public consultation on a proposed water plan. | Section 44 <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |
| Chief Executive Officer | Power to make a submission on a draft water plan. | Section 46 <i>Water Act 2000</i> | Schedule 2 - Limitations and Conditions |

Page 597 of 669 Under section 257 of the *Local Government Act 2009*, Longreach Regional Council resolves to delegate the exercise of the powers contained in Schedule 1 to the Chief Executive Officer. These powers must be exercised subject to the limitations contained in Schedule 2. All prior resolutions delegating the same powers to the Chief Executive Officer are repealed.

Officer Comment

Responsible Officer/s:

Brett Walsh – Chief Executive Officer

André Pretorius – Director of Works

Simon Kuttner – Manager of Governance and Economy

Background:

The National Water Grid Investment Framework (Investment Framework) ensures commonwealth water funding decisions are economically viable, environmentally sustainable and culturally responsive. The Investment Framework also enables the commonwealth to respond to future changes including climate change, population growth and increasing agricultural demand.

The Commonwealth announced changes to the Investment Framework in October 2022 to allow for a broader range of projects to be considered. This includes essential town water supplies in regional and remote communities, as well as increased engagement with First Nations peoples as projects are developed.

The National Water Grid Fund (the Fund) is the Commonwealth's primary program for delivering investments in water projects. The Fund aims to improve water security, while being economically and environmentally responsible. The Investment Framework establishes the strategic objectives and eligibility criteria for investment through the Fund.

Proposals for funding must be submitted by state and territory governments.

Issue:

Council is progressing a number of water security projects for the Longreach community as a matter of strategic priority, including:

- Plans to raise the Town Weirs by one metre;
- Plans to investigate treatment of groundwater;
- Plans to investigate water recycling initiatives; and,
- Plans to implement enhanced demand management initiatives.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.6 - National Water Grid Investment Framework

As Council's top strategic priority, work has been progressing in earnest over several years. In particular, planning approval for Town Weirs augmentation is now significantly advanced, with a Ministerial Infrastructure Designation (MID) application submitted to the Planning Minister in early in January 2024.

It is therefore timely to consider avenues through which funding can be obtained for the implementation of these projects. Through Council's considerable advocacy to date, we have been advised by both state and federal governments that the Investment Framework is the appropriate channel through which to secure funding and partnership.

Following Minister Glenn Butcher's recent visit to Longreach, Council officers have been working actively with the Queensland Government to secure funding support from State and Federal Governments for Town Weir augmentation and other water security projects.

Because funding under the Investment Framework can only be requested by state governments, it has been suggested by the Department of Regional Development, Manufacturing and Water (DRDMW), that Council submit a business case so that the department may consider inclusion of our project in their next application to the fund. This is anticipated to take place in early February, so it is important that a business case be submitted within this timeframe.

Councillors are asked to authorise the Chief Executive Officer to submit a business case as proposed, and negotiate and execute a funding agreement under the Investment Framework if successful.

Consultation with the State Government on the final document for presentation to the Commonwealth is still underway, as is the final water and financial modelling for the business case.

To provide Councillors with an overview of the Longreach Water Security Project an Executive Summary has been attached.

The project outlines a series of activities valued at \$20,074,330 with the majority of funding to be sourced from state and federal Governments. Council's proposed financial contribution to the project will be;

- \$1 million for the project raising the Town Weir
- \$7M towards mains replacement over three years (already budgeted for in the forward capital program) and
- \$33,000 towards a leak detection program of works.

We have been advised that a co-contribution will be necessary to obtain approval, and as such it is recommended Council commit the sum of \$1,000,000 as a co-contribution towards the Town Weir augmentation in good faith. The current budget for this component is estimated at \$11,030,330 making the recommended co-contribution approximately 9% of the total.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.6 - National Water Grid Investment Framework

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Possible
Consequence: Moderate
Rating: Medium (9/25)

Risk has been calculated based on proceeding as recommended.

Environmental Management Factors:

An Environmental Impact Assessment and Aquatic Ecology Assessment has been prepared and will be considered by the state as part of the Ministerial Infrastructure Designation (MID) application process.

Appendices

1. LWSP Executive Summary - Jan 2024.pdf [↓](#)

Recommendation:

That Council:

1. *Authorises the Chief Executive Officer to submit a business case to the Department of Regional Development, Manufacturing and Water in support of the Longreach Water Security Project;*
2. *Authorises the Chief Executive Officer to take all steps necessary to negotiate and execute a funding agreement with the Queensland Government and, if applicable, the Commonwealth Government under the National Water Grid Investment Framework; and*
3. *Commits the sum of \$1,000,000 to the Longreach Water Security Project, as a co-contribution towards a future funding agreement.*

Executive Summary

A Water Security Analysis completed by the Queensland Government in 2019, recommended that Council take action to ensure long term water security for the community through; water supply augmentation, various water demand management and water recycling activities.

Ongoing growth in water demand driven by an increasing population and the attraction of new industries coupled with climate change impacts, like increasing levels of evaporation, have led Longreach Regional Council to prioritise the raising of Thomsons Weir and to develop a detailed Water Security Strategy.

Modelling shows that population growth and the economic development of the community is likely to see increased demand for water between 400 – 1600 ML per annum over the next 5-10 years. To address the water supply demand, balance, the Longreach Water Security Strategy involves three key programs of work;

1. Water Supply Augmentation

- Raising of the Town Weir on the Thomson River

2. Demand Management Projects

- Smart metering project
- Water mains renewal project, and
- Leak detection project.

3. Planning for future Water Security Activities

- Development of a Longreach Regional Council Servicing Strategy
- A GAB bore water treatment project (to provide manufactured water to supplement water supply from surface water)
- A recycled water project (to offset potable demand)

To deal with existing growth pressures it is essential that Longreach Council implement the water supply augmentation and demand management programs detailed in this business case over the next 2-4 year period.

It is expected that to provide sustainable long term water security, future investments will be required for GAB Water Treatment Plant and Water Recycling Activities. When the planning above is complete, funding and delivery of these activities will need to be considered by Council and State and Federal Governments.

The Water Supply Augmentation and Demand Management Projects have a total estimated investment of 20,074,330.

Using the Longreach Economic model the delivery of the water security program will support the delivery of;

- Gross Regional Product – 4.319% growth
- Additional FTE - 42 Jobs

Independent reports from Queensland Treasury Corporation and Queensland Audit Office indicate that Longreach Regional Council will require grant support from State and Federal Governments for infrastructure investments of this scale and type.

11.7 - Referral Agency Assessment Application (Alternative Siting Assessment) - 137 Galah Street, Longreach

Issue:

The proposed structure setback is not in line with the requirements of the Queensland Development Code, hence the reason for the application being referred to Council for consideration.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Rare
Consequence: Minor
Rating: Low (2/25)

Environmental Management Factors:

N/A

Other Comments:

The application has been assessed by Jason Burger, Council's Consultant Building Certifier who has recommended that Council approve the proposed structure location based on the following:

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.7 - Referral Agency Assessment Application (Alternative Siting Assessment) - 137 Galah Street, Longreach

- The proposed reduced setback of 2 metres to Magpie Lane boundary in lieu of the required 6 metre setback and 1 metre setback from the side boundary in lieu of the required 1.5 metre setback would have little effect on the surrounding properties and roadways.
- Similar structures within Magpie Lane have similar or lesser setbacks than the proposed shed.
- The proposed shed roller door opening (indicated on site map in red) open into the yard and not directly onto the lane.
- No direct access to the shed from the Lane, as all doors face inward on the property.
- The proposed shed is located to ensure clear access is maintained to Council's sewer.

Appendices

1. 137 Galah Siting- Assessment Sheet 11.12.23.pdf [↓](#)

Recommendation:

That Council approves the siting variation of a shed with a 2 metre setback from the Magpie Lane road boundary and 1 metre setback from the side boundary at 137 Galah Street, Longreach, and formally described as Lot 609 on L3571, pursuant to section 32 and 33 of the Building Act 1975, Planning Act 2016 and schedule 9, table 3 of the Planning Regulations 2017.

11.7 - Referral Agency Assessment Application (Alternative Siting Assessment) - 137 Galah Street, Longreach --Appendix 1

SITING VARIATION ASSESSMENT SHEET
For Single Residential Use Class 1 & 10 Buildings

Address 137 Galah Street, Longreach Lot / Plan No: Lot 609 on L3571

| Relevant Residential Code issues for consideration | | | Comments/Likely Impact |
|---|-------------------------------------|-------------------------------------|--|
| | Yes | No | |
| Does the proposal maintain residential amenity both internal and external to the site? | <input checked="" type="checkbox"/> | <input type="checkbox"/> | |
| Does the proposal meet the accommodation and associated needs of one family? | <input checked="" type="checkbox"/> | <input type="checkbox"/> | |

Officer Comment

Responsible Officer/s:

Brett Walsh – Chief Executive Officer
André Pretorius – Director of Works
Simon Kuttner – Manager of Governance and Economy

Background:

Council is progressing a number of water security projects for the Longreach community as a matter of strategic priority, including:

11. CHIEF EXECUTIVE OFFICER'S REPORT

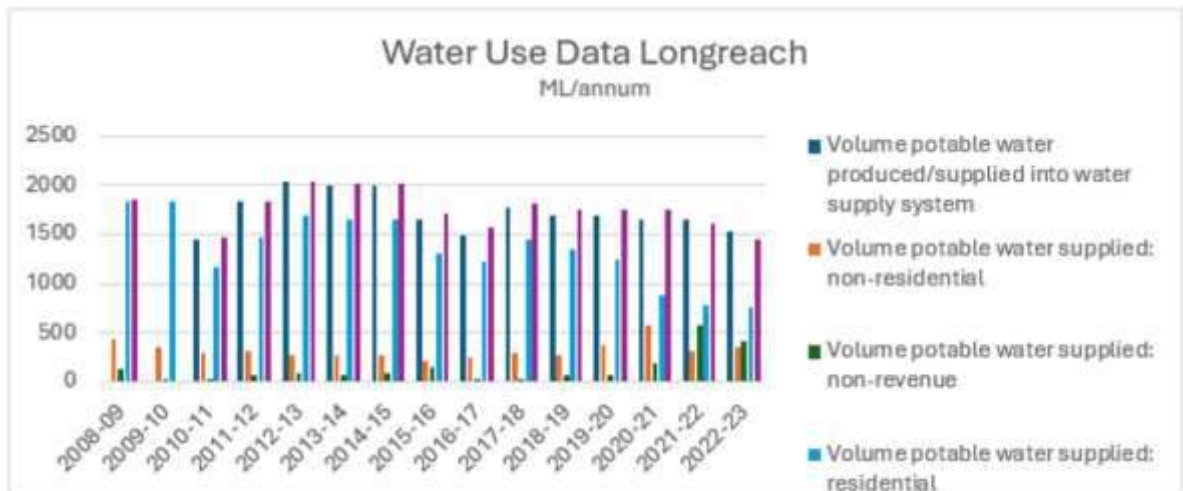

11.8 - Application for additional town water under the Water Plan (Cooper Creek) 2011

- Plans to raise the Town Weirs by one metre;
- Plans to investigate treatment of groundwater;
- Plans to investigate water recycling initiatives; and,
- Plans to implement enhanced demand management initiatives.

As Council's top strategic priority, work has been progressing in earnest over several years. In particular, planning approval for Town Weirs augmentation is now significantly advanced, with a Ministerial Infrastructure Designation (MID) application submitted to the Planning Minister in January 2024.

As part of this work it has been necessary to project Longreach's future water demand and consider whether it can be met from existing allocations. Council currently holds an entitlement to extract 2,200 megalitres per annum (ML/a) from the Thomson River.

In dry years Longreach is already extracting in excess of 2,000 ML/a to meet community needs.

To support these projects Council has been advised to make an application to the Department of Regional Development Manufacturing and Water (DRDMW) for an increased allocation to extract from the Longreach Waterhole on the Thomson River. This application will be made under the provisions of the *Water Plan (Cooper Creek) 2011* which is subordinate to the *Water Act 2000*.

Under section 16(1)(d) of the *Water Plan (Cooper Creek) 2011* there is a reserve established for this express purpose:

16 Establishing unallocated water reserves

(1) This plan makes the following volumes of unallocated water available—

(a) for a non-irrigation purpose—an Indigenous reserve of 200ML for helping local Aboriginal people achieve their economic and social aspirations;

(b) for a non-irrigation purpose—a general reserve of 200ML;

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.8 - Application for additional town water under the Water Plan (Cooper Creek) 2011

(c) for a project of State or regional significance—a strategic reserve of 1,300ML;

(d) for a community purpose or to a local government for town water supply purposes—a town and community water reserve of 500ML.

It is recommended that Council applies for the whole of the 500ML reserve for town water supply purposes. This 500ML allocation is necessary to deal with increases in water demand which are already being experienced and are projected to grow over the medium term. Some of the key drivers of future water demand for Longreach are;

| Driver of Water Demand Increase | Estimated water use impact ML\annum |
|--|--|
| Concrete products industrial plant | 6 |
| Kangaroo meat processing works | 60 |
| New housing by Queensland Government and Council | 50 |
| Expansion of the Longreach Hospital | 10 |
| New short term residential development | 180 |
| New rural residential estate | 70 |
| Expansion of Local Tourist Parks | 40-150 |

This does not take account of any other population growth which will need to be met through water saving initiatives.

Early consultation with DRDMW indicates that the cost of the additional 500ML allocation will be at no cost, because the water is being used for town water supply.

Issue:

The Department has advised that the application process is estimated to take between 12 and 18 months. This timing suits Council as the construction of the weir is likely to take a similar time period and demand increases will be able to managed within the existing allocation during this time.

The request would take the form of a letter, and would need to include the following:

- Describe the water requirements, including confirming the volume of water required taking into account water use efficiency and demand management strategies;
- Describe the source, location and method of take and any conditions proposed on the water take;
- Demonstrate why the proposed volume of water is required for town water supply purposes, noting that future demand should be identified within a regional water supply security assessment (or similar study); and,
- Consideration of criteria under section 19 of the Water Plan (Cooper Creek) 2011 – this is attached.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.8 - Application for additional town water under the Water Plan (Cooper Creek) 2011

Through the work completed to date on the Longreach Water Security Project, Council has all of the necessary information to develop an application to the Department for the requisite increase in water allocation as described.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

| | |
|--------------|---------------|
| Likelihood: | Possible |
| Consequence: | Moderate |
| Rating: | Medium (9/25) |

Risk has been calculated based on proceeding as recommended.

Environmental Management Factors:

Environmental factors will be considered by the state; however, the proposal sits within the existing provisions of the *Water Plan (Cooper Creek) 2011*.

Other Comments:

Nil

Recommendation:

That Council authorises the Chief Executive Officer to submit a letter of application to the Department of Regional Development, Manufacturing and Water, seeking a 500 ML per annum increase to Council's existing annual water allocation pursuant to section 16(1)(d) of the Water Plan (Cooper Creek) 2011.

Officer Comment

Responsible Officer/s: *Grace Cronin-Jones, Manager of Human Resources, Safety and Wellness*

Background:

Workplace Health and Safety provides a monthly update report of Council's health and safety performance.

Issue: Workplace Health and Safety Reporting – Period Ending 31 December 2023

- There were three personal injury incidents reported in December:
 - Two were reports only, being the result of slips, trips and falls
 - One required first aid treatment for a sprain, being the result of uneven ground surfaces.
- There were no incidents considered notifiable under Queensland Workplace Health and Safety requirements.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.9 - Workplace Health and Safety Update - December 2023

The below graph depicts the incident to Injury Ratio and Location of injuries for all incidents reported YTD.

Safety Updates/Consultation

- The *Workplace Health and Safety and Other Legislation Amendment Bill 2023 (Bill)* was introduced to parliament in November 2023, with a number of proposed amendments to Queensland WHS Laws. The following are key matters that may impact Council, with the Bill proposing to amend the WHS Act to:
 - Strengthen and promote the role of HSRs, including clarifying powers then can exercise in the workplace
 - Promote consultation about WHS with workers and their representatives
 - clarify which entities or persons may assist workers and act as their representatives in relation to WHS issues
 - clarify and streamline the dispute resolution process

A number of these key matters have already been flagged by the team with reviews either already in progress or planned to occur during the first half of 2024.

11. CHIEF EXECUTIVE OFFICER'S REPORT

Longreach Regional Council Planning Scheme – Proposed Major Amendment Project

Reel Planning has been engaged to assist Council to undertake a proposed major amendment to the *Longreach Regional Council Planning Scheme 2015*.

On 13 November 2023, Reel Planning on behalf of Council submitted a notice to the Planning Minister to request approval to adopt the major amendment.

Reel Planning has been regularly liaising with the Department of Housing, Local Government, Planning and Public Works (formerly the Department of State Development, Local Government, Infrastructure and Planning) to facilitate a timely outcome. As of 15 January 2024, the major amendment is still progressing through the approval chain.

Risk Management Factors:

This matter has been assessed using Council’s Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Rare
 Consequence: Insignificant

Chief Executive Officer Update

Following is a summary of activities undertaken for the period to 18 January 2024:

Strategic Leadership

- Attend monthly RAPAD meeting (Longreach)
- Attend monthly CEOs of the West (COWS) meeting (zoom)
- Meet with Minister for Water, Glenn Butcher, re funding for Thomson River weirs

Operational Management

- Lodge Growing Regions Stage 2 application for Longreach Showground
- Negotiate agreement with Housing Infrastructure Fund re affordable housing
- Opening of Isisford Weir with Minister Butcher and Director General Linda Dobe

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

- Finalise plans for Longreach Library workshop space
- Engage *qldwater* to develop the business case for the Thomson River Weirs and future water security
- Meet with architect for Animal Management Facility to progress plans
- Assist with managing the clean-up after storm on 21 December
- Accept tender and sign contract for new computer software (Azure and 365) and managed services for next three years
- Accept tender and sign contract for cleaning services for Council buildings

Financial Management

- Tender process for sale of Lot 201 land
- Tender process for sale of Ilfracombe railway buildings
- Attend Council's Audit and Risk Committee meeting

Workforce Capability

- Prepare for leadership training for managers and supervisors
- Recruit new Environmental Health Officer for seven RAPAD Councils
- Attend Senior Leadership Team meeting

Stakeholder Engagement

- Meet with Outback Aussie Tours re future plans
- Attend Talk Tourism Christmas meeting
- Meet with Bureau of Meteorology re land tenure of current site
- Meet with representatives of Longreach Youth Club and Phoenix Gym re future plans
- Meet with QAL re future land options
- Meet with Director General, Department of Water to discuss future water security for Longreach
- Meet with landholder re building application fees
- Meet with QUT representatives re Qld Connects program and indigenous entrepreneurship program
- Meet with Qld Treasury Corporation re funding for Water Security project
- Meet with Department of Local Government re funding for Water Security project
- Meet with Department of Water re increased water allocation for Longreach

Risk Management

- Review corporate risk register

11. CHIEF EXECUTIVE OFFICER'S REPORT
11.11 - Information Report - Governance

Saleyards – Throughput Figures

Regulatory Services – Compliance (Local Laws)

Throughout December, Regulatory Services Compliance Officers continued with routine tasks, including town patrols, monitoring illegal water use, overgrown vegetation, feral animal control, abandoned vehicles, pest weed spraying and various animal related non-compliances. All Longreach Regional Council townships were on Level 1 Water Restrictions during December, allowing sprinkler use between 6:00am-9:00am and 5:00pm-8:00pm daily for residential use.

The main points of interest for December were:

1. The total number of animals impounded during December was 5 dogs and 1 cat, all of which were impounded for wandering at large, and all were the first impound in more than 12 months. This was a particularly quiet month, with the increasingly warm weather a possible deterrent for wandering, with pets choosing to stay in the comfort and cool at home instead. We often notice an increase wandering animals following rain or storm events, however noticed a significant lack of activity during the December weather events.
2. With the weather warming up, Officers closely monitored excessive watering and watering outside of approved hours. Officers have handed out multiple flyers

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

regarding watering times during the month, and have noted that for many illegal watering occasions, timers had been turned on to maximum time and left on while the resident was not at home, or the timer is faulty. There were 10 breaches of water restrictions, all at residential properties. There were a few occasions of excessive watering also, which is deemed as watering within the allowed times, but more than is required as water runs off into gutters, sometimes running for multiple blocks.

3. Laneways became a focal point, with Officers noticing more and more unauthorised goods being stored in the lanes. Initial patrols identified more than 80 instances of goods being stored in the laneways, being classed as either illegal dumping or littering, depending on the volume. Following the initial reports, a courtesy letter was drafted to be given to residences in the vicinity of the unauthorised goods, as ownership is often unable to be proven. On second patrol, many of the goods had been removed, and as a result, 44 letters were issued. The letter was generic and unaddressed, however Officers highlighted the type of goods of concern at that address. In some cases, goods were determined to potentially be Community Safety Hazards as well. The definitions of illegal dumping vs littering vs community safety hazard are:

What is Littering?

The unlawful deposit of any type of waste material that is less than 200 litres in volume (about the size of a wheelie bin). This can include intentional littering, accidental littering (i.e. due to unsecured load), or depositing of materials on land without authority from the land owner.

What is Illegal Dumping?

The unlawful deposit of any type of waste material that is 200 litres or more in volume. This includes the depositing of materials on land without authority from the land owner.

What is a Community Safety Hazard?

A fence or structure on land that, because of its nature or its position, poses a significant risk of causing injury to a person or damage to a property. A community safety hazard may also be defined as objects or materials on land that are likely to become airborne in periods of high wind in a way that poses a significant risk of causing injury to a person or damage to property.

4. The kerbside collection survey has closed, with results now being considered for the future of the bulky waste service. Council must consider various factors when deciding on the next steps for the service, such as economic viability, timeliness, contractor availability, community expectations, and alternative ways to deliver the service. Some of the results and open-ended comments are below, demonstrating a wide variety of thoughts on the best way forward:

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

Q2 What time of year do you think is best for kerbside pick-up? (We have provided some general reasons to consider)

Answered: 96 Skipped: 1

| ANSWER CHOICES | RESPONSES |
|--|-----------|
| November – coming into stormy season | 25.13% 27 |
| December – stormy season, clean out before Christmas | 18.75% 18 |
| January – clean out after Christmas/during festive break, New Year refresh/preparation | 29.17% 29 |
| February – Post-tenancy changeover to remove leftover belongings | 12.50% 12 |
| Cooler months (May – August) | 39.58% 38 |
| Total Respondents: 96 | |

Q3 If you were to use the kerbside collection service, what type of goods would you put out? Select as many options as you need.

Answered: 95 Skipped: 2

| ANSWER CHOICES | RESPONSES |
|--|-----------|
| White goods (for example - fridge, freezer, washing machine) | 52.58% 49 |
| Furniture (for example - couch, table and chairs, beds, mattresses) | 66.32% 63 |
| Vehicle parts (for example - tyres, batteries) | 34.74% 33 |
| Bulk waste (for example - boxes, pallets, large items) | 77.89% 74 |
| Green waste (for example - tree limbs, large bags of leaves) | 77.89% 74 |
| Industrial-type waste (for example - steel, tin sheets, bricks) | 29.47% 28 |
| Car bodies or other large vehicles (for example - horse boxes, trailers) | 18.95% 18 |
| Total Respondents: 95 | |

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

Q4 Council offers free access to all refuse tips (dumps) and they are open 7 days (weather permitting). Considering this, should Council continue to offer a one-off kerbside collection program each year, or would a year-round pick up service be a better option?

Answered: 57 Skipped: 0

| ANSWER CHOICES | RESPONSES |
|--|-----------|
| One kerbside pick-up works best - if people miss out, Council shouldn't need to go back to pick up any other time. | 57.73% 56 |
| Using a pre-booked pick-up service throughout the year would be a better way to remove bulky waste when people need it. Please note that pick-up would be limited to once per residence throughout the year. | 46.39% 45 |
| Council shouldn't offer to pick up bulky waste - free daily access to the dump is enough. | 7.22% 7 |
| Total Respondents: 57 | |

Q5 How important is cost-effectiveness to you for waste collection services?

Answered: 96 Skipped: 1

| ANSWER CHOICES | RESPONSES |
|---|-----------|
| Very important - Council should consider alternate options to save money. | 27.08% 26 |
| Somewhat important - Council may need to look at alternatives, but still need a bulk waste service. | 58.33% 56 |
| Not important - Council needs to provide a bulky waste pick-up service no matter the cost. | 17.71% 17 |
| Total Respondents: 96 | |

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

Q6 How often are you using Council's refuse tip (dump) during the year?

Answered: 67 Skipped: 0

| ANSWER CHOICES | RESPONSES |
|--|-----------|
| Regularly - Most months | 69.07% 67 |
| Seldom - Couple of times per year | 32.99% 32 |
| Never | 1.03% 1 |
| Didn't know that the Council refuse tip is free to use for residents | 2.00% 2 |
| Total Respondents: 97 | |

Would you like to provide any other comments?

Council's expenditure isn't just about the wants of those who pay rates - residents who live here by choice and rent are just as important. Council must consider that not everyone has ability to dispose of bulky waste around the annual program. A pre-booked system would be good to be more flexible, suitable and considerate of our transient community and help the elderly when they need it. Must be limited to once per residence per year, regardless of tenancy changeover.

Kerbside collection is handy for residents who don't own a tray back car/ute, trailer or are unable to access the local dump due to medical/disability/elderly etc.

Pick up for people who don't have access through the year, 1 per family in at that address would be good or giving them information how it can be collected without access or Ute or trailer

Council needs to remind people of the concept of personal responsibility. Council doesn't exist to do everything for everybody. Council should focus on cost reduction and efficiencies.

Curb side collection should be offered twice a year. Once in summer and once in winter

A lot of people don't have access to a vehicle to get their rubbish to the tip themselves. Or May be elderly or unable to move stuff themselves. These are the people that would greatly benefit from a booked service to collect bulky refuse when needed.

Should be more than once per year.

Get the actual council workers to do the work.

No degree is needed, surely mechanics, machinery drivers & the over staffed office staff could help for a day.

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

The council men have done a great job for the last 2 years - it cleans our town up it's just a shame they don't take everything in the lanes - if it's not in your yard during this collection time it should all be taken to the dump -lanes are not for storing junk - let's get serious and clean our town / lanes up for good.

At other times, if (say) I had some furniture I did not require, I would like to leave it on the footpath for another person (who needed it) to take away., instead of sending to the tip. Years ago I was upgrading my lounge suite, ready to take to the tip. a person offered to purchase it as he only had the floor to sit on

Quarterly booked pick ups may be a better option. People would get rid of waste quicker making smaller loads and also help make the town look nicer.

I don't have a trailer or Ute to be able to go to the tip all the time. When family visit and bring a trailer I do lots of runs to the tip. A curb side pick up is an amazing service. Potentially a curb side every 6 months would benefit not only me but the large elderly population that also don't have the means to regularly go to the tip. I have only been in town 6 months but greatly appreciate the council news for this valuable info

Free from kerbside once per year/residence, and available on demand (at nominal cost) for any other times.

5. To end December, the following statistics were determined:

- Registration renewal rate: ~72.4% (previous registration period ended 15/08/2023, dogs which have been updated as deceased/transferred out/cancelled have been removed for this renewal rate calculation)
- Total dogs registered across Region for 2023/2024 rego period: 635 dogs
- Dogs with registration expired 2023/2022/2021/2020, not renewed or updated (excluding cancelled/deceased/transferred registrations): 281
- New registrations for dogs within current rego period (since 15/08/2023): 107 dogs
- Microchipping rate across Region (details on LRC file, active registrations only): ~78.27%
- Total animals impounded YTD 2023: 171

6. End of 2023 impoundment summary:

- Total animals impounded: 171
- Cats – % cats registered on impound (13 total) 0%
- Cats – % cats microchipped on impound (13 total) 30.77%
- Dogs – % dogs registered on impound (156 total) 26.92%
- Dogs – % dogs microchipped on impound (94/156 total) 60.26%

7. Overall:

- % all cats/dogs registered on impound 24.85%
- First offenders (134 total) – within 12 months 79.29%
- Second time offenders (28 total) – within 12 months 16.57%
- Third time offenders (6 total) – within 12 months 3.55%
- Subsequent (4+) offenders (3 total) – within 12 months 1.77%
- Total repeat offenders (37) 21.89%
- First time offender, registered on impound (22) 16.42%

11. CHIEF EXECUTIVE OFFICER'S REPORT

11.11 - Information Report - Governance

Regulatory Services – Environmental Health

Various food safety-related queries were received and advice was provided.

Regulatory Services – Rural Lands

Town Commons

Agistment – All four (4) town Commons are being used for Agistment – horses only on Longreach Common, cattle and horses on Ilfracombe Common, cattle only on Isisford and Yaraka Commons

Ongoing Town Common Issues:

- Poor quality or lack of boundary fences between Landholders and Town Commons, including flood-damaged sections of fencing
- Infrastructure being damaged by vehicles, particularly gates being run over
- Gates being left open, causing a safety issue for the horses being agisted on the Commons
- Illegal dumping of rubbish
- Pest weeds –
- Longreach Common; Jumping Cholla, Parkinsonia, Prickly Acacia, Rubber Vine, Sticky Florestina.
- Ilfracombe Common: Prickly Acacia, Parthenium, Sticky Florestina, Parky
- Isisford Common: Rubber Vine, Prickly Acacia, Parthenium, Parkinsonia, Sticky Florestina, Tiger Pear
- Yaraka Common: Parkinsonia

Stock Routes & Reserves

There were no travelling stock permits granted throughout the month, however there is some interest for coming months.

Permit to Occupy (PTO)

There were no PTOs submitted to Council this month.

Water Facilities (WF)

Four water facility inspections were completed.

Pest Weeds

Ongoing Pest Weed Issues:

- Lack of awareness, support and obligations within the Community in regards to Pest Weeds i.e. Parthenium, Sticky Florestina, Cacti.
- Continual rains, which will delay/slow down pest weed spraying programs, as well as increase the spread and density of pest weeds
- New and emerging Pest Weeds
 - *Main spraying projects for December:*

11. CHIEF EXECUTIVE OFFICER'S REPORT
11.11 - Information Report - Governance

- Tiger Pear in Ilfracombe Common
- Sticky Florestina around Ilfracombe and along roadsides
- Prickly Acacia along highway
- Leucaena and Mimosa around stables precinct
- Parkinsonia and Sticky Florestina along Glendulloch Road

Pest Animals

Wild Dog / Feral Cat Bounties – Year to Date

| Division | Scalp Bounty - Dog 23/24 YTD | Contract Dog Trapper 23/24 YTD | Scalp Bounty - Cat 23/24 YTD |
|-----------------|---|---|---|
| 1 | 43 | 0 | 0 |
| 2 | 0 | 8 | 0 |
| 3 | 93 | 0 | 0 |
| 4 | 49 | 0 | 0 |
| Total | 185 | 8 | 0 |

Summary of main tasks / issues completed by Rural Lands department during the month:

- Water facility maintenance reports and inspections.
- Management of drovers with travelling stock.
- Pest weed spraying as required
- Conducted October pest animal baiting program

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Rare
 Consequence: Insignificant
 Rating: Low (1/25)

Low risk, informational report only.

Environmental Management Factors:

Nil

Other Comments:

Nil

Recommendation:

That Council receives the Governance information report, as presented.

12. FINANCE REPORT

12.1 - Monthly Financial Statements

12. FINANCE REPORT

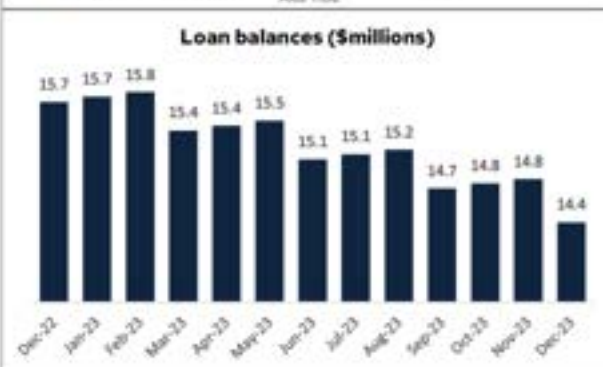

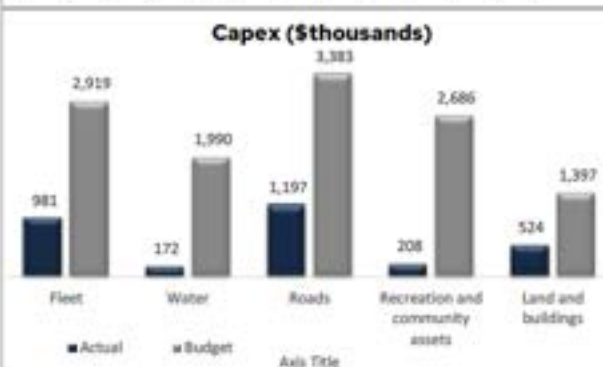

12.1 Monthly Financial Statements

Consideration of the financial statements for the period ending 31 December 2023:

Longreach Regional Council Financial Dashboard

for the month ending Dec 2023
(all amounts in \$millions)

| Income statement | YTD | Budget YTD | Variance | Last YTD | Variance |
|---------------------------|----------|------------|----------|---------------------------|----------|
| Revenue | \$23.0 | \$19.9 | \$3.2 | \$21.2 | \$1.8 |
| Expenses | \$26.1 | \$27.0 | \$0.9 | \$25.0 | (\$1.2) |
| Net result | (\$3.1) | (\$7.2) | \$4.1 | (\$3.8) | \$0.7 |
| Balance sheet | Dec 2024 | Jun 2023 | Movement | Last YTD | Movement |
| Total assets | \$409.9 | \$418.5 | (\$8.6) | \$386.0 | \$23.9 |
| Total liabilities | \$21.0 | \$26.5 | \$5.5 | \$29.0 | \$8.0 |
| Total equity | \$388.9 | \$392.0 | (\$3.1) | \$357.0 | \$31.9 |
| Cash flow | YTD | Last YTD | Movement | Cash expense cover | |
| Operating cash flow | (\$4.2) | (\$3.4) | (\$0.8) | 8 months | |
| Capex | (\$3.1) | (\$2.1) | \$1.0 | Current ratio | |
| Other investing cash flow | \$1.3 | \$1.0 | \$0.3 | 6:1 | |
| Loan repayments | (\$0.8) | (\$1.9) | \$1.1 | Unrestricted Cash Balance | |
| Net cash flow | (\$6.8) | (\$6.4) | (\$0.4) | \$27.4 | |

12. FINANCE REPORT

12.1 - Monthly Financial Statements

Financial performance

- Both revenue and expenses are higher due to flood damage and contract works being ahead of schedule to budget, which is a positive result.
- Expenses are being managed well within budget with only a few programs exceeding their YTD expense budget.
- Council's net result is better than budget and close to last YTD's result.
- Overall financial performance is sound.

Financial position

- Total assets have decreased since the beginning of the financial year with a decrease in cash and because capital expenditure has been less than depreciation.
- Total liabilities have decreased since 1 July due to a reduction in contract liabilities (flood damage work has exceeded the amount prepaid to Council at 1 July).
- Total equity has decreased since 1 July due to the reduction in total assets.
- Overall, Council's financial position has declined but is expected to improve in the second half of the year.

Cash flow

- Closing cash balance was \$28.2 million (\$27.4 million unrestricted).
- Operating cash flow was (\$4.2) million, which is a worse result than the same period last YTD. This is caused by most of the FAG being paid last year. The large outstanding contract balances that were overdue in November were paid in December.
- Capital expenditure is higher than last YTD which is a good result, although still well behind the full year budget.
- Loan repayments are lower than last year because last year included the early repayment of \$1.6 million of unutilized LWDEFS loan money.
- Net cash flow was close to last YTD.
- The forecast cash balances are expected to decline until the forecast 75% prepayment of the FAG in June.

Liquidity

- Council maintains 8 months of cash expense cover.
- Current ratio is 6:1 (\$6 of current assets to every \$1 of current liabilities).
- Short and long term forecasts indicate than Council will remain in a sound financial position.
- Council has deployed cash in a number of term deposits to increase its return on investment, illustrated in the table below:

| Term Deposit | Maturity date | Rate |
|--------------|---------------|-------|
| \$8,000,000 | 5/07/2024 | 5.63% |

Debtors

- There is \$124k of unpaid rates that are over 1-year old (less than 1% of total rates revenue) and a total of \$276k on payment plans.

| | Current | 1 year | 2 years | 3 years |
|-----------------------|--------------|-----------|----------|----------|
| Outstanding rates | \$516,410.73 | \$221,089 | \$67,068 | \$60,649 |
| Number of assessments | 107 | 82 | 27 | 14 |

12. FINANCE REPORT

12.1 - Monthly Financial Statements

Risks

- The main risks to Council's short term financial performance, position and cash flow are:

| Risk | Description | Treatment | Rating |
|---|---|--|--|
| Change in timing and amount of Financial Assistance Grant. | There is a change to the methodology used by the Commonwealth to prepay the Financial Assistance Grants. If the prepayment is discontinued or the amount changes, it will impact the financial result and cash position for FY24. | Maintain a cash balance large enough that Council will be able to continue providing services until the FY24 grant payments are received. Maintain forecasting and prepare to be flexible in how Council operates. | This risk has materialized in FY23. There remains material uncertainty over the FAG timing and amount for FY24, however council has sufficient funds on hand to adapt to any short-term shortfall. |
| Project related grant income is not realized. Reputational damage with funding bodies. | If projects are not completed within the timeframes according to the grant conditions, grant income may not be realized in FY24. | Improve project reporting and risk assessments. Improve cross-functional communications across project teams, grant administration and procurement. | Likelihood – Possible Consequence – Major (capital grant income is a significant part of Council's ability to fund capex) Rating – High |
| Costs continue to increase rapidly placing pressure on Council's ability to sustainably provide services. | The cost of wages, goods and services, particularly construction materials continue to increase at a higher rate than previously experienced, increasing the cost of providing services and maintaining assets. | Prioritise services and projects to allocate limited resources to the most important community areas. Maintain reporting and forecasting to identify issues and where necessary, revise budgets. | Likelihood – Almost certain Consequence – Moderate Rating - High |

(Res-2023-11-293)

Moved Cr Bignell seconded Cr Hatch

That Council receives the report of the Audit and Risk Committee meeting held on 13 October 2023.

CARRIED 6/0

Officer Comment

Responsible Officer: *David Wilson, Chief Financial Officer*

Background:

The Audit and Risk Committee met on 13 December 2023. The Chief Executive Officer must deliver a report to Council on the matters reviewed at the meeting and the Committee's recommendation.

12. FINANCE REPORT

12.2 - Audit and Risk Committee Report 13 December 2023

Issue:

The following report summarises the key matters discussed at the Committee meeting.

1. **External auditor report** – noted the unmodified audit report for the 2023 financial statements and that the Local Government 2023 report will be tabled in 2024.
2. **Internal auditor report** – presented the findings of the audit of the rates function. Overall rates are managed well and some improvement recommendations were made. The recommendations will form an improvement work program in 2024. The next area of focus will be payroll and the implementation of the new EBA.
3. **Quarterly focus, Committee self-assessment** – the Committee discussed its performance over the year using the self-assessment questionnaire designed by Queensland Treasury. A few improvement items were noted and will form an improvement work program in 2024.
4. **Report on Committee membership and renewal** – with the Independent Member's term ending in April 2024 and the council elections in March 2024, a schedule has been prepared to ensure that the Committee is able to form in preparation of the 2024 audit program. The schedule is noted below.

| Date | Description | Responsibility |
|-----------|---|----------------|
| 19 FEB 24 | Send out Request For Quote (RFQ) for External Member | CFO |
| 14 MAR 24 | RFQ closes and applicants are evaluated to make a recommendation to Council | CFO |
| 16 MAR 24 | Council Election Day | |
| 28 MAR 24 | First Post-Election Council Meeting | Council |
| 28 MAR 24 | Council appoints External Member and Councillors to Committee | Council |
| 16 APR 24 | Committee induction and review of first Committee agenda (if required) | CFO |
| 17 APR 24 | First Committee Meeting | Chair/CFO |

5. **Report on implementation of audit issues** – report was noted.
6. **Risk Management** – report was noted.
7. **Schedule** – next meeting to be held on 17 April 9am at the Longreach Council Chambers.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Nil risk, for information purposes only.

Environmental Management Factors:

Not applicable

Other Comments:

Not applicable

Recommendation:

That Council receives the report of the Audit and Risk Committee meeting held on 13 December 2023.

12. FINANCE REPORT
12.3 - Quarterly Budget Review

12.3 Quarterly Budget Review

Budget review and proposed adjustments to the budget for the 2024 financial year (FY24).

Council Action

Deliver

Applicable Legislation

Local Government Act 2009

Local Government Regulation 2012

Policy Considerations

Nil

Corporate and Operational Plan Considerations

| OUR SERVICES | |
|--------------|---|

| 3.2 | Sustainable infrastructure and services that represent value for money, are environmentally responsible, and are responsive to community needs. |
| OUR FINANCES | |
| | Corporate Plan Outcome |
| 4.1 | Improved financial performance and strategic financial management. |

Budget Considerations

An adjustment to the budget for the 2024 financial year as presented.

Previous Council Resolutions related to this Matter

Nil

Officer Comment

Responsible Officer: *David Wilson, Chief Financial Officer*

Background:

The budget for FY24 was adopted by Council on 22 June 2023. Since the adoption, new information has been obtained and assessed to determine their materiality to the budget.

Issue:

Since the September budget review, the following budget adjustments have been identified and an adjustment requested:

- 1) Approval of the capital expenditure (\$40k) required to rectify issues with the septic system at the Isisford Showground.
- 2) Additional \$100k to install a hard shade structure at Lioness Park to replace the damaged shade sail.
- 3) Additional \$120k to replace the pump at Fairmount Weir.
- 4) Adding the \$100k approved in November for initial project costs to relocate the Ilfracombe Post Office to the Ilfracombe Council Office.

12. FINANCE REPORT

12.3 - Quarterly Budget Review

Scenarios for the FY24 budget

The experience at the end of FY23 illustrates how uncertain the timing and amount of the Financial Assistance Grant is for FY24. The budget assumes that a proportion of the FY25 Financial Assistance Grant will again be prepaid and received by council in June 2024. However, if the prepayment is not received, this will have a significant impact on the closing cash balance and financial results for the year. The revised budget illustrates the impact if the prepayment is not received.

Until greater certainty is obtained around the prepayment, council officers recommend that council continues to assess and plan for the risks presented by this issue.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Possible
Consequence: Moderate
Rating: Medium

Council has robust controls and procedures in place to monitor and treat its financial risks. The budget review items presented do not create any material change to council's risk profile. The key material risk remains the reliance on external grant funding.

Environmental Management Factors:

Nil

Other Comments:

Nil

Appendices

1. December 23 Budget Review [↓](#)

Recommendation:

That Council approves the variations to the FY24 budget, as presented.

Officer Comment

Responsible Officer/s: *David Wilson, Chief Financial Officer*

Background:

Officers are requested to provide an information update to Council on a monthly basis to outline achievements, challenges and statistical information for the various functional areas in Council.

Issue:

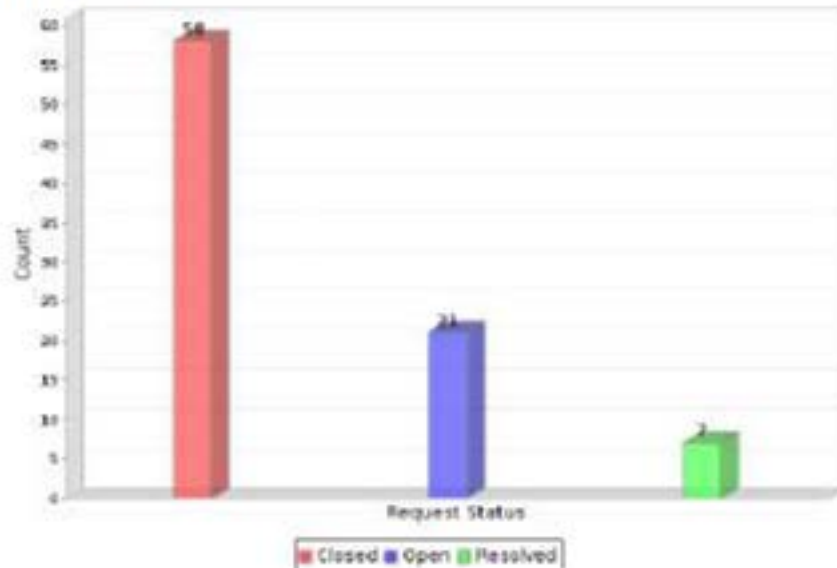

Innovation and Business Improvement

Throughout December the Innovation and Business Improvement Team completed the Request for Quote process for the Azure Migration & Microsoft 365 Project scheduled to commence in early 2024. Council received a number of submissions which were assessed prior to the break, however, not awarded until Officers completes due diligence with

12. FINANCE REPORT
12.4 - Information Report - Finance

reference checking of the potential new providers. It's key to note, the current ICT provider didn't not submit a proposal as part of this request for quote process.

Overall December has been a busy month for the team with 86 requests logged in the month. Of the 86 requests logged, 65 requests were completed, 21 requests remain open and 1 on hold in the helpdesk system:

Public Wi-Fi Usage

Throughout December the public Wi-Fi network supplied by Council in Eagle Street and Apex Park saw an average of 211 users per day connect to the network with 825 unique people over this period, for a total use of 903.01GB of data.

Procurement

| Purchasing Thresholds for Purchase Orders YTD | | | |
|--|-------------|-------------------------|------------------------|
| Order Value | Amount | Order Value | Value Invoiced |
| \$100 Under | 155 | \$ 8,599.64 | \$ 6,039.99 |
| \$101-\$5,000 | 1126 | \$ 972,878.84 | \$ 815,635.93 |
| \$5,001 - Under \$15,000 | 291 | \$ 1,900,962.34 | \$ 1,553,220.61 |
| \$15,001 - under \$200,000 | 154 | \$ 6,601,078.84 | \$ 4,527,266.55 |
| \$200,000 or more | 13 | \$ 8,039,540.82 | \$ 3,517,568.39 |
| Total | 1739 | \$ 17,523,060.48 | \$10,419,731.47 |

The table above shows the number of payments made by purchasing threshold outlined in the procurement policy for 2023/24 financial year and the total amount spent in each threshold.

12. FINANCE REPORT

12.4 - Information Report - Finance

Asset Management

In the month of December, we carried out testing of the new Asset Management Software package. We are confirming all data and creating plans for all assets and have been working with Pinnacle to implement the first stage of the Asset System. Building & Communities will be going live on the 29th January followed by Water & Sewerage, then roads.

Proterra Group has completed their onsite inspections of our water & sewerage network. The written reports have now all been received on the 21st December. The reports will be reviewed in January 2024. There were only two issues identified (Observation only). The capping on the minor tributary weirs (Thomson River Weir) were loose and will need to be monitored. The Fairmont Weir did have some areas of cracking at the back of the weir that was opening up but was not of concern and to continue monitoring.

We have put on hold the desktop review of the Sewerage Treatment Plant opportunities. All efforts are being focused on the Asset Management Software System and its implementation.

Future works & projects

- Stocktake of all plant & equipment (Due by Mar 2024)
- Road Network - assets Inspection and condition reports (Due June 2024)
- Grid Network - assets Inspection and condition reports (Due June 2024)
- Stormwater works – Priority 2 works costing for budget consideration 24/25

Responsible Officer: Abby Lewis, Customer Service Coordinator

Authorised by: Karyn Stillwell, Director of Communities

Background:

Longreach Regional Council Community Donations program:

- Enhances the community's resilience, wellbeing, sustainability and liveability
- Contributes to vibrant and engaged communities
- Provides community organisations with financial support to meet identified community need and provides benefit to the broader Longreach region communities
- Achieves Council's strategic objectives, as identified in the Corporate Plan.

The aim of programme is to:

- Develop the capacity and sustainability of organisations or innovative programs to meet the needs of members and the community
- Support individuals representing the region by performing, competing or presenting at district, state, national or international competitions, conference or events.
- Support the acquisition or upgrading of facilities and equipment (excluding personal use items).
- Provide donations towards services that deliver improved community services to the Council region.
- Deliver programs and events to engage and entertain a vast variety of community members within the Longreach Regional Council Region.

Community Donations (financial and in-kind support) are offered each financial year. Each Community Group is eligible to apply for a maximum of \$5,000 per financial year. All applications will be assessed against eligibility and assessment criteria as stated in this Policy and the Program Guidelines.

13. COMMUNITIES REPORT

13.1 - Community Donations - Longreach Junior Rugby League

Issue:

Longreach Junior Rugby League

| Matt Scott Outback Carnival | |
|---|-----|
| <i>Has the Community group applied for funds in the past?</i> | Yes |
| <i>Has the Community Group applied for funds within the 23/24 Financial Year?</i> | No |
| <i>Does the Community Group have any outstanding acquittals?</i> | No |
| <i>Has the event/ project been previously funded by Council?</i> | Yes |

The Longreach Junior Rugby League club are seeking funding to deliver the Matt Scott Outback Carnival. The carnival will be held on Saturday 6 April 2024 at the Longreach Showgrounds. Each year the carnival attracts between 400 and 500 players, spectators and coaches, including 10 teams that nominate. Individuals come from across all areas of the region from as far as Mount Isa to Rockhampton and everywhere in between. The Matt Scott Outback Carnival is in its fourth consecutive year running, and Matt Scott himself will be attending the carnival. The purpose of the carnival is to promote junior football in the outback at a grassroots level, as well as showcasing the skills and talents of our up and coming rugby league players. This carnival is a great opportunity for the younger generation to take part in team activities, meet like-minded football players and stay active.

The travelling teams have appreciated Council's hospitality in previous years by allowing them to camp at the Showgrounds in self-contained vans/campers, as well as the Arts and Crafts Pavilion. By allowing teams to stay on site, this also means they can spend more money, with local businesses to enhance our local economy.

The total grant recommended of \$5,000.00 financial will go towards the cost of:

- equipment from the locals at Longreach Event Hire;
- printing of programs for game day;
- trophies;
- uniforms and merchandise.

The total of In-Kind support recommended of \$2,291.80 will go towards the cost of:

- Hire of the whole Showgrounds facility and camping for visiting teams.

The application was reviewed by a panel and scored against the criteria of the Longreach Regional Council's Community Donations Assessment Guidelines. The result was to support the Longreach Junior Rugby League to the value of 100%. All supporting documentation was supplied with their application.

On Friday 16 and Saturday 17 February 2024 the Longreach Ilfracombe Tigers will host their annual 2024 Rugby League 9s carnival at the Longreach Showgrounds. This carnival was originally organised in 1996 and was held in memory of Jarrod Moore, a talented rugby league star from the Central West area.

This carnival has become an increasingly popular event across and attracts numerous teams from as far as Brisbane, Townsville and Rockhampton. This event provides the Longreach Region with a wonderful opportunity to promote not only the game of rugby league and showcase the town, but also to deliver a fantastic community event.

Last year the carnival hosted 12 men's teams and 4 ladies teams, along with the town fluctuation with accommodation bookings, food outlets and increased main street activity with more than 500 locals and visitors in the Region. The committee engage with local community groups to deliver catering, bar and gate minding on the day. All groups involved make a great profit from the carnival. The travelling teams have appreciated Council's hospitality in previous years by allowing them to camp at the Showgrounds in self-contained vans/campers, as well as the Arts and Crafts Pavilion. By allowing teams to stay on site also means they can spend more money within the Community and contributing to our local economy.

The total grant recommended of \$5,000.00 financial will go towards the cost of:

13. COMMUNITIES REPORT
13.3 - Sponsorship - GroWQ Association

Authorised by: *Karyn Stillwell, Director of Communities*

GroWQ Association are holding an Ag Ball on Saturday 20 April 2024 at the Drivers Place at the Longreach Stockman’s Hall of Fame. It will be an elegant black-tie event celebrating the triumphs of Western Queensland producers who supply vital protein to national and global markets. In a meaningful partnership with Outback Futures, the ball aims to contribute to the specific outcomes they aspire to achieve in the Longreach Region. Throughout an engaging auction during the event, funds will be raised for Outback Futures’ Longreach Project. The event is tailored to address the unique needs of the Community, aligns with our vision of building a prosperous and resilient future for Western Queensland and making a positive impact on the very essence of our Community.

The application was reviewed by a panel and scored against the criteria of the Longreach Regional Council’s Sponsorship Assessment Guidelines. The main costs that the organisers want financial assistance for are for the entertainment (band hire, accommodation, and flights) and the costs of venue hire. There are also costs associated with equipment hire. The panel felt that contributing to equipment hire would be an appropriate use of sponsorship funds, as well as supporting a local business to help deliver events. There are also very limited funds in the Sponsorship budget for the rest of the financial year, and there are still multiple requests coming through. The recommendation is to support GroWQ to the value of just over 50% of the amount requested.

The total grant recommended of \$5,175.50 financial will go towards the cost of:

- equipment hire from Longreach Event Hire (local business);

| Grant Requested | Grant Recommended |
|------------------------------|--------------------------|
| Financial \$10,000.00 | [REDACTED] |

13. COMMUNITIES REPORT
13.4 - Sponsorship - Longreach Show Society

Responsible Officer: Abby Lewis, Customer Service Coordinator

Authorised by: Karyn Stillwell, Director of Communities

On Friday 24 May 2024 the annual Longreach Show will be taking place at the Longreach Showgrounds. The Longreach Show has been a highlight on the local calendar for more than 125 years. Not only does the show attract locals from our regional but tourist from across the region.

The Show provides a mix of exhibition, competition, festivities, arts and culture, entertainment and information to the Longreach Community and broader Central West region. Families and competitors from across the region, as well as competitors that compete in the Central West Show Circuit attend the Longreach Show. With this event comes a significant number of visitors to town who stay in motels, support local businesses and provide a notable economic boost to the region.

The application was reviewed by a panel and scored against the criteria of the Longreach Regional Council's Sponsorship Assessment Guidelines. Organisers have asked for \$10k towards all of their costs including those for entertainment. The panel felt that contributing to equipment hire would be an appropriate use of sponsorship funds, as well as supporting a local business to help deliver events. Council is also aware that there is a substantial cleaning process required after the show and investing in this space helps Council and future venue hirers. There are very limited funds in the Sponsorship budget for the rest of the financial year, and multiple requests are still coming through. The panel's view was to support the Longreach Show Society to the value of 45%.

The total grant recommended of \$7,312.00 financial will go towards the cost of:

- Equipment hire from the locals at Longreach Event Hire;
- Cleaning Services for the Longreach Showgrounds.

The total In-Kind support recommended of \$266.00 will go towards the cost of:

- 20 wheelie bins

13. COMMUNITIES REPORT

13.5 - Queensland Connects - Disaster Resilience Programme

13.5 Queensland Connects - Disaster Resilience Programme

A report on the Queensland Connects project for Council information.

Responsible Officer/s:

Karyn Stillwell – Director of Communities

Background

Longreach Regional Council has been part of the [Queensland Connects](#) project since July 2023. Funding and support for this round of the program (Cohort 4) was secured through:

- Disaster Recovery Funding Arrangements (DRFA) - with a focus on helping areas across Queensland become more resilient.
- Advance Queensland - the Queensland Government's innovation initiative to drive a more diversified Queensland economy, strengthen regional growth, and create jobs. To date it has delivered more than 140 programs and activities supporting more than 29,000 and leveraged \$1 billion in funds from external partners and investors. Queensland Connects is part of Regional Futures initiative.

The program uses the Massachusetts Institute of Technology (USA) Regional Entrepreneurship Acceleration Program (REAP) [framework and resources](#) to bring together teams of influential people to define a 'Must Win Battle' – something that will shift the dial on a local or sector challenge/opportunity and drive opportunities, jobs and investment.

Over about 18 months, Queensland Connects provides a unique opportunity for stakeholders to work together to build on existing understanding of disaster risks and explore innovative solutions to some of the highest priority, enduring or complex challenges facing Queensland. It focuses on enhancing disaster resilience capacity and capabilities for the future, with particular focus in regions or sectors where the intensity of disaster events is increasing, and capabilities are being stretched.

In the longer term, the solutions devised may also help create new growth, high value jobs, and global commercial opportunities as Queensland grows and shares its disaster resilience capabilities – converting a vulnerability into a strength. The delivery partner for the program is Queensland University of Technology (QUT) and it is led by Professor Rowena Barrett, Pro Vice Chancellor Entrepreneurship. The programme is in partnership and collaboration with Councils (such as Longreach) who had an 'Activated' status due to the 2022 major flooding events.

The focus areas for the teams include:

- **Team 1 - Extreme heat**, include **fire, drought** and heatwaves which are the biggest killers and becoming more extreme;
- **Team 2 - Flood/inundation** and cyclone preparation including mitigation, preparation and technology opportunities;

13. COMMUNITIES REPORT

13.5 - Queensland Connects - Disaster Resilience Programme

- **Team 3 - Connectivity** risk and opportunities which represent a significant area of underinvestment and regional vulnerability;
- **Team 4 - Urban environment opportunities** (both grey and green infrastructure) to enable Queensland to host a resilient Olympics;
- **Team 5 - Building community capacity** through data, technology, and other innovation initiatives with a focus on supporting regional, remote and First Nations areas that have lower capacity and/or been affected by successive events; and
- **Team 6 - Innovative communications** to raise resilience and risk awareness in communities to empower decision-making and preparation (including communications tools/tech, supporting transient/tourism populations, citizen science options).

Innovative Communications Team

Longreach Regional Council (through its Director of Communities) is part of Team 6 – Innovative Communications. The team comprises representatives from the following organisations:

- Longreach Regional Council
- Queensland University of Technology – Business School
- Queensland Police Service
- BECA (a large independent advisory, design and engineering consultancy)
- ANZ bank
- Department of Treaty, Aboriginal and Torres Strait Islander Partnerships, Communities, and the Arts
- University of Queensland – Business School
- Peak Services
- Department of Tourism, Innovation and Sport
- Queensland Reconstruction Authority

The team is collaborating with [QIT Plus](#) (who manage Council’s Disaster Dashboard) and [Frankly AI](#), and the initial project scope is limited to the regional and remote areas of Queensland, with Longreach as the pilot site.

The ‘Must win battle’ that the Innovative Communications team are working on is the identified problem of some communities of interest (e.g. tourists, itinerant populations) not engaging with existing messaging channels, and the lack of two-way communication with communities about disaster preparedness. The Team has created the ‘STIC’ project (Safe, Together, Informed, Connected), which seeks to address the underestimation, normalisation, and desensitisation of risk, and the lack of personal responsibility for one’s own safety and the safety of others during disasters.

Survey findings

In order to understand the issue further, a short (unacademic) survey was undertaken in Longreach during the 2023 tourist season. Hardcopies of the survey were available at the VIC, Longreach Library, local caravan parks and also posters with a QR code were also put up (including in public conveniences). The QR code led people to a version of the survey on the FranklyAI platform, so we could see how the technology responded to real life

13. COMMUNITIES REPORT

13.5 - Queensland Connects - Disaster Resilience Programme

survey participant's feedback and questions. The survey was open for 2 weeks and 63 responses were received.

Findings included the following:

| | |
|---|---|
| On a scale of 1 to 10, how would you characterise your knowledge of risk associated with natural hazards in the area? | 5.66 - average result across all respondents |
| On a scale of 1 to 10, how well prepared do you feel for any natural disasters you might encounter on your journey? | 5.99 - average result across all respondents |
| What is your preferred source for information to learn how to prepare for natural disasters? | 63% SMS/text message 44% Radio 28% Apps 28% Television 28% Personal observation |
| What do you think are some specific natural disaster events that could occur in the Longreach Region? | 70% Bushfire 60% Floods 17% Heatwave |

STIC – 'Safe, Together, Informed, Connected'

The Team analysed the survey results and subsequently created the 'STIC' project (Safe, Together, Informed, Connected), which seeks to address the underestimation, normalisation, and desensitisation of risk, and the lack of personal responsibility for one's own safety and the safety of others during disasters. The use of Artificial Intelligence (AI) technology has been investigated as a way to revolutionize disaster and emergency communications by providing real-time data analysis, predictive modelling and 'push notifications' around hazards.

STIC is looking to create a suite of communication resources aiming to overcome this problem with:

- a user-friendly and interactive platform that enables users to access and share information
- provide push notification alerts and pathways to resources
- provides support in real time
- a two-way, effective and engaging disaster communications solution

The project aims to:

- Improve the awareness and resilience of individuals and communities in regional and remote areas of Queensland to disaster risks and impacts
- Build the capacity and capability of regional and remote Local Disaster Management Groups (LDMGs) to effectively communicate and build resilience
- Make the disaster dashboard the go-to place for every tourist and resident in regional and remote areas of Queensland for disaster information and advice
- Increase the interaction and engagement of targeted groups (e.g. tourists, itinerant population, youth) with disaster preparedness and response messaging

13. COMMUNITIES REPORT

13.5 - Queensland Connects - Disaster Resilience Programme

- Reduce the deaths and injuries due to avoidable accidents or people being caught out during disasters
- Reduce the reliance on local and state services and resources during disasters
- Empower people to make better informed decisions and take greater personal responsibility for their own safety and the safety of others during disasters

Initiatives that are being worked on include:

| | |
|--|--|
| <p>Chatbots: can be used to provide real-time information to people affected by a disaster, such as evacuation orders, shelter locations, and emergency contact numbers</p> | <p>The STIC project will look at how a chatbot (in the form of FranklyAI) could be part of the Longreach Disaster Dashboard. This would be in the form of a 'conversational agent' that answers basic questions from the community and allows council staff to focus on other tasks.</p> |
| <p>Predictive modelling/analysis: AI can be used to analyse data from various sources, such as social media, weather reports, and satellite imagery, to predict the likelihood and severity of a disaster</p> | <p>The chatbot will have access to all information provided by government. It is important to note that the chatbot will source information from the existing trusted government sources (which appears on through the current disaster dashboard).</p> |
| <p>Opt in 'pop up' roaming notifications</p> | <p>The project is looking at creating an app which provides opt in 'pop up notifications' for tourists that give links to the local disaster dashboard (and therefore up-to-date weather, road, bushfire warnings etc for the region they are travelling through.</p> |

In addition to these examples, AI can also be used to improve the coordination of disaster response efforts, streamline communication between emergency responders, government agencies, and affected populations, and allocate resources more efficiently. However, it's important to note that AI is not a panacea and has its limitations. For example, AI models can be biased, and their predictions may not always be accurate. Time spent refining the programming, and customisation of the technology to the local environment is crucial. The project allows for testing and tailoring of FranklyAI's responses for the Longreach Region.

It is expected that the results of this project will be of significant interest to Councils and disaster preparedness agencies and experts across Australia. The project team includes the Queensland Police Service team (who are responsible for leading disaster management and communications for Queensland) and the Queensland Reconstruction Authority.

13. COMMUNITIES REPORT

13.5 - Queensland Connects - Disaster Resilience Programme

Scope

The scope of the STIC project includes the following activities and deliverables:

- Conducting an in-depth, academically robust research project during the peak tourist season in Longreach to further understand the personas and motivations of travellers, and to confirm what we think we know about where tourists look for information and how they behave during disasters
- Creating visibility and recognition around the disaster dashboard by travellers and residents through consistent signage on roadside, at accommodation/petrol stations, council shirts, local businesses, etc.
- Integrating the conversational AI online engagement platform (called Frankly AI) with the disaster dashboard to enable natural language inputs, data analytics, and automated outputs
- Developing a communication and marketing plan and a stakeholder engagement plan to promote the project and its outcomes to the target audiences and partners
- Engaging with youth through social media and other channels to change behaviour in households and families regarding disaster preparedness and response
- Exploring the feasibility and desirability of introducing roaming alerts and opt-in notifications for travellers and residents in regional and remote areas of Queensland
- Conducting sentiment analysis and data mining of social media and other sources to understand the perceptions and attitudes of the target groups towards disaster risks and impacts
- Evaluating the project outcomes and impacts using the agreed outcome measures and indicators

Methodology

The project focuses on Longreach visitor disaster preparedness. The goal is to evaluate how well-prepared tourists in the outback town of Longreach are for potential disasters such as bushfires, floods, or heatwaves. In collaboration with Longreach Regional Council, the project will gather valuable information on how visitors access disaster event details using both traditional survey methods (pen and paper) and a novel approach that leverages conversational AI technology and advanced data analytics. FranklyAI is an online AI software tool that will employ a chatbot to engage with participants and collect data efficiently.

The Concept Testing aspect of this project will compare FranklyAI's performance against conventional survey and reporting methods. By assessing the effectiveness of both approaches, the group will aim to establish a robust baseline dataset for tourist perceptions of disaster risk in Longreach. Simultaneously, the group will evaluate the potential benefits of using online conversational AI tools in disaster management. This innovative project will also explore FranklyAI's advanced data analytics capabilities, including customisable interactive dashboards. Throughout the project, the project will maintain focus on data privacy and security and address any risks during the concept testing.

Looking to the future, FranklyAI's multilingual functionality offers improved engagement opportunities with culturally and linguistically diverse communities which may lead to

13. COMMUNITIES REPORT

13.5 - Queensland Connects - Disaster Resilience Programme

richer insights across a broader spectrum of communities. With this pioneering project, the group is hoping to break new ground in the way that conversational AI engagement tools may be employed for disaster management within Queensland

Budget

At this stage there is no cost to Longreach Regional Council, except some in-kind resources. Teams in the Queensland Connects programme have access to \$50k of grant funds in order to work on their proof of concept and initial research. Once the application is approved, the Director of Communities (LRC) will manage the funds and resources to ensure the following project tasks are delivered:

- Re-programming of FranklyAI to reflect the agreed survey questions, generation of production material. i.e. QR Codes to chat environment, weblinks to useful information, code to embed chatbot into external websites.
- Iterations of the "chatbot" with FranklyAI development team and Longreach Regional Council in readiness for production environment.
- On-going technical support to Longreach Regional Council staff through the data collection phase.
- Preparation of sample automated survey result dashboards from input collected using FranklyAI software.
- Employment of Research Assistants (To engage target audience, conduct the surveys and collate research findings)
- Project management (utilising BECA project management services, administration, stakeholder engagement, day to day co-ordination, internal reporting and deliver final reporting to grant provider).

Reporting

Progress on this project will be reported back to Council through the monthly Communities report as required.

Officer Comment

Responsible Officer/s: *Elissa Balke, Childcare Services Director*

Background:

Childcare Services currently use one overarching Childcare Centre Policy and several Management Directives. All Management Directives are overdue for review.

Issue:

At a recent visit by the Education Department, Council was advised that the Management Directives were not clear enough and that they would like to see the Centre using policies rather than Management Directives.

Some research was done investigating what other centres have done in situations such as opening brand new centres when they have had to start from scratch with their policies. A company, Childcare Centre Desktop, was identified as a common theme. Their aim is to support childcare services in remote and regional areas, focusing on providing affordable, easy-to-access resources that save time, assist with compliance and relieve stress for Childcare Management teams. Their policies are written with reference and consideration to the legislative requirements under the National Education and Care National Law and Regulations, the National Quality Standard and approved learning frameworks.

13. COMMUNITIES REPORT

13.6 - Childcare - Sleep and Rest Policy

Additionally, policies are written to assist services in meeting requirements for other laws, including Family Assistance Law and Child Protection and child wellbeing legislation.

All Policies are first in draft format so that they can be easily amended to match the service's culture, style and state by state specifications. Childcare Centre Desktop reviews and updates their policy drafts annually or when regulation changes are applied. The service is required to thoroughly read and amend each policy so that each document is aligned to our services and Council's unique context and operation. All childcare centre staff will be involved in the amendment of each policy before it is taken to Council. Parents will then be informed of the new policies as they are adopted and from then on, will also be involved in the review of these policies.

Given that this would be an extremely lengthy process changing every single Management Directive over to Policies, the plan is to aim for a 14-month policy project timeframe so that by the end of 2024, all policies will be live documents. Doing so over a period of time will allow ELT/Councillors to review and approve several policies at a time at each Council meeting between September 2023 and December 2024. The most important policies will be first and the others will follow in order of importance.

In order to ensure good governance and decision-making, policies should be subject to ongoing review and be evaluated for their effectiveness during implementation. Pursuant to the *Local Government Act 2009*, policy development is specifically referred to as follows:

Section 12(3)(c) All Councillors have the following responsibilities – "...participating in council meetings, policy development, and decision-making, for the benefit of the local government area;"

In general terms, policies require review due to either legislative change, changes to policy itself, or because of differing circumstances requiring a change to policy.

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

| | |
|--------------|--------------|
| Likelihood: | Unlikely |
| Consequence: | Catastrophic |
| Rating: | High (19/25) |

Council is committed to good governance and has a minimal risk appetite for significant breaches of our legal obligations. It is extremely important that the Sleep and Rest Policy is current.

Environmental Management Factors:

N/A

Other Comments:

13. COMMUNITIES REPORT
13.6 - Childcare - Sleep and Rest Policy

A detailed review of the policy has been undertaken to ensure it aligns with current business practices.

A copy of the new policy is attached for consideration.

Appendices

1. Sleep and Rest Policy [↓](#)

Recommendations:

That Council adopts the new Childcare - Sleep and Rest Policy, as presented.

PURPOSE

The *Education and Care Services National Regulations* requires approved providers and nominated supervisors to ensure their services have policies and procedures in place for children’s sleep and rest having regard to the ages, developmental stages and individual needs of the children. The Longreach Childcare Services’ *Sleep and Rest Policy* will assist management, educators and other staff to ensure that all children have appropriate opportunities to sleep, rest and relax in accordance with their individual needs whilst attending the service.

Our Service will ensure that all children have appropriate opportunities to sleep, rest and relax in accordance with their individual needs. The risk of Sudden Infant Death Syndrome (SIDS) for infants will be minimised by following practices and guidelines set out by the national authority on safe sleeping practice for infants and children- Red Nose (formerly SIDS and Kids). Our policy sets out quality practice and is informed by recognised and evidence-based principles. Safe Sleep practices are informed by Red Nose and guidance from ACEQCA.

SCOPE

This policy applies to children, families, educators, staff, management, approved provider, nominated supervisor, students, volunteers and visitors of the Service.

LEGISLATION

Education and Care Services National Law Act 2010. (Amended 2023)

Education and Care Services National Regulations. (Amended 2023)

DEFINITIONS

Department of Education - Early Childhood Education and Care (ECEC) – Regulatory Authority responsible for the approval, monitoring and quality assessment of services in their jurisdiction in accordance with the national legislative framework and in relation to the National Quality Standard.

Educator – early childhood or school age practitioner who works directly with children in early childhood or school age care settings.

National Quality Framework (NQF) – provides a national approach to regulation, assessment and quality improvement for early childhood education and care and outside school hours care services across Australia.

National Quality Standard (NQS) – sets a high national benchmark for early childhood education and care and outside school hours care services in Australia. The NQS includes seven quality areas that are important outcomes for children. Services are assessed and rated by their regulatory authority against the NQS, and given a rating for each of the 7 quality areas and an overall rating based on these results.

Parents/Guardians – a person who has parental responsibility for the child.

Staff – employee of Longreach Regional Council based at the Longreach Childcare Centre.

Nominated Supervisor – a person with responsibility for the day to day management of an approved service.

Leadership Team – an internal group of leaders within the Childcare Centre comprising of the Childcare Services Director, the Childcare Services Assistant Director and the Staff Engagement and Development Officer.

Sudden and Unexpected Death in Infancy (SUDI) – A broad term used to describe the sudden and unexpected death of a baby for which the cause is not immediately obvious – (SIDS or Fatal sleeping accident)

Sudden Infant Death Syndrome (SIDS) – the sudden and unexpected death of an infant under one year of age with an onset of a fatal episode occurring during sleep, that remains unexplained after a thorough investigation including performance of a complete autopsy and review of the circumstances of death and the clinical history.

Red Nose – Australia’s leading authority on safe sleep and safe pregnancy advice.

Infant – A young child between the ages of birth and 12 months.

Rest – A period of inactivity solitude, calmness or tranquility and can include a child being in a state of sleep.

Relaxation – Relaxation or other activity for bringing about a feeling of calm in your body and mind.

POLICY STATEMENT

All children have individual sleep and rest requirements. Our objective is to meet each child’s need for sleep, rest and relaxation by providing a comfortable, relaxing and safe space to enable their bodies to rest. This environment will also be well supervised ensuring all children feel secure and safe at our Service.

DUTY OF CARE

We have a duty of care to ensure children are provided with a high level of safety when sleeping and resting and every reasonable precaution is taken to protect them from harm and hazard. In meeting the Service's duty of care, it is a requirement that all educators implement and adhere to this policy and associated procedures to ensure we respect and cater for each child's specific needs and ensure all risks are appropriately addressed at all times.

POLICY

'Children have different sleep, rest and relaxation needs. Children of the same age can have different sleep patterns that Nominated Supervisors and educators need to consider within the Service. As per Standard 2.1 (Element 2.1.1) of the National Quality Standard, each child's comfort must be provided for and there must be appropriate opportunities to meet each child's sleep, rest and relaxation needs.' (ACECQA).

Longreach Childcare Services defines 'rest' as a period of inactivity, solitude, calmness, or tranquillity, and can include a child being in a state of sleep. Considering the busy and energetic nature of children's day, we feel that it is important for children to participate in a quiet/rest period during the day in order to rest, relax, and recharge their body. Effective rest strategies are important factors in ensuring a child feels secure and safe in an early childhood environment.

Our Service will consult with families about their child's individual needs, ensuring all parties are aware of the different values, cultural, and parenting beliefs and practices, or opinions associated with sleep requirements.

Sleep and Rest Specific Risk Assessment

The Nominated Supervisor, in conjunction with Educators of the Service, will conduct a comprehensive risk assessment in order to identify any potential risk/s or hazards and ensure the safety of all children during sleep and rest. The risk assessment will be reviewed at least annually or after being aware of an incident or circumstance where the health, safety or wellbeing of children may be compromised during sleep or rest.

All risk assessments will be regularly assessed and evaluated as to facilitate continuous improvement in our Service. If a risk concerning a child's safety during sleep and rest is identified during the risk assessment, the Nominated Supervisor must update the *Sleep and Rest Policy* and procedure as soon as possible. The risk assessment must be stored safely and securely and kept for a period of 3 years.

Our risk assessment will consider and include the following information:

- a) the number, age, developmental stages and individual needs of children
- b) the sleep and rest needs of individual children being educated and cared for (including specific health care needs, cultural preferences, sleep and rest needs of individual children and requests from families about a child's sleep and rest)
- c) the suitability of staffing arrangements to adequately supervise and monitor children during sleep and rest periods

- d) the level of knowledge and training of staff supervising children during sleep and rest periods
- e) the location of sleep and rest areas, including the arrangement of cots and beds within the sleep and rest areas
- f) the safety and suitability of any cots, beds and bedding equipment, having regard to the ages and developmental stages of the children who will use the cots, bed and bedding equipment
- g) any potential hazards
 - 1) in sleep and rest areas
 - 2) on a child during sleep and rest periods (such as jewellery, clothing)
- h) the physical safety and suitability of sleep and rest environments (including temperature, lighting and ventilation)

Bassinets

Effective 1 October 2023, approved providers and nominated supervisors must ensure bassinets are not kept on the education and care service premises. (Regulation 84D). There are no Australian Standards for bassinets and risks include the bassinet tipping over or suffocation. All staff and educators will be made aware of this regulation and policy as part of their induction process. Our Service will ensure no bassinets are used or stored within the service. Families will be informed children will not be accepted into care in a bassinet and under no circumstances will a bassinet be permitted to remain on the premises.

Maintenance of Cots/Bedding

Regular maintenance of cots and other bedding must be made to ensure there is no hazard posed to babies or children. This may include:

- a) all equipment and furniture used are safe, clean and in good repair (Reg. 103, 105)
- b) sleep surfaces are checked for firmness in accordance to Australian Standard AS/NZS 8811:1:2013
- c) spaces between bars and mattress sides are as per regulations/guidelines (not more than 25mm apart)
- d) spaces do not pose any danger to children- arm and leg traps/finger traps
- e) ensuring there are no choking hazards- cords, strings, bunting
- f) checking all bolts and screws are tight
- g) cots are not painted with any paint that contains lead
- h) paint work of cots is not chipped when babies are teething
- i) there are no toys, bumpers or other objects in the cot that could cause suffocation
- j) ensure there are no sharp edges
- k) ensure the cots have high sides- from top of mattress to top side of cot should be at least 500mm
- l) stay up to date with banned/recalled products and remove these immediately from the service if required.

Babies and Toddlers

Recommendations sourced from ACECQA and Red Nose:

- a) babies should always be placed on their back to sleep when first being settled. Once a baby has been observed to repeatedly roll from back to front and back again on their own, they can be left to find their own preferred sleep or rest position (this is usually around 5–6 months of age). Babies aged younger than 5–6 months, and who have not been observed to repeatedly roll from back to front and back again on their own, should be re-positioned onto their back when they roll onto their front or side.
- b) if a medical condition exists that prevents a baby from being placed on their back, the alternative practice should be confirmed in writing with the Service, by the child's medical practitioner.
- c) babies over four months of age can generally turn over in a cot but may not always be able to roll back again. When a baby is placed to sleep, Educators should check that any bedding is tucked in securely and is not loose. Babies of this age may be placed in a safe baby sleeping bag (i.e., with fitted neck and arm holes, but no hood). At no time should a baby's face or head be covered (i.e., with linen). To prevent a baby from wriggling down under bed linen, they should be positioned with their feet at the bottom of the cot.
- d) ensure any bed linen is securely tucked underneath the mattress so it cannot ride up and cover the baby's chest or cover his/her head.
- e) if a baby is wrapped when sleeping, consider the baby's stage of development. Leave their arms free once the startle reflex disappears at around three months of age and discontinue the use of a wrap when the baby can roll from back to tummy to back again (usually four to six months of age). Use only lightweight wraps such as cotton or muslin.
- f) ensure there is no soft bedding in baby's sleep environment (pillows, doonas, loose bedding, lambswool or soft toys)
- g) if being used, a dummy should be offered for all sleep periods. Dummy use should be phased out by the end of the first year of a baby's life (in consultation with parents). If a dummy falls out of a baby's mouth during sleep, it should not be re-inserted.
- h) babies or young children should not be moved out of a cot into a bed too early; they should also not be kept in a cot for too long. When a young child is observed attempting to climb out of a cot, and looking like they might succeed, it is time to move them out of a cot. This usually occurs when a toddler is between 2 and 3 ½ years of age but could be as early as 18 months.
- i) additional supervision is required if a child is wearing a baby sleeping bag whilst sleeping outside a cot. The sleeping suit should be removed as soon as the child wakes to avoid risk of falling and injury. (Red Nose).

The Nominated Supervisor/Leadership Team will ensure:

- a) a sleep and rest specific risk assessment is conducted at least annually to ensure all potential hazards are controlled in sleep or rest areas in line with Red Nose and ACECQA guidelines
- b) every reasonable precaution has been taken to protect children from harm and from hazards likely to cause injury. Hazards posing a risk of suffocation, choking,

13.6 - Childcare - Sleep and Rest Policy --Appendix 1

- crushing or strangulation risk to children must be removed from the sleep and rest environment. (Sec. 167)
- c) reasonable steps are taken to ensure that the needs for sleep and rest of children being educated and cared for by the Service are met, having regard to the ages, developmental stages and individual needs of each child
 - d) all educators and new employees are provided with a copy of this policy as part of their induction process
 - e) up to date knowledge regarding safe sleeping practices is maintained and information communicated to educators and families
 - f) annual Safe Sleep training is provided for all educators through Red Nose and a record is kept of all training
 - g) annual Advanced Safe Sleep for Early Childhood Educators training is provided for educators in the Darling and Mitchell rooms as well as the Leadership Team through Red Nose and a record is kept of all training
 - h) to provide appropriate opportunities to meet each child's need for sleep, rest and relaxation including providing children with comfortable spaces away from the main activity area for relaxation and quiet activities
 - i) that sleeping infants are closely monitored and that all sleeping children are within hearing range and observed. This involves physically checking/inspecting sleeping children at least every 10 minutes and ensuring that they are always within sight and hearing distance of sleeping and resting children so they can easily monitor a child's breathing and the colour of their skin. It is recommended that educators will not perform administrative duties that would take their attention away from sleeping/resting children- (Note: CCTV, audio monitors or heart monitors do not replace the need for physical checking/inspecting sleeping children)
 - j) to provide children with safe sleeping equipment and environment, including adequate ventilation and adequate lighting to enable effective supervision
 - k) they receive information and training to fulfil their role effectively, including being made aware of the sleep and rest policies, their responsibilities in implementing these, and any changes that are made over time
 - l) the child's safety is always the first priority
 - m) children who are sleeping or resting have their face uncovered at all times
 - n) any soft items are removed from the cot, such as loose blankets, pillows or toys
 - o) to provide information to parents and families about Safe Sleep practices via Red Nose
 - p) educators, staff and volunteers follow the policy and procedures
 - q) all equipment and furniture used are safe, clean and in good repair (Reg. 103, 105)
 - r) there are adequate numbers of cots and bedding (including mattresses) available to children that meet Australian Standards to be used only for sleep and rest purposes
 - s) all cots used in our Service will meet the current mandatory Australian Standard for Cots (AS/NZS 2172) and will carry a label to indicate this
 - t) bassinets are not used or stored within the service
 - u) children are not accepted into care in a bassinet

- v) they stay up to date with banned/recalled products by receiving subscribed emails from the Australian Government Department of Education and removing these immediately from the service if required
- w) educators follow the *Administration of First Aid Policy* if the child's face/body appears blue and the child is not breathing, initiate first aid immediately including calling an ambulance and beginning resuscitation
- x) the Nominated Supervisor will ensure an *Incident, Injury, Trauma and Illness Record* is completed in its entirety
- y) the Nominated Supervisor will ensure the parent and the regulatory authority are notified as soon as possible and within 24 hours of a serious incident
- z) sleep surfaces are checked for firmness in accordance to Australian Standard AS/NZS 8811:1:2013
- aa) a safe indoor environment is provided for children that is well ventilated, has adequate natural light and can be maintained at a temperature that ensures children's safety and wellbeing (Reg.110)
- bb) sleep and rest environments will be safe and free from all hazards including cigarette and tobacco smoke
- cc) areas for sleep and rest are well ventilated and have natural lighting
- dd) the supervision windows will be kept clear to ensure safe supervision of sleeping infants
- ee) safe sleep practices are documented and shared with families
- ff) to negotiate sleep and rest routines and practices with families to reach agreement on how these occur for each child at the Service
- gg) Nominated Supervisors and educators are not expected to endorse practices requested by a family if they differ from Red Nose safe sleeping recommendations.
- hh) if any requirements differ from Red Nose sleeping recommendations, written authorisation from a medical practitioner will be required and shared with educators

All Educators will:

- a) have a thorough understanding of the Service's policy and practices and embed practices to support safe sleep into everyday practice
- b) ensure children's safety is paramount
- c) consult with families about children's sleep and rest needs
- d) be sensitive to each child's needs so that sleep and rest times are a positive experience
- e) ensure there are appropriate opportunities to meet each child's need for sleep, rest and relaxation
- f) ensure that each child's comfort is provided for
- g) ensure that beds/mattresses are clean and in good repair
- h) ensure beds, cots and mattresses are used for the correct purpose of sleep and rest only

13.6 - Childcare - Sleep and Rest Policy --Appendix 1

- i) ensure beds and mattresses are wiped over with warm water and neutral detergent solution between each use
- j) ensure mattresses/stretcher beds are stored safely in storerooms (Barcoo/Thomson rooms) and in wall slots (Mitchell/Flinders rooms)
- k) ensure that bed linen is clean and in good repair
- l) ensure Centre-owned spare bed linen is used by an individual child and is washed before use by another child
- m) arrange children's beds and cots to allow easy access for children and staff
- n) bassinets are not used or stored within the service
- o) children are not accepted into care in a bassinet
- p) create a relaxing environment for sleeping children by playing relaxation music, reading stories, cultural reflection, turning off lights, and ensuring children are comfortably clothed
- q) ensure there are no loose aspects of clothing that could entangle the child during sleep/rest (including bibs)
- r) ensure any soft items are removed from the cot, such as loose blankets, pillows or toys
- s) ensure the environment is tranquil and calm for both educators and children
- t) sit near children who are resting and encourage them to relax and/or listen to music.
- u) children will not be "patted" to sleep unless requested by the child or a parent. By providing a quiet, tranquil environment, children will choose to sleep if their body needs it.
- v) maintain adequate supervision and maintain educator ratios throughout the sleep period
- w) supervision is active, effective and frequent throughout the sleep period
- x) ensure they are not engaged in other duties that will take their attention away from actively supervising sleeping and resting children
- y) physically check that the child is breathing by checking the rise and fall of the child's chest and the child's lip and skin colour from the side of the cot (or floor mattress/toddler bed)
- z) ensure physical checks of a sleeping child occur at least every 10 minutes
- aa) consider the circumstances and any risk factors that may mean physical checks need to be more frequent for some babies or children (e.g.; children with colds, chronic lung disorders or specific health care needs that may require higher level of supervision)
- bb) consider higher levels of supervision and conduct more frequent checks on babies or children with colds, chronic lung disorders or specific health care needs
- cc) if the child's face/body appears blue and the child is not breathing, initiate first aid immediately including calling an ambulance and beginning resuscitation
- dd) ensure an *Incident, Injury, Trauma and Illness Record* is completed in its entirety following an incident

- ee) ensure a record is maintained recording the time and observation of each physical check immediately after checks are made on the Safe Sleep Record in the Darling and Mitchell rooms
- ff) ensure sleeping spaces are not dark- there needs to be sufficient light to allow supervision and to physically check children's breathing, lip and skin colour
- gg) ensure sleeping infants are closely monitored and that all sleeping children are within hearing range and observed
- hh) assess each child's circumstances and current health to determine whether higher supervision levels and checks may be required
- ii) communicate with families about their child's sleeping or rest times and the Service policy regarding sleep and rest times
- jj) respect family preferences regarding sleep and rest and consider these daily while ensuring children feel safe and secure in the environment. Any sleep requirements that differ from Red Nose recommendations must be supported by a medical certificate. Conversations with families may be necessary to remind families that children will neither be forced to sleep nor prevented from sleeping. Sleep and rest patterns will be recorded daily for families.
- kk) encourage children to dress appropriately for the room temperature when resting or sleeping
- ll) Lighter clothing is preferable, with children encouraged to remove shoes, jumpers, jackets and bulky clothing.
- mm) monitor the room temperature to ensure maximum comfort for the children
- nn) ensure that children who do not wish to sleep are provided with alternative quiet activities and experiences, whilst those children who do wish to sleep are allowed to do so, without being disrupted. If a child requests a rest, or if they are showing clear signs of tiredness, regardless of the time of day, there should be a comfortable, safe area available for them to rest. It is important that opportunities for rest and relaxation, as well as sleep, are provided.
- oo) consider a vast range of strategies to meet children's individual sleep and rest needs- consider inclusion of all children and adjustments that may need to be implemented
- pp) respond to children's individual cues for sleep (yawning, rubbing eyes, disengagement from activities, crying etc.)
- qq) acknowledge and support children's agency, emotions, feelings and fears in regard to sleep/rest time
- rr) develop positive relationships with children to assist in settling children confidently when sleeping and resting
- ss) record sleep and rest patterns to provide information to parents/families.

Darling and Mitchell Room Educators will:

- a) give bottle-fed children their bottles before going to bed
- b) ensure children are not put in cots or in beds with bottles as per the *Dental Health Policy*
- c) ensure that cot rooms have operational audio monitors on at all times

- d) observe children at 10-minute intervals while they sleep in these rooms. Educators must go into the rooms and physically observe babies breathing and check the colour of their skin. The educator will then officially record this on a Safe Sleep Record
- e) encourage the use of sleeping bags with fitted neck and armholes for babies as there is no risk of the infant's face being covered
- f) securely lock cots sides into place to ensure children's safety
- g) cot rooms may be air conditioned and maintained at an appropriate temperature
- h) be aware of manual handling practices when lifting babies in and out of cots
- i) participate in annual Advanced Safe Sleep for Early Childhood Educators training through Red Nose
- j) understand that bassinets, hammocks and prams/strollers do not carry safety codes for sleep. Babies should not be left in a pram/stroller to sleep, as these are not safe substitutes for a cot.
- k) ensure mattresses are kept in good condition; they should be clean, firm and flat, and fit the cot base with not more than a 20mm gap between the mattress sides and ends. A firm sleep surface that is compliant with the new AS/NZS Voluntary Standard (AS/NZS 8811.1:2013 Methods of testing infant products – Sleep surfaces – Test for firmness) should be used.
- l) not elevate or tilt mattresses
- m) remove any plastic packaging from mattresses
- n) remove pillows, doonas, loose bedding or fabric, lamb's wool, bumpers and soft toys from cots
- o) record sleep and rest patterns to provide information to parents/families.

Flinders, Barcoo, Thomson and Diamantina Room Educators will:

- a) be respectful for children's individual sleep and rest requirements
- b) discuss children's sleep and rest needs with families and include children in decision making (children's agency)
- c) provide a tranquil and calm environment for children to rest by turning off lights, playing relaxing music, reading stories, cultural reflection
- d) ensure children are comfortably clothed
- e) encourage children to rest their bodies and minds for 20-30 minutes
- f) introduce relaxation techniques into rest routine- use of a relaxation tape
- g) ensure children sleep with their face uncovered
- h) closely monitor sleeping and resting children
- i) provide quiet activities for children - puzzles, books, drawing if they do not fall asleep
- j) record sleep and rest patterns to provide information to parents/families

Parents/Families will:

- a) be informed during orientation of our *Sleep and Rest Policy* and procedure
- b) be provided with regular information and communication about safe sleep practices from Red Nose and any changes to our policies or procedures

- c) be informed that if any requirements for sleep for their child differs from Red Nose sleeping recommendations, written authorisation from a medical practitioner will be required
- d) be requested to provide educators with regular updates on their child's sleeping routines and patterns, especially for infants
- e) be required to provide specific bedding for their child each day (as detailed in enrolment information)

CONTINUOUS IMPROVEMENT/REFLECTION

Our *Sleep and Rest Policy* will be reviewed on an annual basis in consultation with children, families, staff, educators and management.

Officer Comment

Responsible Officers: *Community Services Officers*

Background

Officers are requested to provide an information update to Council on a monthly basis to outline achievements, challenges and statistical information for the various functional areas in Council.

Library Services

December was a busy month for the Library. The First 5 Program and the Handy Craft ladies held their Christmas Parties. The First 5 children and parents decorated the Christmas tree that was on display in the front window of the library, and dabbled in some arts and craft while celebrating over a fruit platter. Over the school holidays the kids escaped the heat and met their friends at the library to play on iPads, and the chess

13. COMMUNITIES REPORT

13.7 - Information Report - Community Services

boards become popular with many young children taking an interest. Not only did the kids attend the library but there were many families and elderly who visited the library to sit in our comfy lounge chairs and peruse the books.

Library Statistics (financial year)

| | Longreach | | Ilfracombe | | Isisford | |
|----------------|-----------|-------|------------|-----|----------|-----|
| | Dec | YTD | Dec | YTD | Dec | YTD |

| New Members | 4 | 49 | 0 | 2 | 0 | 0 |
| Total Members | 1590 | | 147 | | 73 | |

Swimming Pools

As part of the LRC Holiday Program, ALTS delivered a junior lifeguard program, with many young and aspiring lifeguards taking part. The program included recreational bronze medallion training, first aid and CPR education. They learned valuable safety rules, how to support each other in the pool and had a whole lot of fun. The second day of this event was a pool party, including inflatables was provided for the program. The inflatables were available to the wider community on the 15th December.

Pool usage statistics for December:

| | Longreach | | Ilfracombe | | Isisford | | Yaraka | |
|-----------------|-----------|------|------------|------|----------|-----|--------|-----|
| | Dec | YTD | Dec | YTD | Dec | YTD | Dec | YTD |

| Memorial Service | |
| Cremation | |
| Interment of Ashes - Private / Family Only | |
| Interment of Ashes - Graveside Service | |
| Plaques arranged by LRC | 3 |
| Undertaker Service Only | 1 |

Childcare Services

- December is always a busy month for the Childcare Centre with Educators finalising end of year assessments and transition statements for children moving into new rooms. We held a celebration week where the children got to enjoy a sausage sizzle, dance party, biscuit decorating and many other fun activities prior to heading off on holidays!

13. COMMUNITIES REPORT

13.7 - Information Report - Community Services

- A new Direct Debit payment system will be introduced in 2024 which will bring a much more streamlined process for the payment of parent fees.
- An application to the Education Department is underway for increasing our licenced number of places to align with the expansion of the Service.
- The roll out of free Kindergarten for children in 2024 will begin at the beginning of Term One. Our program is full and we are looking forward to watching the children learn and grow.
- Our Vacation Care program in December was a huge hit with the local community, and the children had various themed days to keep them occupied. Some of the Kindergarten 2023 children have transitioned nicely into the program. Again, lots of fun activities are planned and in our second week we were at capacity with 30 children.

Horticulture and Community Facilities

The Longreach Horticulture and Town Services team, some of our Infrastructure staff and contractors demonstrated efficiency and dedication in swiftly addressing the storm-induced damages to our green spaces in Longreach. The efforts of all involved have contributed significantly to the restoration and enhancement of our streets following this weather event. The team have also been busy collecting condition assessment information about various parks and gardens assets so that Council has a full picture to inform maintenance programs.

Council farewelled Ray Harmsworth (Hort & Town Services Manager) in December and we really appreciate everything that Ray has done for the town since he started with us in 1981 – the depth of his knowledge and expertise will be missed. The team will continue on with the challenge of ‘Greening’ Longreach and are keen to get stuck in for 2024.

Facility Usage

The following community facilities were utilised in December -

| | |
|------------------------|--|
| Longreach Showgrounds | Senior & Junior Cricket, 50 th Birthday Celebrations, Fitness Classes, camping and horse stabling |
| Longreach Civic Centre | Integrated Care and Commissioning Project |

School Holiday program

The free school holiday program offered a variety of fun packed activities for kids between 6-15 years. The program was incredibly well received by the community and all spots were booked within the first 24 hours of announcing the program. We extended the initial numbers for each program due to the high demand.

Monday 4 December: Paint & Sip

Tuesday 5 December: Board Games Bonanza

Friday 8 December: Junior First Aid & Junior Live Guard Program

Monday 11 December: Photography Adventure

13. COMMUNITIES REPORT

13.7 - Information Report - Community Services

Wednesday 13 December: Pottery, painting and gift making

Friday 15 December: Inflatables & Pool Party

We realised the age gap between 6 and 15 year olds is quite substantial and for the next program we will look at more tailored programs with smaller age gaps. Moreover, we are aiming for more engaging and interesting activities for our High School aged youth.

13. COMMUNITIES REPORT

13.7 - Information Report - Community Services

Project Management

Longreach Visitor Information Centre (VIC) Painting - painting started early January on giving our VIC a refreshed appearance. Additional signage will be installed to improve its visibility.

Showground Electrical Conduit Relay

Electrical conduits on the east side of the oval have been re-laid to maximise safety. Future rectification works are scheduled to occur in other areas of the Showgrounds in the coming financial year.

Further information on progress on the following projects can be found in the attached Project Dashboards for:

- Summary of all Projects
- Longreach Squash Court Upgrade
- Ilfracombe Multi-Purpose Court
- Apex Park Beautification
- Eagle and Swan Street Beautification

Tourism Update

December, although a quieter month, still had visitors passing through to see family for Christmas, those who like to travel when no one is around and those taking advantage of the 2 for 1 train deal. We have had plenty of requests for information for the Peak season with some looking to book ahead for June/July. The team are still working on the 2024 Visitor Guide and hope to have that complete early February.

Strategy and planning

13. COMMUNITIES REPORT
13.7 - Information Report - Community Services

The Communities team are also working on a number of other initiatives and projects such as:

| | | |
|---|------------------------|---|
| Walking Network Plan (grant funded) | In progress | Staff are working with CPR group to develop a walking network plan for Longreach. This work will be done in-conjunction with the Infrastructure team who are working on a grant application (for design work only) for a Cycling Network. Community engagement is part of the project. |
| Finalisation of facility concept plans | In progress | Isisford Racecourse Concept Plan – this has been worked on with user groups. The final version of the concept is being finalised and will come to Council for endorsement in February or March 2024. Actions/projects in the concept plan are subject to availability of future grant funding. |
| Ilfracombe Heritage Strategy | In progress | The basis of this project is to investigate how to optimise the heritage buildings/collections in Ilfracombe, and create improved visitor experiences. GBA Consulting Engineers have been engaged to do some significance assessment reports on the collections and provide strategic advice to Council on how to manage these assets. They will build on previous work that has been done to date. Grant applications are being sought to progress this work |
| Recreational planning for future grant applications | In progress | An application to the Growing Regions grant programme is being prepared for submission in January 2024. |
| Tree and Greening project | In progress | Actions resulting from the horticulture specialist’s report are being worked through and integrated into the relevant team’s work programme. Procurement for trees is underway. |
| Reconciliation Action Plan | Not yet started - 2024 | |
| Destination Management Plan (with Governance team) | Planning underway | |
| Community Engagement Policy | Planning underway | |
| Development of a Customer Experience Strategy | Planning underway | |

Risk Management Factors:

This matter has been assessed using Council’s Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Rare

Consequence: Insignificant

Rating: Low (1/25)

Low risk, informational report only.

Recommendation:

That Council receives the Community Services information report, as presented.

13.7 - Information Report - Community Services --Appendix 1

23.24 Project Status - Council

| Project | Description | Progress | Status | Funded By |
|---|--|--|-------------|--------------------|
| Executive House Construction | An additional house for Council executive staff. | | Complete | LRC |
| Eagle Street Beautification - 2023 | Additional plant and refurb centre median in front of glasson house. | | Complete | LRCI |
| Powerhouse Museum Centenary Garden Beautification | Install a new sensory garden. | | Complete | LRCI |
| Longreach Apex Park old tower disposal | Remove redundant water tower. | | Complete | LRCI |
| Showground Electrical conduits | Relay conduits of east side of oval to compliant standards. | Conduits have been relayed. Waiting for bitumen to be laid in front of bar and canteen in January. | In Progress | LRC |
| Longreach SES New Flood Boat Shed | Install new powered 12m by 7m shed on SES block on Minor Road. | Electrical install scheduled for February 2024. Shelving to be installed late January. | In Progress | LRC SES |
| Iltacombe Multi-purpose court | Construct a new multi-purpose court in Iltacombe next to the rec centre. Allow the existing rec centre facilities to be utilised more as the area becomes the sporting hub of Iltacombe. | Foundation work continues on WB 15th January. Concrete pad in February and shade structure to start in March 2024. | In Progress | LRCI |
| Longreach Apex Park fence upgrades | Upgrade fence with additional rails and fresh paint. | Existing fence being upgraded. To finish in January. | In Progress | LRCI |
| Longreach Administration Building Air Con Replacement | New air-con units and ductwork for the Longreach Admin building. | Contractor engaged and materials being ordered. Unit replacements scheduled to start end-January. | Is Engaged | LRC |
| Longreach Beersheeba Place - Shade Structure | Install 5x5m shade structure, drinking fountain and picnic table. | Materials have arrived. Installation to occur in mid-February. | Is Engaged | LRCI |
| Istiford OBIC Rat Wall | Install rat walls, additional downpipes and drainage to divert water away from building's foundations. | Worked scheduled to commence February. Delay due to weather. | Is Engaged | LRCI |
| Longreach Apex Park - Install 2 new shade structures over existing chairs | Install 2 3x3m shade structures. | Structures ordered. Install for February. | Is Engaged | LRCI |
| Longreach VIC painting | Painting of the Longreach VIC. | Painting in progress. | Is Engaged | LRC |
| Longreach Bar and Canteen upgrade | Bring bar and canteen to modern compliance standards. | Various work being undertaken through multiple contractors over summer. | Is Engaged | LRCI |
| Longreach Childcare Fence Replacement | New external and internal fencing throughout childcare. | Delay in delivery of materials. All work scheduled to be completed over weekends in Jan/Feb. | Is Engaged | LRC |
| Longreach - Civic Centre Shade | Replace damaged shade with a barrel vault fabric structure. | Quotes being reviewed. | Procurement | LRC |
| Longreach Squash Court Upgrade | Construct a new clubhouse area onto the existing facility and resurface squash courts walls. | Glender out 15/12/23. Local builders notified. | Procurement | LRC Sport & Rec |
| Longreach Eagle Street Improve Swan/Eagle Street 23/24 | To improve the streetscape area around the Swan Street toilet block. | Main scope confirmed. Working with Infrastructure and local groups for design. | Procurement | LRCI |
| Longreach Apex Park bar bench & privacy screen | New bar bench underneath existing open shed frame facing the river. | Material costs confirmed. Quotes being collected for install. | Procurement | LRCI |
| Longreach Cemetery Plinth Repairs | Relay concrete sections that are cracking. New concrete will be in 2m slabs, designed to reduce risk of future cracking. | Costs have been established. To confirm areas to repair. | Procurement | LRC |
| Longreach Lionses Park Shade | Two shade structures fully covering main playground and swings. | Procurement to commence in January. | Researching | LRC |
| Iltacombe Post Office Relocation | Renovate Iltacombe Council building to a multi-use community centre. | Design in progress. Stakeholders engaged. | Researching | LRC |

Communications Activity Statistics - December 2023

Website:

Communications Activity Statistics - December 2023

Facebook:

Website/Social Media Analytics Glossary

- **Session:** A group of actions taken by someone on your website (example: events, such as Page Views) within a given time period. Once 30 minutes of inactivity have passed with no additional actions taken, the current session ends and subsequent actions are logged as a new session.
- **Page Views:** A page view occurs when a page on your website is loaded or reloaded whether the user was already on your page or came from an external page.
- **Views/session** tells you how many pages visitors look at (on average) when they visit your site.
- **Organic traffic** refers to visitors who arrive at your website through search engines, such as Google, Bing, or Yahoo. These visitors are not referred by any other website or social media platform.
- **Direct traffic** refers to visitors who arrive at your website by typing your website's URL directly into their browser or by clicking on a bookmark.
- **Referral traffic** refers to visitors who arrive at your website by clicking on a link from another website or social media platform.
- **Engagement:** The number of times people have engaged with your posts through likes, comments, shares, and reactions.
- **Reach:** The number of people who saw your content in their News Feed or on your Page, including people who are logged into Facebook and those who aren't.
- **A 'like'** is when someone decides to attach their name to a particular page as a fan. When someone likes your page, they'll also automatically follow it. This means they may see your page's updates and posts in their feed. Anyone who likes your page can also choose to unfollow it.
- **A 'follow'** is when someone has chosen to receive the updates that you post in their news feed (subject to the Facebook algorithm of course). The two are independent. A liker/fan can choose to unfollow, i.e. they won't see your page's posts in their feed.
- **Reach** refers to the number of unique users who see your post or page (regardless of whether they've engaged with it). It is a metric that is used to determine the effectiveness of your content and how many people it is reaching. For example, if you publish a post and 100 people look at it, your reach is 100 people. Facebook reach is always measured within a specified time period (think: one month).
- **Facebook reach** this metric counts reach from the organic or paid distribution of your Facebook content, including posts, stories and ads. It also includes reach from other sources, such as tags, check-ins and Page or profile visits. This number also includes reach from posts and stories that were boosted. Reach is only counted once if it occurs from both organic and paid distribution.
- **Content interactions** the number of likes or reactions, saves, comments, shares and replies on your content, including ads. Content can include formats such as posts, stories, reels, videos and more. This metric counts all interactions, including ones that were eventually removed.
- **Facebook link clicks** the number of clicks, taps or swipes on links within your content, including ads. Content may include formats such as posts, stories, reels and videos that led to destinations or experiences, on or off Facebook.

Officer Comment

Responsible Officer/s: *Andre Pretorius, Director of Works*
Ingrid Miller, Engineering Technical Officer

Background:

The draft Longreach Community Flood Action Plan Report was placed on public exhibition for a period of 21 days. The draft Longreach Community Flood Action Plan Report was placed on Council's website, social media, electronic notice board, Longreach Leader, while hardcopies were available at the main office and Longreach Library.

Submissions closed on 22 December 2023.

3 x Submissions were received by Council and a summary as well as a response to the concerns is provided in the table below.

14. WORKS REPORT
14.1 - Longreach Community Flood Action Plan Report

| Detail of Comment Raised | Staff Comment |
|--|--|
| <p>a) Suggestion of a levy bank along Watyakan Creek from near the Kangaroo Meat Works to the Thomson Development Road Bypass to help protect the southern areas of town from future flooding.</p> <p>b) The report may not reflect the severity of the May 1955 flood in Longreach. The peak height was 26ft 3 inches or 8.001 metres. The fact that there has been major developments, roads etc. within the towns western side since 1955 may very well have significant impacts on just where water will go in the event of a major flood.</p> <p>c) The report does not mention in the report of evacuation points in Longreach for people to go to if this was necessary.</p> <p>d) The report should include a map of historic flood levels.</p> <p>e) Access to information on council web site is not easy to find or follow.</p> <p>f) Map showing rainfall recording and flood height recording stations</p> <p>g) Council should consider compiling records of local rainfall events and flood levels as BOM may not do this at a local or regional level.</p> <p>h) The report should cover overnight flood events as not all floods are slow moving water giving several days' notice of its arrival in Longreach.</p> | <p>a) This will be considered during the development of the Longreach Flood Study</p> <p>b) This will be considered during the development of the Longreach Flood Study where anecdotal information be considered.</p> <p>c) This could be addressed in in a community flood awareness package which would to be distributed to residents.</p> <p>d) This will be considered during the development of the Longreach Flood Study</p> <p>e) Noted. Council is in the process of reviewing our website. Information could also be addressed in in a community flood awareness package which would to be distributed to residents. Council could also use other sources such as radio broadcasts during emergency events.</p> <p>f) This could be considered during the development of the Flood Study. Council could consider providing links in its website to rainfall and river recording stations.</p> <p>g) Council should consider this requirement, since the BOM have a weather station at the Longreach Airport.</p> <p>h) This could be assessed during the Longreach Flood Study.</p> |

In summary, the majority of this feedback can be addressed or highlighted in a Flood Study (brief currently being developed with a study deadline for June 2026) or in a community flood awareness package which would to be distributed to residents. This information package would be in the form of a 1-2-page flyer as recommended in the Community Flood Action Plan.

14. WORKS REPORT

14.1 - Longreach Community Flood Action Plan Report

Council intends to apply for the 2024 Get Ready Queensland Funding round and launch the package in collaboration with Get Ready Queensland Week during October 2024.

The conclusions in the Report titled Longreach Community Flood Action Plan are Stantec’s professional opinion, as of the time of the Report, and concerning the scope described in the Report. The opinions in the document are based on conditions and information existing at the time the scope of work was conducted and do not take into account any subsequent changes. The Report relates solely to the specific project for which Stantec was retained and the stated purpose for which the Report was prepared. The Report is not to be used or relied on for any variation or extension of the project, or for any other project or purpose, and any unauthorized use or reliance is at the recipient’s own risk.

Stantec has assumed all information received from Longreach Regional Council (the “Client”) and third parties in the preparation of the Report to be correct. While Stantec has exercised a customary level of judgment or due diligence in the use of such information, Stantec assumes no responsibility for the consequences of any error or omission contained therein.

This Report is intended solely for use by the Client in accordance with Stantec’s contract with the Client. While the Report may be provided by the Client to applicable authorities having jurisdiction and to other third parties in connection with the project, Stantec disclaims any legal duty based upon warranty, reliance or any other theory to any third party, and will not be liable to such third party for any damages or losses of any kind that may result.

Executive Summary

One of the recommendations of the Longreach Flood Mitigation Study (2015) was that council should develop a “...*flood sub-plan, including a program for increased community flood awareness and preparedness*”. In response to this recommendation, Council secured grant funding from both the Queensland and Australian Governments via the 2021-26 *Flood Risk Management Program (FRMP)*. Stantec was engaged under this grant funding to deliver the following:

- A report that summarises the flood history, behaviour and risk in Longreach and the assumptions and methodology that will support the development of a Community Flood Action Plan (CFAP),
- Develop a series of triggers and actions that leverage both historical references and existing flood warning services provided by the BoM to enable the community to build and improve resilience to future flood events,
- Conduct engagement session at Longreach during its Annual Show on the 12th May 2023 to promote the plan and collect feedback through broad consultation.

This document will aim to form Longreach Regional Council's (LRC) Flood Sub-Plan and sit underneath its Local Disaster Management Plan. It should be treated as a living document that the LRC's Local Disaster Management Group (LDMG) maintains on an annual basis.

The development of this plan has been directly informed by the following resources to ensure consistency with current national best practice and service levels:

- Australian Disaster Resilience Handbook Collection Handbook 7 - Managing the Floodplain: Best Practice in Flood Risk Management in Australia,
- Australian Bureau of Meteorology, Queensland Flood Warning Service Level Specifications (2022),
- Australian Bureau of Meteorology, National Arrangements for Flood Forecasting and Warning (2018), and
- Queensland Flood Risk Management Framework (2021)

Glossary

| | |
|--------------------------|--|
| Riverine flood | Riverine floods occur six or more hours after heavy rainfall when watercourses do not have the capacity to convey the excess water |
| Flash flood | Flash floods are floods of short duration with a relatively high peak discharge in which the time interval between the observable causative event and the flood is less than six hours |
| Minor flooding | If the water level reaches the minor flood level, it causes inconvenience. Low-lying areas next to water courses are inundated. Minor roads may be closed and low-level bridges submerged. In urban areas flooding may affect some backyards and buildings below floor level as well as bicycle and pedestrian paths. In rural areas removal of livestock and equipment may be required. |
| Moderate flooding | If the water level reaches the moderate flood level, the area of inundation is larger. Main traffic routes may be affected. Some buildings may be affected above floor level. Evacuation may be required. In rural areas removal of livestock is necessary. |
| Major flooding | If the water level reaches the major flood level large areas are inundated. Many buildings may be affected above floor level. Properties and towns are likely to be isolated and major rail and traffic routes closed. Evacuation may be required. Utility services may be affected. |
| Observed river height | This is the depth of water at a river height measuring gauge. In most cases, observed river height is measured relative to a local reference point. |
| Peak river height | This is the highest river height observed during a flood event at the specified site on the river. |
| Predicted river height | This is the height to which the river is predicted to rise at the gauge referred to in the warning. |
| Probable Maximum Flood | The largest flood that could conceivably be expected to occur at a particular location, usually estimated from probable maximum precipitation. The Probable Maximum Flood defines the maximum extent of flood prone land, that is, the floodplain. |
| Flood Frequency Analysis | Flood frequency analysis is a technique used by hydrologists to predict flow or height values corresponding to specific return periods or probabilities along a river. |

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

1 Community Flood Action Plan objectives

Community Flood Action Plans are designed to contain the required information for the community to take the appropriate steps; before, during and after flood events. In addition to these steps it's important that the plan is tailored to consider local risks and impacts. The following objectives are considered generic to all Community Flood Action Plans:

- Provide background into historical flood events that have been recorded with the goal of ensuring the community is aware of their own flood risk,
- Identify a series of events or messages that can be used as triggers to assist the community in preparing, responding and recovering from flood events,
- Give the community the tools it requires to plan and prepare effectively (evacuation, individual preparations etc)
- Assist community risk reduction measures (property modification, insurance, planning for animals etc).
- Ensure the capacity and capability of council to respond to flood events is improved and foster a culture inside council that constantly reviews and improves the plan.
- Advocate for the utilisation of the following sources of information that can assist the community before, during and after flood events:
 - [Queensland Rainfall and River Conditions \(bom.gov.au\)](https://www.bom.gov.au) – BoM live rainfall and river level conditions
 - <https://www.qld.gov.au/flood> - Queensland Government holistic flood website
 - [Home | Get Ready Queensland](https://www.getready.qld.gov.au) – Queensland Government 'Get Ready' website
 - [Road Condition Information - QLDTraffic](https://www.qldtraffic.com.au) – Queensland Transport and Main Roads traffic website
 - [ABC Emergency](https://www.abc.net.au) – Australia's emergency broadcaster

In addition to these objectives, further specific localised outcomes to the Longreach Regional Council will be delivered:

- The Community Flood Action Plan must complement the existing Local Disaster Management Plan in place during operation. It is proposed that this Community Flood Action Plan would sit as a Hazard Specific Sub-plan (alongside the existing Longreach Local Pandemic Sub-plan).
- Utilise the historical record of flood levels at Muttaborra, Camoola Park and Longreach to develop a relationship between recorded upstream flood levels and predicted levels at Longreach. This relationship will inform several of the triggers of the plan that will be utilised during flood events, to compliment the BoM's flood warning service.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

- As outlined in the Local Disaster Management Plan, Longreach often has a significant number of tourists in town. These members of the community are not expected to be familiar with local flood behaviour and impact and therefore the Plan needs to ensure this part of the community are not forgotten.
- In addition to the utilisation of the generic sources of information outlined above, ensure the following locally focused tools are referenced in the plan:
 - [Longreach Regional Council Dashboard \(qitplus.com\)](https://qitplus.com) – Longreach Regional Council Disaster Dashboard
 - [get-ready-central-west-flip-book \(longreach.qld.gov.au\)](https://longreach.qld.gov.au) – Be Ready, Central West brochure
 - [resupply-to-isolated-communities-and-properties \(longreach.qld.gov.au\)](https://longreach.qld.gov.au) – Longreach Regional Council resupply to isolated communities brochure
 - [0516 Central West Regional Resilience Strategy January2020 LR.pdf \(gra.qld.gov.au\)](https://gra.qld.gov.au) – Queensland Reconstruction Authority, Central West Resilience Strategy.
 - [Cooper Base Map HD.pdf \(gra.qld.gov.au\)](https://gra.qld.gov.au) - Cooper Creek Basin local knowledge map

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

2 Project background

The funding for this project was secured as part of the Queensland and Commonwealth Government's *Flood Risk Management Program* which provides funding for the 36 local government areas impacted by flooding during the 2021/2022 Severe Weather Season. This grant funding aims to:

1. *deliver flood studies for river, creek and/or overland flooding, risk assessments and management strategies, scoped to meet specific local needs,*
2. *improve council flood intelligence to be better prepared and able to respond to flooding events, for example, intelligence to support councils in translating peak height forecasts from the BoM into on-the-ground consequences during the response phase.*

The focus of this document is to ensure the Longreach community has an improved level of resilience through the delivery of three specific outcomes from this project:

1. This report provides the technical detail to support a future public facing Community Flood Action Plan.
2. Development of triggers and actions that combine historical references with the Flood Forecasting and Warning service currently provided by the BoM that will form the foundation of the final production version of council's Community Flood Action Plan
3. Undertake the community consultation process.

2.1 Study Area Overview

The Longreach Regional Council local government area (LGA) is situated in the Central West region of Queensland and is situated about 700km west of Rockhampton. The LGA covers approximately 40,638 square kilometres with the main population centres of Longreach, Ilfracombe, Isisford and Yaraka being home to the vast majority of the regions population of 3650. The topography of the area is typically undulating countryside with rolling black soil downs being the principal land type. The catchment area that Longreach is located in has been outlined in a map available in Appendix A.

The BoM describes Longreach's climate as "sub-tropical continental climate, with a summer dominated rainfall schema and an average annual rainfall of nearly 450mm". The Longreach township was named after the "Long-reach" of the Thomson River that the town was settled on.

The primary flooding of Longreach township is riverine flooding from the Thomson River which has its headwaters in the Alma Ranges and the Western Slopes of the Great Dividing Range west of Charters Towers. Flooding from the Thomson River often arrives slowly over a number of days and recedes just as slowly. Flood water from the Thomson River continues travelling in a generally South-West direction before either evaporating or in exceptional events reaching Lake Eyre in South Australia.

Longreach township can also be impacted by more rapid flooding from Watyakan Creek which drains the country immediately to the east of Longreach south of the township of Ilfracombe.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

Several flood events from Watyakan Creek have been recorded since Longreach was established and in some cases, it has caused challenges for the Longreach community even in the absence of Thomson River flooding. More information on flood behaviour is outlined in [Section 2.4](#).

This Community Flood Action Plan provides guidance to the community of Longreach township area only. It will not provide guidance on other townships in the council area nor is it designed to directly assist rural landholders.

2.2 Catchment Description

The BoM's [Cooper Creek Flood Warning network brochure](#) states that “*The Thomson-Barcoo-Cooper catchment drains an area of approximately 237,000 square kilometres and is the largest river basin in Queensland. The catchment falls within the Lake Eyre basin, the largest and only coordinated internal drainage system in Australia with no external outlet, and which covers over 1.1 million square kilometres of central Australia.*”

The two main tributaries, the Thomson and Barcoo Rivers, merge into the Cooper Creek approximately 40 kilometres upstream of Windorah. The Thomson River and its tributaries flow in a general southerly direction and has several of the larger towns of the region including Longreach and Muttaborra along its banks”.

Upstream of Longreach township, the Thomson River catchment is fed by a number of tributaries including:

- The Landsborough River and Torrens, Towerhill and Cornish Creeks which combine just upstream of the township of Muttaborra to make the Thomson River itself.
- Aramac Creek then joins the river from the east, downstream of Muttaborra before the river arrives in Longreach.

Closer to Longreach itself, two smaller Creeks; Watyakan and Elibank drain from the country to the immediate East and South-East of Longreach.

More information on soil type and geomorphology is outlined in the Cooper Basin Local Knowledge Map available here: [Cooper Base Map HD.pdf \(qra.qld.gov.au\)](#)

A map of the catchment area including the locations of major population centres and monitoring stations is provided in Appendix A.

2.3 Community resilience profile

The Queensland Reconstruction Authority's [Central West Regional Resilience Strategy](#) provides a holistic approach to disaster resilience. The Strategy aims to: “*align the objectives of economic development, resilience and climate adaptation in order to help the region reduce its exposure to the effects of climate variability and uncertainty*”. Whilst this Strategy provides a holistic approach to building disaster resilience for the Central West region, outlined below is an evidence-based assessment of the Longreach community's current resilience with respect to flooding.

The last significant Thomson River flood event (ie over 6.0m on the Longreach water level gauge) was recorded in 2000. Since then, flooding has isolated Longreach on numerous occasions, but

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

the levels recorded have remained well below those recorded during the 2000 flood event. This 23-year period without a significant flood event has likely developed a level of complacency around flooding in the Longreach community. This potential complacency is likely to be further confounded by the most recent Census statistics, which suggests that over 38% of the current Longreach population weren't living in Longreach just five years prior (ie 2016). This lack of a recent significant flood event, combined with at least a third of the population having not experienced a significant flood underscores the critical role and the value that this Community Flood Action Plan provides.

Community awareness of Thomson River flooding as well as the shorter duration flash flood risk from Watyakan Creek (ie the 2007 Watyakan Creek flash flood) is important. This Community Flood Action plan will build community awareness and education of this risk whilst also giving the community the tools to know how to respond effectively.

2.4 Duration of Isolation due to Flooding

Outlined below is a summary of the two main sources of flooding for the Longreach community;

- Riverine flooding from the Thomson River
- Flash flooding from Watyakan Creek
- and coincidence of the above mechanisms

2.4.1 Riverine Flooding

The Thomson River upstream of Longreach has a catchment area of approximately 37,500km². Rainfall recorded in the upper parts of the catchment area produces flooding over several days which gives Longreach a reasonable amount of lead time to prepare for any isolation impacts. The monitoring network upstream of Longreach has received significant improvements through the introduction of new automatic stations in recent years, however the historic manual river height stations still provide excellent points of reference for historic flood events. The BoM provides a formal flood forecasting and warning service for Longreach but utilising historical flood events in an empirical way would also be valuable.

2.4.1.1 Bureau of Meteorology – Flood Warning Services

The BoM has legislative responsibility for providing flood forecasting and warning services to the Australian community. It delivers on these responsibilities in several different ways:

1. Providing a live view of rainfall and water level data on its website, including the provision of rainfall and river height bulletins which are delivered to council's Local Disaster Management Group generic email address when key triggers are met.
2. Issue generalised Flood Watch products any time flood producing rainfall is approximately one to four days away from being recorded. These products are aimed at raising a broad awareness of the potential for flooding, they are not predictions of flooding for a localised area. In addition to Flood Watch products, the BoM will also issue Severe Weather and Severe Thunderstorm Warnings when rainfall forecasts are expected to exceed pre-determined triggers.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

3. Issue Flood Warning products when various triggers are met at a forecast location (for the Longreach Regional Council area these include Camoola Park, Longreach, Stonehenge and Isisford):
 - a. A forecast location has or is expected to exceed its minor flood level.
 - b. Specific height and lead time predictions to be provided to each forecast location once river levels are expected or observed to have exceeded its trigger height as outlined in Schedule 2 of the BoM's [Queensland Service Level Specification](#) document (also provided in Table 1 below).

Table 1 Bureau of Meteorology Service Levels for the LRC area

| BoM Number | Forecast Location | Station Owner | Type | Flood Classification | | | Prediction Type | Target Warning lead time | | Accuracy | Priority |
|------------|-------------------|---------------|------|----------------------|-----|-----|-----------------|--------------------------|--------------------|----------|----------|
| | | | | Min | Mod | Maj | | Time (hrs) | Trigger Height (m) | | |
| 036013 | Camoola Park | BoM | Man | 2.0 | 4.0 | 6.7 | Qualitative | 48 | Mod | +/- 0.3m | High |
| 036161 | Longreach | DRDMW | Auto | 3.3 | 4.3 | 5.3 | Quantitative | 48 | >4.3 | +/- 0.3m | High |
| 037040 | Stonehenge | BoM | Man | 2.0 | 3.0 | 5.0 | Quantitative | 72 | >3.0 | +/- 0.3m | High |
| 036026 | Isisford | BoM | Man | 4.0 | 5.0 | 6.0 | Qualitative | 24 | Mod | +/- 0.3m | High |

This means council should receive at least 48 hours-notice of river levels expected to exceed 4.3m in the Thomson River at Longreach and then regular updates thereafter. The BoM will continue providing regular updates (these may drop back to daily or one every several days once the peak has passed) to the Thomson River Flood Warning until which time the river level at Longreach is expected to drop back below the minor flood level of 3.3m. As outlined earlier, flooding in the Thomson can often take several days to develop and then the recession can take a period well in excess of a week. Recession forecasting can often be very difficult to predict and depends upon downstream water levels and the antecedent conditions leading into the flood event.

The flood classifications that are currently defined for Longreach (outlined above in Table 1) appear to require an update. Indicative flood surfaces for each of the flood classifications have been provided below in Appendix B and show limited impacts even up the major flood level of 5.3m. Nationally consistent definitions for each classification are listed in BoM's [National Arrangements for Flood Forecasting and Warning](#) document. Where possible, local and state authorities should assign flood classifications that are consistent with these definitions. QRA have made available a guidance document for reviewing flood classifications which is available here: [Flood classifications in Queensland | Queensland Reconstruction Authority \(qra.qld.gov.au\)](#). Stantec have the capability to complete this work however this was not in scope for this project.

The forecasting service provided by the BoM should be LRC's **primary** disaster response method for riverine flooding in Longreach however empirical techniques can also be useful for providing more advanced flood warning guidance.

2.4.1.2 Empirical Techniques

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

One empirical technique for estimating flood heights uses peak height records collected from water level stations over their history to create a relationship between an upstream and a downstream site. Flood records in the Thomson River have been kept for several decades and therefore these empirical techniques have ample data available to define these relationships.

In order to create these relationships, Stantec requested all available data for three key locations on the Thomson River; Muttaborra, Camoola Park and Longreach. These stations were selected for several reasons:

- All three locations have significant flood history to utilise for the relationships.
- Council have access to the unofficial "bush telegraph" and these relationships can be an effective tool in converting local intelligence into estimates for downstream locations.
- Whilst the three stations were historically manual sites, automatic equipment is now located at Longreach (owned by DRDMW) and Muttaborra (owned by Barcaldine Regional Council) and its very likely Camoola Park will be upgraded in the near future by the BoM (subject to relevant resource and prioritisation decisions). Once all three stations are automated, data will become more-timely for the community and the council to utilise whilst still having manual gauge boards available to provide data in the event of failure of automatic stations.

The two relationships for Muttaborra to Camoola Park and Camoola Park to Longreach have been provided in Appendix C.

In addition to these relationships, important anecdotal information was compiled as part of the update to the QRA Cooper Basin [Local Knowledge Map](#) which adds further value to these relationships. This information has been summarised in Table 2 below:

Table 2 Anecdotal Thomson River travel time information

| Estimated Travel Time | Detail |
|-----------------------|--|
| 5-7 days | Approximate travel time for flood water to reach Muttaborra from the top of the catchment |
| 6 days | Approximate travel time for flood water to move between Cornish Creek junction and Longreach |
| 4-6 days | Approximate travel time for flood water to move between Muttaborra and Longreach |
| 2 days | Approximate travel time for flood water to move between Camoola Park and Longreach |

These approximate travel times will vary based on amount of rainfall, locations, duration and catchment levels.

This information will be useful for council to use when responding to future flood events and will be referred to as part of the triggers and actions section of developing the Community Flood Action Plan.

2.4.2 Flash Flooding

Significant flash flooding of Watyakan Creek has not dominated the historic flood experience of Longreach township. This flooding mechanism can isolate Longreach for a short period of time. Historic experiences of this occurred in 2007 and more recently during ANZAC Day in 2022. Whilst

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

the flood water generated during these events only lasted about 24 hours, the Landsborough Highway and Thomson Developmental Road trafficability was impacted. Unfortunately, the monitoring network in this catchment is relatively limited and has only been installed in recent years. The automatic station located close to the township of Ilfracombe can be used as a reference point, but further context is required to understand the significance of this data. This is something the LDMG should look to develop over time so heights from Ilfracombe can infer an impact downstream.

2.4.3 Coincident Flood Events

Coincidence of riverine flooding from the Thomson and flash flooding from Watyakan Creek is a possible scenario. To date, this coincidence has not been recorded. Coincidence could result in Watyakan Creek flows being held up and resulting in significant issues for the southern part of the town. It is strongly recommended that this coincident flooding should be explored during any future Flood Study projects.

2.5 Flood History

Records of large floods in the area extend back as far as the late 19th century, with the most significant episodes of flooding occurring in 1893, 1906, 1949, 1951, 1955, 1963, 1974, 1990 and 2000. It is worth noting that flood levels recorded at Longreach since the 2000 flood event have been well below the most significant flood events mentioned above.

Newspaper articles provide context and evidence to the regular occurrence of flooding across Longreach (see Figure 1 below). Whilst this evidence is available and trustworthy, it does not constitute qualitative data. Therefore, the data from 1971 recorded by the DRDMW automatic station (installed in 1971) constitutes official flood records at Longreach, noting evidence of prior exceedance.

All peaks recorded at the manual station after 1971 have now had approximately 1.3m added to them to match the levels observed from the DRDMW Longreach water level monitoring station.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

Figure 1 Courier Mail, Page 3, Monday 15th January 1951

The previously cited lack of recent significant flood events, combined with at least a third of the Longreach population having not experienced a significant flood, underscores the likely complacency in regard to flooding in the local community, thereby elevating the need for community awareness of flood. Outlined below is a brief overview of flood events since 1970 including the most significant recent flash flood event recorded in Walyakan Creek in 2007.

Table 3 below summarises the peak recorded flood levels across the Longreach water level stations history. Please note that the Bureau advises that peaks heights outlined below should be used with caution as some of these levels were observed from manual sources and therefore may not be completely accurate.

Table 3 Historical peak heights from Longreach

2.5.1 May 1955 Flood Event

Widespread flooding occurred between the 23rd and the 26th of May as a result of unseasonal rainfall across the entire state, with several catchments recording record flood levels. Communications across the state were severely impacted, 13 airfields were closed and tragically 2 lives were lost. The unseasonable nature of the rains caught graziers with stock near the rivers and widespread losses resulted, particularly on the Thomson River, which experienced record flooding. Peak heights at Longreach and Jundah were the highest ever recorded for any month. Boats were used to evacuate 50 families at Longreach and food drops were necessary.

River level observations from the manual station at Longreach suggest that this event may have been larger than either the 1974 or 2000 flood events in magnitude.

2.5.2 January 1974 Flood Event

Widespread major flooding occurred in almost all areas of the State during this month. Few areas had no flooding at all. Record flooding occurred in the Bulloo, Paroo, middle and lower reaches of the Flinders, Norman, Gilbert, **Cooper**, Diamantina, Georgina and Eyre rivers and creeks as well

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

as Nerang, Brisbane City metropolitan, upper Brisbane, Bremer, Warrill and Logan Rivers and Creeks, the latter associated with Cyclone "Wanda".

The Thomson River at Longreach peaked at 6.82m in late January but flooding continued well into February with subsequent flood peaks also being recorded.

2.5.3 April 1990 Flood Event

The April 1990 Flood event was a devastatingly widespread event across inland and southern Queensland. Many towns across this region were severely impacted notably Charleville that recorded its record flood, which still stands to this day.

Rainfall of late April 1990 fell on a wet catchment that had experienced minor to moderate flooding earlier in the month. Rainfall figures recorded in the 3 days to 9am on the 20th April in the Thomson catchment area included:

- Muttaborra – 173mm
- Aramac – 352mm
- Longreach – 158mm

River levels in the Thomson catchment reached their highest levels since the 1974 flood event with Longreach recording a peak of 6.39m. More information on this widespread flood event can be found in the BoM's flood report available here:

[BoM - April 1990 Flood Report](#)

2.5.4 February 2000 Flood Event

The February 2000 flood event is the most significant flood event recorded in Longreach since the 1974 event and isolated the town for a significant period of time and directly impacted in excess of 20 properties as a result.

Widespread 7-day rainfall totals of between 100mm to 400mm were observed in the catchment area upstream of Longreach (Longreach itself only recorded 78mm during the same period). Birricannia Station recorded 495mm during this 7-day period, including 139mm in a single 24-hour period.

Flooding developed quickly upstream of Longreach with water levels at Muttaborra rising from 4.25m at 9am Sunday before peaking at 8.10m at 9am Tuesday. Major flood levels peaked at 7.42m at Camoola Park on Wednesday afternoon before the eventual 6.94m peak at Longreach on the Thursday evening (indicative flood surface in Longreach during the peak is outlined in Appendix A.3).

More information on this event is available in the BoM's flood report available here:

[BoM - February 2000 Flood Report](#)

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

2.5.5 January 2007 Flood Event

The January 2007 flood event was generated predominantly from flows coming out of the Watyakan and Eilbank Creeks just to the East of Longreach. Rainfall in these areas was most significant in the overnight period between the 26th and 27th of January, with the following 24-hour rainfall totals being recorded:

- Evanston – 76.5mm
- Rotherfield – 86.0mm
- Beaconsfield – 68.4mm
- Longreach Aero – 73.2mm

The following ABC News article indicates that about 20 properties on the Southern side of town were impacted during this event which only lasted about 24 hours:

[Floodwaters lap Longreach - January 2007](#)

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

3 Methodology

The project methodology has been customised to provide the Longreach community with clear, concise and actionable information to inform and improve their ability to prepare, respond and then recover from flood events.

Stantec's project team used a variety of data and knowledge inputs to inform the project. Inputs from BoM, DRDMW, QRA and DAF all added to the intelligence provided by LRC officers. The following section outlines the methodology that was followed to deliver the project and any assumptions or caveats that need to be considered as part of the project.

A series of next steps have also been proposed (below in [Section 3.5](#)) and council's upcoming Flood Study project would be a great opportunity to deliver several of these improvements that were not in scope for this project.

3.1 Data collection and review

In order to ensure the project was using the most appropriate information a data collection process was conducted which included collating data from the following sources.

- BoM: All relevant flood peaks and flood effects were purchased from the BoM's archives as an input into the development of the empirical techniques (ie peak stage diagrams). The project also leveraged the flood history, river network brochures and climate data which is all freely available on the BoM's website to inform some of the background parts of the project.
- Bureau of Statistics: Census information was utilised to build a simple community profile which indicated a significant statistic around the proportion of the population new to Longreach in recent years.
- Queensland DRDMW: Data, location, peak flow and gauge zero were all sourced from the DRDMW, water monitoring information portal: this information was critical in identifying the specific location of the gauge. Some key peak flow measurements and the gauge zero were used in the production of the flood surface maps.
- QRA: The Central West Regional Resilience Strategy was heavily utilised in the background stages of the project and also to ensure the Community Flood Action Plan complemented the outcomes outlined in the broader strategy document.
- LRC: Officers from council provided the most recent Flood Study (completed by DHI in 2015) as well as the latest version of the Local Disaster Management Plan. Both of these items were heavily utilised in background and trigger/action production process.
- Trove: Several historical articles were sourced from the online Trove portal as part of the Flood History background section.
- ABC: An online article discussing the January 2007 flash flood event was used as evidence of both the impact and short duration of this event.

300203734: LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

3.2 Flood Extent Mapping

Determining hazard extents from outputs stemming from full-fledged flood modelling studies represent the culmination of industry discipline, however unfortunately modelling outputs from the DHI 2015 Flood Study were not available at the time of this study.

The understanding of flood extent associated with gauge levels documented herein, is based on an alternative method. This methodology consists of GIS analysis of flood levels relative to topography data. The topography data consists of the 2011 LiDAR Digital Elevation Model (DEM) at 1m x 1m resolution, freely available on the <https://elevation.fsdf.org.au/> platform.

A Digital Elevation Model (DEM) was generated based upon collation and merging of LiDAR tiles. For the purposes of flood extent estimation, the flood surface across Longreach township is assumed to be fixed. This process of obtaining flood extents based on the DEM only, whilst quick and expedite to reproduce, it is not intended as a definitive approach for flood risk analyses. As a result, the flood impact mapping should be updated based upon the future intended flood study for Longreach township.

Flood extents for the three flood classifications (minor, moderate and major) at the Thomson River gauge at Longreach were calculated based upon GIS analysis. In order to provide council with a probable worst case upper limit, a Probable Maximum Flood (PMF) level was estimated. This was calculated through a Flood Frequency Analysis (FFA) across all available historical flow and height data at the Longreach gauging station. Based on this process an estimated PMF local gauge height of 9.45m was determined to be the PMF level. The output of the FFA assessment is outlined below in Figure 2.

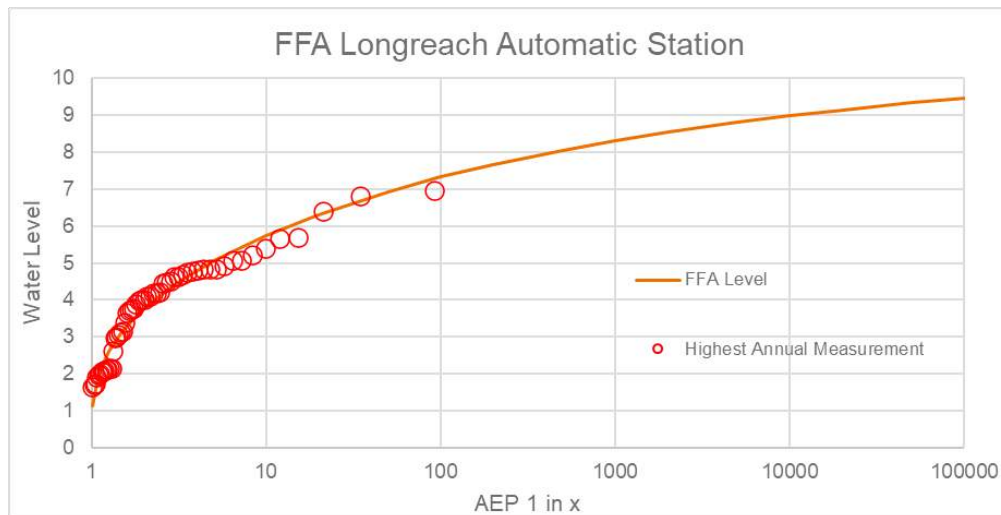

Figure 2 FFA output from FLIKE software

Table 4 below provides the AHD reference for each flood classification, the record flood level (2000 event) and the estimated PMF.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

Table 4 Gauge levels, classifications and range values

| Elevation (m AHD) | Classification | Note |
|-------------------|---|--|
| 177.265 | "Zero" level | Initial measurement at Longreach TM gauge |
| 180.565 | Minor flood level | +3.3m LGH |
| 181.565 | Moderate flood level | +4.3m LGH |
| 182.565 | Major flood levels | +5.3m LGH |
| 184.205 | 2000 flood level | + 6.94m LGH - Based on flood marks on assets observed in occurrence with the 2000 floods |
| 186.715 | Probable Maximum Flood level ^a | +9.45m LGH |

^a PMF Flood level estimate based upon Flood Frequency Analysis

The resulting flood maps showcasing the extent of the defined flood classifications, the indicative 2000 flood extent and PMF extent are shown in Appendix B.

3.3 Trigger and Action definition

As outlined above, the triggers and actions play a crucial role in giving the LRC LDMG and the Longreach community the guidance required to respond before, during and after flood events. The proposed Triggers and Actions have been outlined below in Table 5 along with some clarity as to why each of the triggers and actions have been selected.

An important element of defining these triggers and actions was ensuring that the existing forecast services provided by the Bureau of Meteorology played a pivotal role. In addition to these services historical references from the two key upstream water level monitoring stations at Muttaborra and Camoola Park were utilised to provide redundancy to the Bureau's services.

Wherever possible, the triggers and actions have also been linked with the existing Local Disaster Management Plan's activation levels. These linkages attempt to ensure the LDMG can respond to the same triggers as the community.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

Table 5 Triggers and Actions for Longreach

| Number | Trigger | Action | Justification |
|--------|--|--|---|
| 0 | Get educated and ready | <ul style="list-style-type: none"> Local community to get educated on the flood history and risk in Longreach. Link to ORA Local Knowledge Map. Local community to review and understand how to prepare for natural disaster in the Central West. Link to Central West flood book. Ensure LRC community are following LRC's Social Media Channels. | <ul style="list-style-type: none"> This is one of the most important steps to ensure the Community Flood Action Plan is effective. Ensuring the local community have an awareness and understanding of their own flood risk is pivotal in the success of the plan when flooding occurs. Two effective resources (links to the left) have already been prepared to support this community education. |
| 1 | Issuance of a significant Climate Outlooks | <ul style="list-style-type: none"> Community to routinely monitor the latest BoM climate outlooks to be aware of a potential wetter than average outlook. Link to BoM's Climate Outlook page. Council to post this information via its social media channels as required (La Nina announcement etc). | <ul style="list-style-type: none"> These products are issued in some cases months in advance of any impacts. The announcement of an impending La Nina could be a message that is utilised by council and the community to start considering the risk of flooding in the coming season. |
| 2 | Issuance of a Flood Watch, Severe Weather or Thunderstorm Warning issued | <ul style="list-style-type: none"> Community to be advised of risk so they can proactively ensure they have the necessary provisions for potential isolation or flash flooding down Watyakank Creek from a localised thunderstorm. Community to refer to Disaster Dashboard and Council's Social Media Channels for more information. Council LDMG discuss moving to ALERT activation status. | <ul style="list-style-type: none"> Flood Watches are issued approximately 1-4 days ahead of flood producing rainfall. This is a strategic time to prepare for potential isolation. Severe Weather and Thunderstorm warnings can provide advanced warning of flash flood producing rainfall. This would be particularly note-worthy for those potentially impacted by Watyakank Creek flash flooding. |
| 3 | Issuance of an Initial Minor Flood Warning for the Thomson River | <ul style="list-style-type: none"> Likely impact to the Old Thomson River Bridge and refer to Minor Flood Hazard Map outlined in Appendix B.1. Community to refer to Disaster Dashboard and Council's Social Media Channels for more information. Council LDMG discuss moving to LEAN FORWARD activation at this stage. | <ul style="list-style-type: none"> The Initial Minor Flood Warning will be issued when there is a reasonable expectation of water levels exceeding minor flood levels at either Longreach or Camoola Park (forecast locations). This would mean local impacts for the Apex Caravan Park, exceedance of the Old Thomson River Bridge and other traffic disruption. It is possible that this product won't always provide a significant amount of lead time of these impacts. This is why the issuance of the Flood Watch is critical. |

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

| Number | Trigger | Action | Justification |
|--------|---|---|---|
| 4 | Issuance of a Moderate Flood Warning for the Thomson River or Exceedance of 5.0m at Muttaborra or Camoola Park upstream | <ul style="list-style-type: none"> Utilise BoM Moderate Flood Warning for primary predictions and timing. If Flood Warning not available, peak stage diagrams suggest river levels in excess of 5.0m at Muttaborra or Camoola Park gives moderate flooding at Longreach (2-3 days-time from Muttaborra). Refer to Moderate Flood Hazard Map outlined in Appendix B.1 for impacts. Community to refer to Disaster Dashboard, Council's Social Media Channels and ABC Radio for more information. Council LDMG discuss moving to STAND-UP activation at this stage. | <ul style="list-style-type: none"> Aligns with the existing Bureau of Meteorology Flood Warning service which begins providing quantitative predictions once the river level at Longreach is predicted or observed to be above the moderate flood level (ie levels over 4.3m). Although the Bureau of Meteorology's forecasting service should always be the primary source of forecast information, further support has been provided via the Peak Stage Diagrams which are available in Appendix C. |
| 5 | Issuance of a Major Flood Warning for the Thomson River or Exceedance of 6.5m at Muttaborra or Camoola Park upstream | <ul style="list-style-type: none"> Utilise BoM Major Flood Warning for primary predictions and timing. If Flood Warning not available, peak stage diagrams suggest river levels in excess of 6.5m at Muttaborra or Camoola Park gives moderate flooding at Longreach (2-3 days-time from Muttaborra). Refer to Major Flood Hazard Map outlined in Appendix B.1 for impacts. Refer to Disaster Dashboard, Council's Social Media Channels and ABC Radio for more information. Council LDMG to remain at STAND-UP activation at this stage. Council to request routine briefings from BoM on weather and flood risks for the outlook period. These requests can be coordinated either at LDMG or DDMG via the SDCC or BoM QFES Meteorologist. | <ul style="list-style-type: none"> Aligns with the existing Bureau of Meteorology Flood Warning service that will increase in frequency once major flooding commences (ie levels over 5.3m observed or predicted at Longreach). Although the Bureau of Meteorology's forecasting service should always be the primary source of forecast information, further support has been provided via the Peak Stage Diagrams which are available in Appendix C. |

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

| Number | Trigger | Action | Justification |
|--------|--|--|---|
| 6 | Exceedance of 8.1m at Muttaborra or 7.42m at Camoola Park upstream | <ul style="list-style-type: none"> Utilise BoM Major Flood Warning for primary predictions and timing. If observed water levels exceed those recorded during the 2000 flood at Muttaborra (8.10m in 2000) or Camoola Park (7.42m in 2000) a 2000 type event is likely downstream at Longreach (6.94m in 2000). Council to door knock those properties impacted during the 2000 event to give them time to prepare for flood event. Refer to 2000 Flood Hazard Map outlined in Appendix B.2 for impacts. Refer to Disaster Dashboard, Council's Social Media Channels and ABC Radio for more information. Council LDMG to remain at STAND-UP activation. Will require routine briefings from BoM at this point and assistance from DDMG may be required at this point. | <ul style="list-style-type: none"> This trigger and corresponding action ensures that an event of similar magnitude to the 2000 flood event is adequately predicted and the community and LDMG have ample time to respond. The Bureau's Major Flood Warning will continue to be issued at this point but no increase in priority will be given so it's important that there is an extra trigger and corresponding action above the issuance of a Major Flood Warning. |
| 7 | Recession forecasting via BoM flood warnings | <ul style="list-style-type: none"> Community to monitor flood warnings (usually issued daily at this stage of the event) for timing of significant areas being free from floodwater. | <ul style="list-style-type: none"> Once the peak has been recorded the community will be keen to understand when certain impacts will ease. The recession forecasting in the Bureau's flood warning products should be referenced for this purpose. Note – recession forecasting is very difficult and can change significantly from one event to the next. LRC LDMG can look to reduce its activation status as the severity of the flooding decreases. |
| 8 | Final Flood Warning issued | <ul style="list-style-type: none"> Water levels have receded below the minor flood level at Longreach so community to begin recovery and look to document experience (photos, flood marks etc) and feedback (on the plan, council's response etc). | <ul style="list-style-type: none"> The Flood Warning for the Thomson River at Longreach will be finalised once the water level at Longreach has dropped below minor or is expected to within the Warning period. Once this product is issued, the LRC LDMG can look to move back to BAU operations and debrief on the effectiveness of the Community Flood action Plan and make any relevant changes that might be required. |

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

3.4 Community consultation and education

The background guidance, triggers and actions that have been presented in this report provide council with the detail required to begin conducting community consultation with a view to releasing a finalised CFAP ahead of the 2023/24 severe weather season.

To assist with the initial stages of this community consultation, Stantec visited council between the 11th and 13th May 2023 to begin collecting feedback on the plan and any other relevant background into the community's flood risk and impact awareness. These dates were selected to coincide with the Longreach Annual Show held on the 12th of May. The Annual Show gave Stantec the opportunity to interact with a wide cross-section of the Longreach community.

Upon arriving in Longreach on the 11th of May, LRC officers showcased several key impact locations around the Longreach township including some of the lower parts of town that would be impacted by either/or flooding from the Thomson River or Watyakan Creek. Another key location visited was the historic Longreach gauging station, manual gauge boards and the "old bridge" reference location (Figure 2 below).

Figure 3 Longreach gauging station and manual gauge boards

- Friday the 12th May was the Show Day and the Stantec staff member was provided with a small portion of the LRC trade stand with which to operate from as shown below in Figure 3.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

Figure 4 Stantec portion of LRC trade stand

The questions posed to the community are summarised below:

- Are you aware that parts of Longreach can be inundated during Major flood events?
- What is your experience of flooding in Longreach?
- What challenges are in place for managing floods in Longreach?
- Would the proposed triggers assist you in your flood preparations?

Feedback from this community consultation day is summarised in Table 5.

Table 5 Community Flood-Related Feedback

| Community Member | Feedback |
|--|---|
| Craig Neuendorf (LRC Disaster Management Coordinator) | <ul style="list-style-type: none"> • 2000 flood event impacted about 23 properties to the north and west of the town, particularly along Eagle Street and Spoonbill Street to Owl Street • Many of these properties along Eagle Street were raised following the flood event and are therefore more resilient for the next flood. • The Aged Care Facility on Eagle Street had water very close to it but no water egress was observed. • The bridge over the Thomson River on the Landsborough Highway was partially completed during the 2000 flood event. • Fortunately, the water levels coming out of Watyakan Creek during the 2000 event were negligible. |

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

| Community Member | Feedback |
|-----------------------------------|--|
| | <ul style="list-style-type: none"> Rainfalls in excess of 100mm in a short period of time around Ilfracombe on a wet catchment will produce significant flash flooding – January 2007 and ANZAC Day event in 2022. The worst case flooding in Longreach would be a combined Watyakan Flash flood being recorded during a significant riverine flood from the Thomson River. |
| Dale Bignell (LRC Councillor) | <ul style="list-style-type: none"> No evidence of the new bridge producing a damming impact and therefore worsening flood levels in Longreach. Agreed that combating this understanding would be a challenging component that the delivery of the CFAP would have to keep in mind. |
| Irene Harvey (Longreach Resident) | <ul style="list-style-type: none"> 1990 flood cut many roads but did not inundate any properties. Much worse flooding was recorded further to the south and east. The 1955 flood had water everywhere. Many people were badly impacted and had water in many homes. Agreed with the intent of the project and thought that using historical references from Muttaborra and Camoola Park was the most accurate way of forecasting floods at Longreach. |
| Anonymous Member of the public #1 | <ul style="list-style-type: none"> New bridge was near completion during the 2000 flood event. The culverts installed as part of this construction have had a negative impact on flood levels in town. The 2022 ANZAC Day Watyakan Creek flash flood event wasn't as significant as the levels recorded in 2000. |
| Anonymous Member of the public #2 | <ul style="list-style-type: none"> 2000 flood event was very red due to the red soil on the top of the new road embankment which wasn't sealed at the time of the flood. The level of the deck of the old bridge is about 6 inches higher than long crossing and the level of the Long Crossing bridge deck is about 6 inches higher than the next crossing. |
| Anonymous Member of the public #3 | <ul style="list-style-type: none"> People downstream of the new bridge suggested the level of the 2000 flood very similar to the 1974 event. Residents located upstream of the new bridge (especially along Eagle Street) suggested levels were much higher than 1974. Very little water in Watyakan Creek during the 2000 flood event could have produced a much worse outcome if it did have water in it. |
| Anonymous Member of the public #4 | <ul style="list-style-type: none"> Family history of a huge flood early in Longreach's history that had water from the Thomson River break out around the town, across the race course, cut the runway at the Airport and enter Watyakan Creek. If this event occurred this would be much larger than 2000 or 1974. |
| Anonymous Member of the public #5 | <ul style="list-style-type: none"> Navigating around the countryside was very difficult during the wet season. The construction of new bridges has improved the ability to travel around which is a great improvement. There hasn't been a big event since 2000 however. |
| Jeff Newton (LRC Officer) | <ul style="list-style-type: none"> The 2000 flood event was lower or slightly lower than 1974 event. The reason for this difference was due to very little water coming out of Watyakan Creek rather than any impact the new road embankment might have had on the flood. |

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

| Community Member | Feedback |
|----------------------------------|---|
| Robbie Vinnicombe (LRC resident) | <ul style="list-style-type: none"> • There are 3 major obstructions spanning the entire width of the floodplain: <ol style="list-style-type: none"> 1. Railway line, 2. Old Highway, and 3. New Highway • Individually each obstruction contributes to the collective resistance/all playing a multiplying effect on the ambient free movement of flood water migrating downstream, therefore - unfortunately for a significant portion of our town the laws of physics dictate that there are only 2 options for overland flow to follow - and that's Up & Out. • Of the 3 obstructions, obviously the new H/way is by far the most significant - Off the cuff there is in the order of between 3 -500 000 cubic metres of construction material/bridging, roundabout & parking bays included spanning the entire floodplain. Starting at around the corner of Canary Lane & Duck Street stretching all the way out to just shy of the Silsoe Road turn off & to top it all off with the collection of flood debris - just the guard rail alone will likely add an additional 100 – 150mm to the high tide mark. • Highly likely that the 1955 flood event was bigger than either 2000 or 1974 flood events. |
| Diesel SES Local Controller | <ul style="list-style-type: none"> • The impact of weed getting washed downstream not often considered as a potentially reason for worsening flood levels. • The Aged Care facility is a big worry due to its close proximity to the flooding and was nearly impacted during the 2000 flood event. • The increase in tourist activity and the addition of new caravan parks means community awareness of flooding is difficult. Direct engagement is the only option. |

LRC officers provided Stantec with several local community members to proactively contact as part of the community consultation. Whilst not all were able to provide comments, having the ability to meet with a long-term resident like Irene Harvey was a great outcome. Irene's knowledge of the region and appetite to see the project improve the safety of the Longreach community was a highlight of the community consultation process.

Two main themes were clearly articulated by the cross section of the community engaged with during the Stantec staff members visit:

1. The broad community opinion is that the new Landsborough Highway and bridge from Spoonbill Street to approximately the Silsoe Road turnoff (completed slightly after the 2000 flood event) has a significant influence over flood levels in large events like the 2000 flood. Most members of the community that voiced concern over this impact also acknowledged the benefit that the bridges construction has delivered.
2. The antecedent state of Watyakan Creek before and during a flood event has a significant role in determining the severity of flooding from the Thomson River. It was mentioned several times that the 2000 event could have been far worse if there was water in Watyakan Creek. This is worthwhile feedback for council to consider going forward.

LONGREACH COMMUNITY FLOOD ACTION PLAN REPORT

3.5 Conclusions

The following key items for action are recommended to ensure the Community Flood Action Plan is effectively delivered and continues to be maintained and effective. These include:

1. Ensure appropriate community consultation is completed around the specific triggers and actions proposed in this report. Any updates are then made to the list of triggers and actions outlined in Table 4 (above).
2. Ensure the delivery of the final Plan occurs before the next severe weather season. Stantec would propose that a potential time for the Plan to be released could be during 'Get Ready Week 2023'. This usually occurs in October each year and coinciding the release of the plan might also offer the council the opportunity to apply for '[Get Ready](#)' grant funding to support the release.
3. The final version of the Plan should aim to deliver the following:
 - a. Be succinct to ensure successful engagement from the public (No more than 2 pages).
 - b. Simple, plain language to be used in the plan so that the vast majority of the population can understand.
 - c. Leverage existing educational and support resources (links provided in Section 1 above) via the use of QR codes to ensure hard copy versions of the Plan could be used via a smartphone.
 - d. Ensure the Plan remains consistent with LRC's corporate style and branding.
4. Leverage the upcoming Longreach Flood Study to update the hazard maps outlined in Appendix B of this report. In addition to updating the maps that have been provided as part of this project, a series of maps indicating the relationship between local gauge height and various impacts in town (including well above the 2000 flood event) would be extremely valuable for council to utilise in future flood events.
5. As outlined in Section 2.4.1.1 above, council should look to review Longreach's flood classifications to ensure they are consistent with the national definitions. Leveraging the upcoming Flood study might be an effective initial method in reviewing the classifications.
6. Ongoing advocacy of the new Longreach Community Flood Action Plan throughout the traditional "dry season" and then another targeted campaign around pre-season preparation to ensure the new plan is fresh in the community's mind is recommended.
7. Pre-season exercise of Community Action Plan to be delivered that is structured to provide internal LDMG agencies and council staff the opportunity to work through how the relevant agencies would work if a flood event of the magnitude of the year 2000 event occurred in the future. In addition to the LRC LDMG participating in this event, council's Local Disaster Coordinator and support staff could approach the DDMG to see if there would be appetite for a broader exercise.

Appendices

Appendix A Catchment Map

A.1 Thomson River Catchment Map

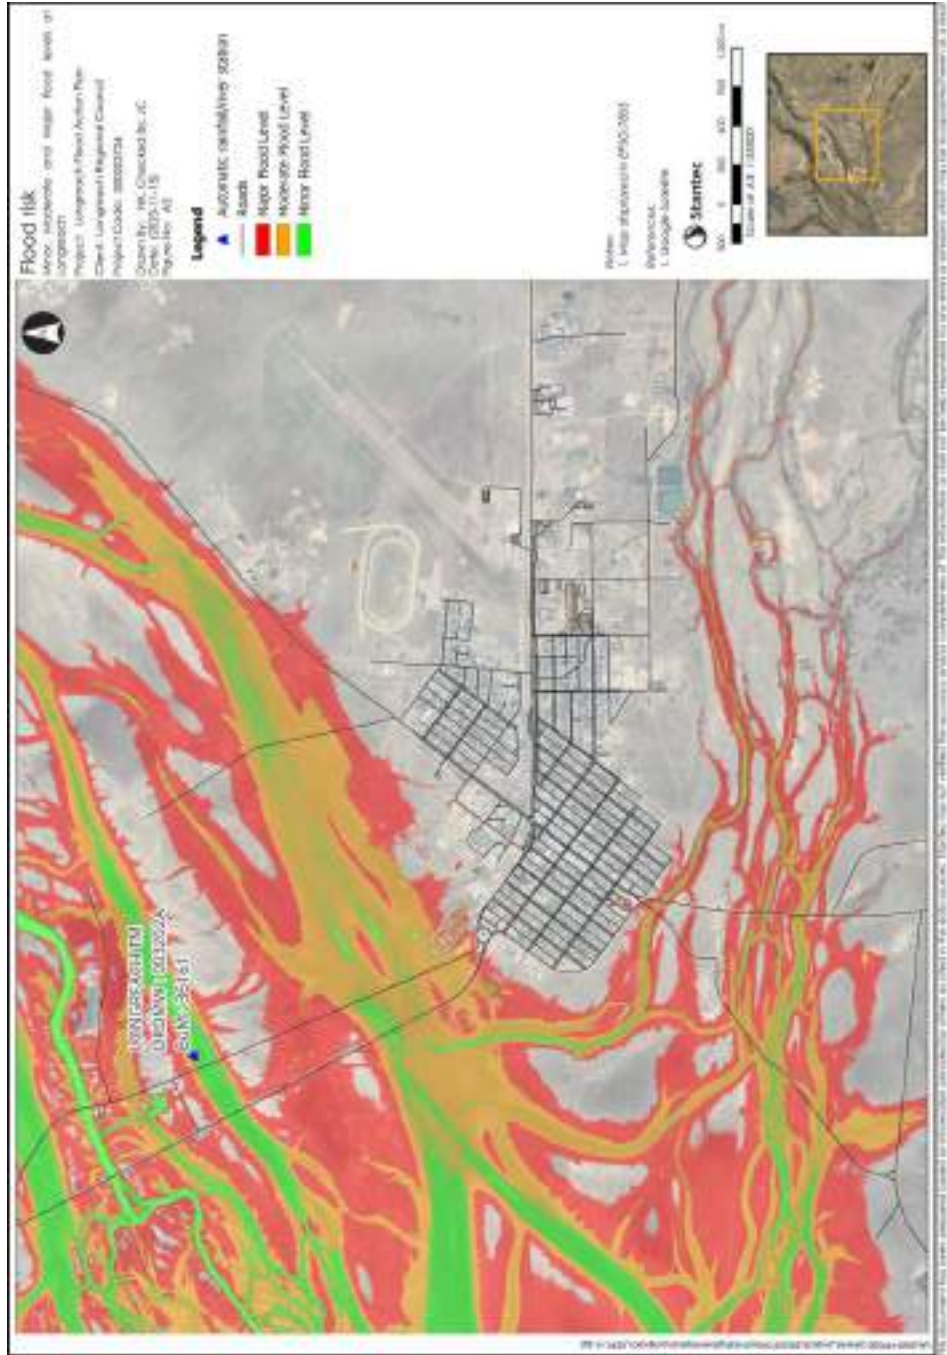

Outlined below is a map of the Thomson River catchment upstream of Longreach.

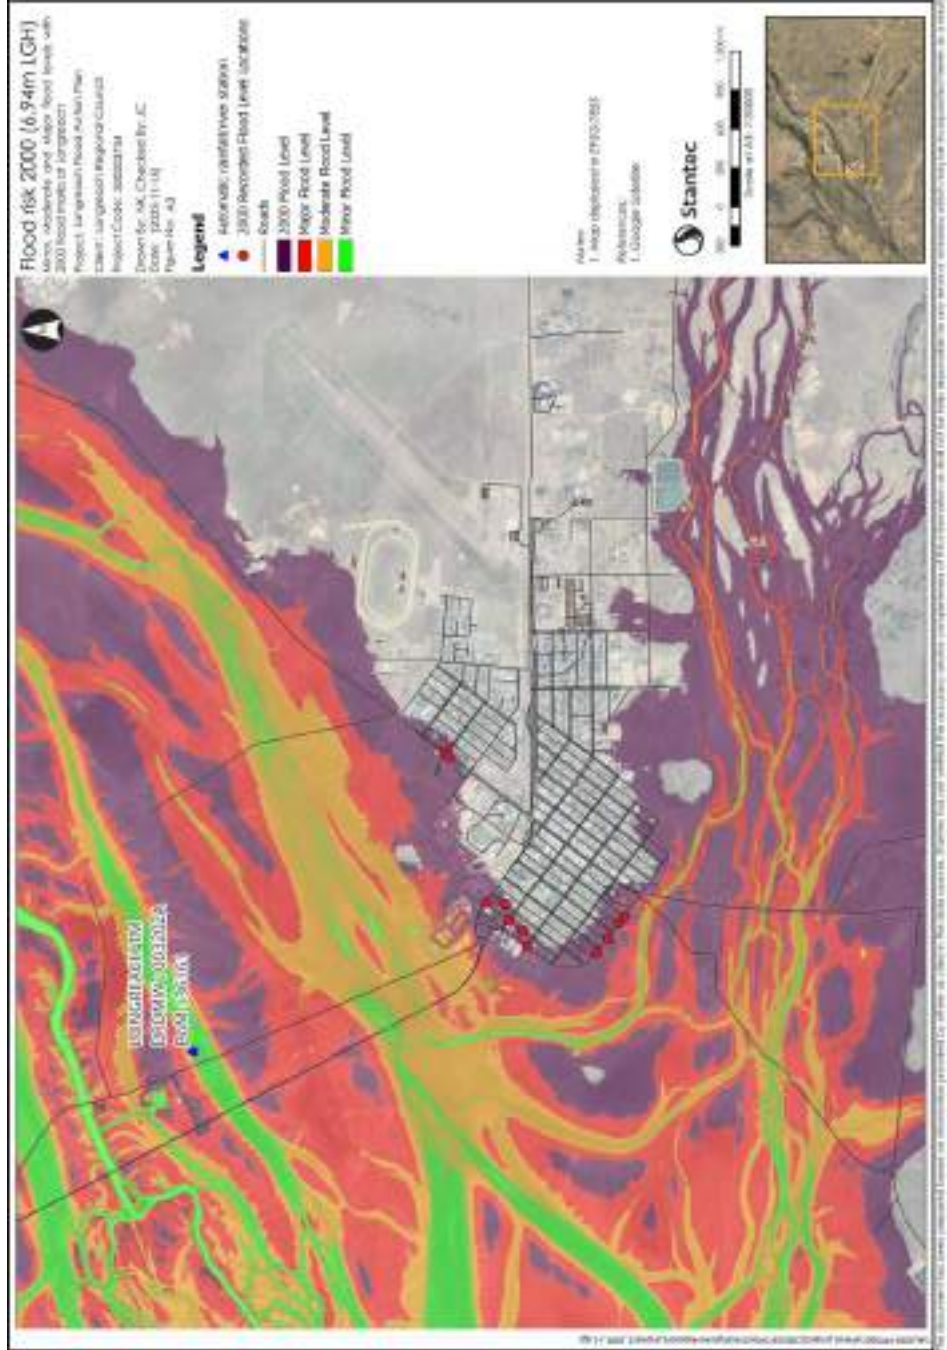

Appendix B Flood Depth Maps

Outlined below are three indicative depth maps which have been generated to show the likely flood depths for the three flood classifications (ie minor, moderate, major), the approximate 2000 flood level and an "extreme" flood level (8.0m in local gauge height) in Longreach. These maps have not been generated using a flood model. Stantec has used the known zero point of the water level monitoring station at Longreach as a guide to inform the depths. These local gauge height references (minor, moderate, major, 2000 flood peak and 8.0m LGH) have been placed over the best digital elevation information available at the time of the study. Future flood studies could look to generate higher quality information if the opportunity is available.

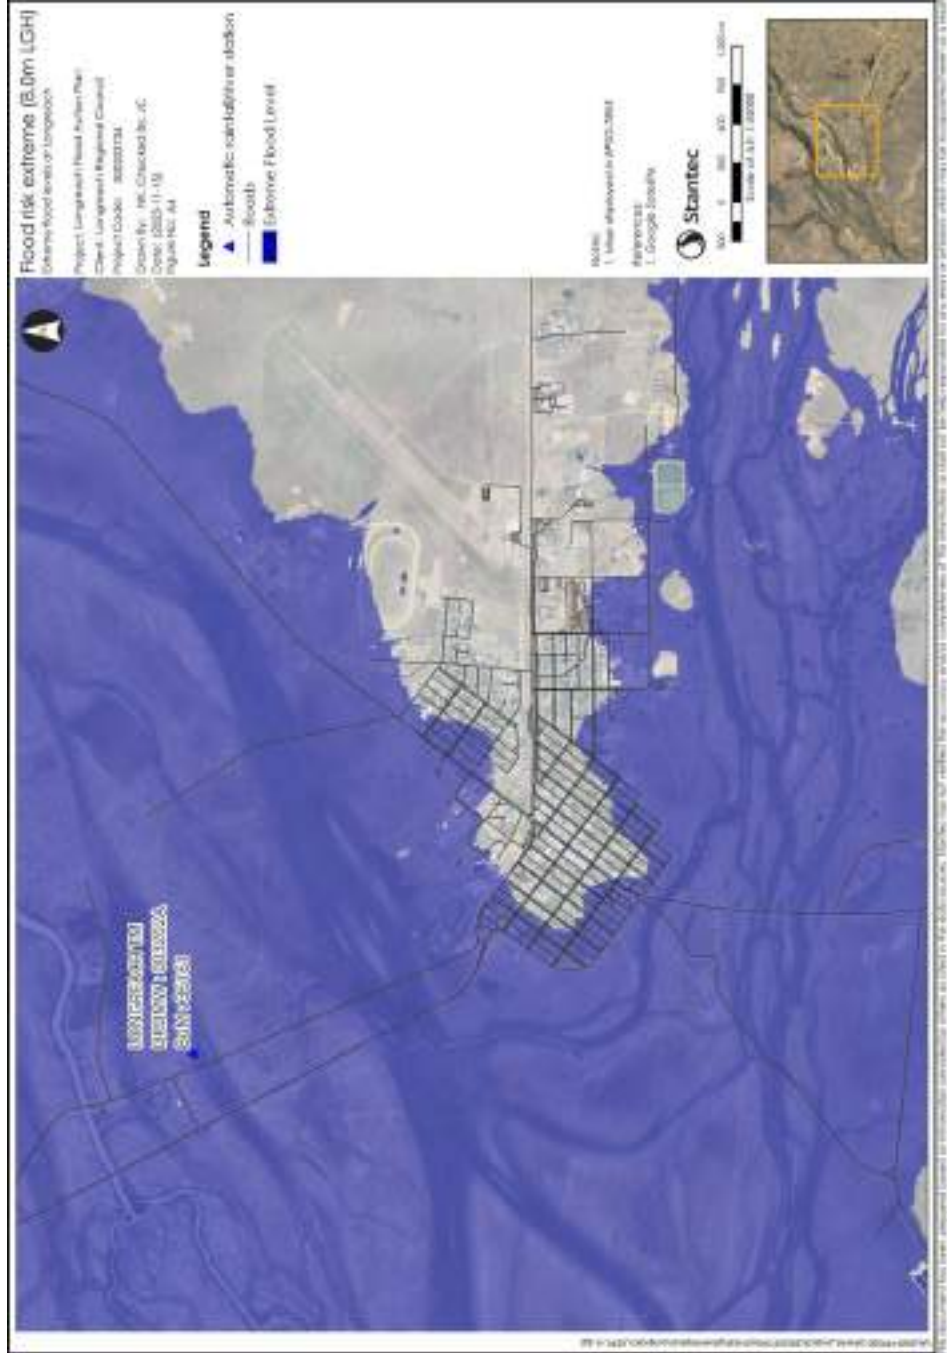

B.1 Minor, Moderate and Major flood extents

B.2 2000 flood extent

B.3 Probable Maximum Flood (PMF) extent

Appendix C Peak Stage Diagrams

The following diagrams have been produced using all available peak height records sourced from the BoM. Some brief explanatory notes are provided that should be considered when using this peak height data:

The majority of peak height data held by the BoM has been reported to the BoM by a volunteer observer network. Because there have been flood events which have not been reported, for a variety of reasons, to the BoM, it should not be assumed that a peak height record for a station is a complete record of flood events. In any case, flood peaks are only reported when a height exceeding the 'first report' height for the station is experienced. In particular, the early years of a peak height record are often incomplete with only notable historical events being available.

It is important to note that there are other hydrological uncertainties that need to be considered inside these diagrams including:

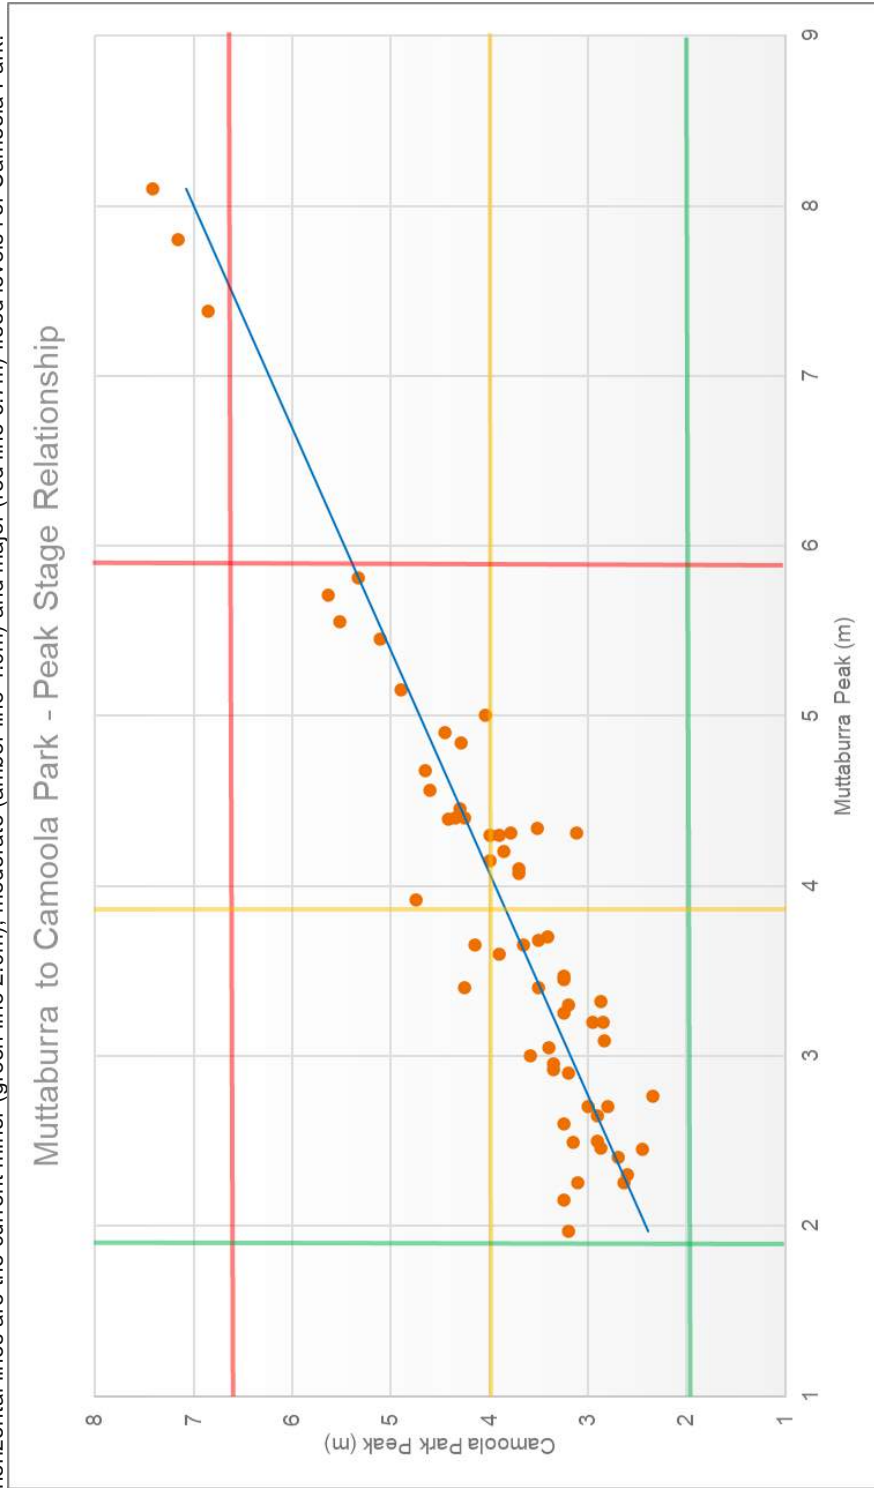

- The vast majority of the data used to create these diagrams has been taken from manual water level monitoring stations. It is very likely that due to the nature of manual observations that the actual peak heights may have been slightly missed.
- A large “scatter” at the lower end of both relationships is likely a result of both local rainfall and local runoff influencing the height recorded downstream. Whilst this isn't ideal for the relationship it does however give the user useful context to consider during the next flood event.

Due to the new automatic station at Muttaborra being installed a distance away from the historic manual station all peak heights had to be adjusted slightly (1.1m needed to be taken off the historic peak heights to ensure consistency with the heights being recorded from the new automatic station) to ensure heights from the historic station could be compared with heights observed from the new location.

Much like Muttaborra, there are a series of historic peaks that were collected at Longreach, but it is not known before 1971 from where and what method these peaks were recorded. The BoM therefore applied a 1.3m increase in all historic peaks from 1971 onwards to take into account the shift from using the historic manual station to the DRDMW automatic station. The 1990 and 2000 flood reports released by the BoM refer to these outdated lower peaks and therefore the historic peaks reported in this report should be treated as the most accurate and up to date.

C.1 Muttaborra to Camoola Park

The following diagram outlines the peak stage relationship between Muttaborra and Camoola Park. The vertical-coloured lines refer to the minor (green line 1.9m), moderate (amber line 3.9m) and major (red line 5.9m) flood levels that are currently set at Muttaborra and the equivalent horizontal lines are the current minor (green line 2.0m), moderate (amber line 4.0m) and major (red line 6.7m) flood levels for Camoola Park.

C.2 Camoola Park to Longreach

The following diagram outlines the peak stage relationship between Camoola Park and Longreach. The vertical-coloured lines refer to the minor (green line 2.0m), moderate (amber line 4.0m) and major (red line 6.7m) flood levels that are currently set at Camoola Park and the equivalent horizontal lines are the current minor (green line 3.3m), moderate (amber line 4.3m) and major (red line 5.3m) flood levels for Longreach.

Communities are fundamental. Whether around the corner or across the globe, they provide a foundation, a sense of place and of belonging. That's why at Stantec, we always design with community in mind.

We care about the communities we serve—because they're our communities too. This allows us to assess what's needed and connect our expertise, to appreciate nuances and envision what's never been considered, to bring together diverse perspectives so we can collaborate toward a shared success.

We're designers, engineers, scientists, and project managers, innovating together at the intersection of community, creativity, and client relationships. Balancing these priorities results in projects that advance the quality of life in communities across the globe.

Stantec trades on the TSX and the NYSE under the symbol STN. Visit us at [stantec.com](https://www.stantec.com) or find us on social media.

14.2 - Information Report - Works

| Project | Task | Comment |
|-----------------------------|--|---|
| | |  |
| Plant Utilisation | Plant Utilisation data from NAVMAN for Prime Movers, Graders & Loaders | <ul style="list-style-type: none"> • Navman Plant Utilisation Report for Prime Movers & Heavy Plant October-December 2023 is attached. • Plant utilisation is on track with crews busy working on various Flood Damage, TMR, RMPC, MWPC and Council projects throughout the road network. |
| Workshop Operations | General Update | <ul style="list-style-type: none"> • Maintenance across the fleet has taken place over the shutdown period.  |
| SES Support Grant 2023/2024 | Vehicle Upgrade | <ul style="list-style-type: none"> • Replacement vehicle has been ordered. Scheduled to arrive January/February 2024. |

Waste Management

| Waste Facilities Update |
|--|
| <p>Longreach Waste Facility</p> <ul style="list-style-type: none"> • 6 monthly hazard inspections completed. Noted large amount of tyres, construction and scrap metal waste. • Proterra are continuing to recruit for an additional operational team member. Staff from other locations are currently filling in personnel gaps. • Met with Proterra representatives in December to discuss operations and various opportunities for regional recycling options. <p>Ilfracombe Waste Facility</p> <ul style="list-style-type: none"> • Contractor is conducting routine cleaning of the facility. <p>Isisford Waste Facility</p> <ul style="list-style-type: none"> • Contractor conducting twice weekly covering of general waste. <p>Yaraka Waste Facility</p> |

14. WORKS REPORT
14.2 - Information Report - Works

- Contractor conducting regular covering of general waste.

Water & Sewerage

Water Operations

All Sites - Water Treatment & Network - General Update

- Weir and Dam levels at all sites are shown in Table 1 below.
- Routine water network maintenance undertaken and Customer Service Requests responded to as required across all sites.
- Review of the DWQMP is in progress until early 2024.

Longreach Water Treatment & Network

- WTP operating as normal.

Ilfracombe Water Treatment & Network

- Ilfracombe WTP & RO Plant – operating as normal.

Isisford Water Treatment & Network

- Isisford WTP – operating as normal.
- Close monitoring of WTP is being undertaken to manage current run in the Barcoo River.
- De-brief session following recent water incident undertaken.

Yaraka Water Treatment & Network

- Yaraka WTP – operating as normal.

Sewerage Operations

Longreach Pump Stations & STP

- Routine maintenance undertaken as required.

Ilfracombe Pump Stations & CED Ponds

- Routine maintenance undertaken as required.

Isisford Pump Station & CED Ponds

- Routine maintenance undertaken as required.

Table 1 – Estimated Current Weir/ Dam Levels (~ approximate level)

| Dam | Approx. Current Level (m) | Approx. % Full | DMP Height Full | Comments |
|----------------------|---------------------------|----------------|-----------------|--|
| Longreach Town Weirs | 1.49m | 114% | 1.3m | Recent rainfall in the catchment has filled the Thomson River. |
| Shannon Dam | 14.5m | 100% | 14.5m | Water is regularly pumped from Murray McMillan to keep Shannon Dam at full levels. |
| Murray MacMillan Dam | ~7.8m | 75% | 10.3m | Recent rainfall in the catchment has increased dam level. |
| Isisford Dam | ~10.4m | 94.5% | 11m | Pumping of water from the Barcoo River has increased dam level. |
| Isisford Weir | 1.3m | 100% | 1.3m | |
| Yaraka North Dam | 12.5m | 100% | 12.5m | Recent rainfall has filled the dam. |
| Yaraka South Dam | 12.5m | 100% | 12.5m | Recent rainfall has filled the dam. |

14. WORKS REPORT

14.2 - Information Report - Works

Yaraka Town Dams filled – January 2024

Risk Management Factors:

This matter has been assessed using Council's Risk Matrix to decide the likelihood and consequence of any risk to Council:

Likelihood: Rare
Consequence: Insignificant
Rating: Low (1/25)
Low risk, informational report only.

Environmental Management Factors:

Nil

15. LATE ITEMS

Nil for this meeting

16. CLOSED ITEMS MATTERS

Recommendation:

That pursuant to section 242J(1) of the Local Government Regulation 2012 the meeting be closed to discuss the following matters, which are considered confidential for the reasons indicated.

16.1 Disposal of two (2) former railway buildings - Purchase and Removal

Consideration of tender responses for the disposal of two former railway buildings via purchase and removal.

This report is considered confidential in accordance with section 254J(3) g, of the Local Government Regulation 2012, as it contains information relating to: negotiations relating to a commercial matter involving the council for which a public discussion would be likely to prejudice the interests of the council.

16.2 Tender LRC442023 - Sale of Lot 201 on SP 340125

Consideration of tender responses for sale of Lot 201 on SP 340125.

This report is considered confidential in accordance with section 254J(3) g, of the Local Government Regulation 2012, as it contains information relating to: negotiations relating to a commercial matter involving the council for which a public discussion would be likely to prejudice the interests of the council.

17. CLOSURE OF MEETING

LOCAL GOVERNMENT ACT 2009 – PRINCIPLES

Local government is required to adhere to the following high level principles contained in section 4 of the Local Government Act:

The **local government principles** are:

- (a) Transparent and effective processes, and decision-making in the public interest; and
- (b) Sustainable development and management of assets and infrastructure, and delivery of effective services; and
- (c) Democratic representation, social inclusion and meaningful community engagement; and
- (d) Good governance of, and by, local government; and
- (e) Ethical and legal behaviour of councillors and local government employees.

Decisions, based on recommendations, provide for the following Council actions:

Recognise There is an issue and Council recognises that but usually can't do much about it. Financial cost (no cost).

Advocate Council will take up the issue on behalf of the community and usually get someone else to do something about it (some cost/minimal cost).

Partner Council partners with another organisation/agency to jointly do something about the issue (half cost).

Deliver Council is the deliverer of the program/solution, usually funds it etc. This is normally a standard Council responsibility in service delivery (full cost).

Council's risk management processes are based around the following principles:

Risk Identification: Identify and prioritise reasonably foreseeable risks associated with activities, using the agreed risk methodology.

Risk Evaluation: Evaluate those risks using the agreed Council criteria.

Risk Treatment / Mitigation: Develop mitigation plans for risk areas where the residual risk is greater than our tolerable risk levels.

Risk Monitoring and Reporting: Report risk management activities and risk specific information in accordance with the risk protocols.

The Risk Matrix below is used to assess the likelihood and consequence of any risk to Council, to then identify any necessary treatment actions. This matrix will also be used to assess any risk identified in Council's reports:

| Likelihood | Consequence | | | | |
|---------------------|--------------------|-------------|---------------|---------------|-------------------|
| | Insignificant 1 | Minor 2 | Moderate 3 | Major 4 | Catastrophic 5 |
| Almost Certain 5 | Medium 5 | High 10 | High 15 | Extreme 20 | Extreme 25 |
| Likely 4 | Medium 4 | Medium 8 | High 12 | High 16 | Extreme 20 |
| Possible 3 | Low 3 | Medium 6 | Medium 9 | High 12 | High 15 |
| Unlikely 2 | Low 2 | Low 4 | Medium 6 | Medium 8 | High 10 |
| Rare 1 | Low 1 | Low 2 | Medium 3 | Medium 4 | Medium 5 |
